H. Ben Decherd Dedication

Members of the St. Mark's community and guests dedicated the H. Ben Decherd Center for the Arts on Tuesday, October 15. Mr. Bartlett Hayes, Director Emeritus of the Addison Gallery was the featured speaker. Mr. Hayes talked about "The Arts as a function of the curriculum." Other speakers included Mrs. H. Ben Decherd, Mr. and Mrs. Cecil Green, Headmaster John T. Whatley, President of the Board of Trustees Dr. P. O'B Montgomery, Jr., and Student Council President Tave Campbell. Subsequent festivities included a picnic lunch immediately following the ceremony and various performances by members of the Fine Arts Department during the week of celebration.

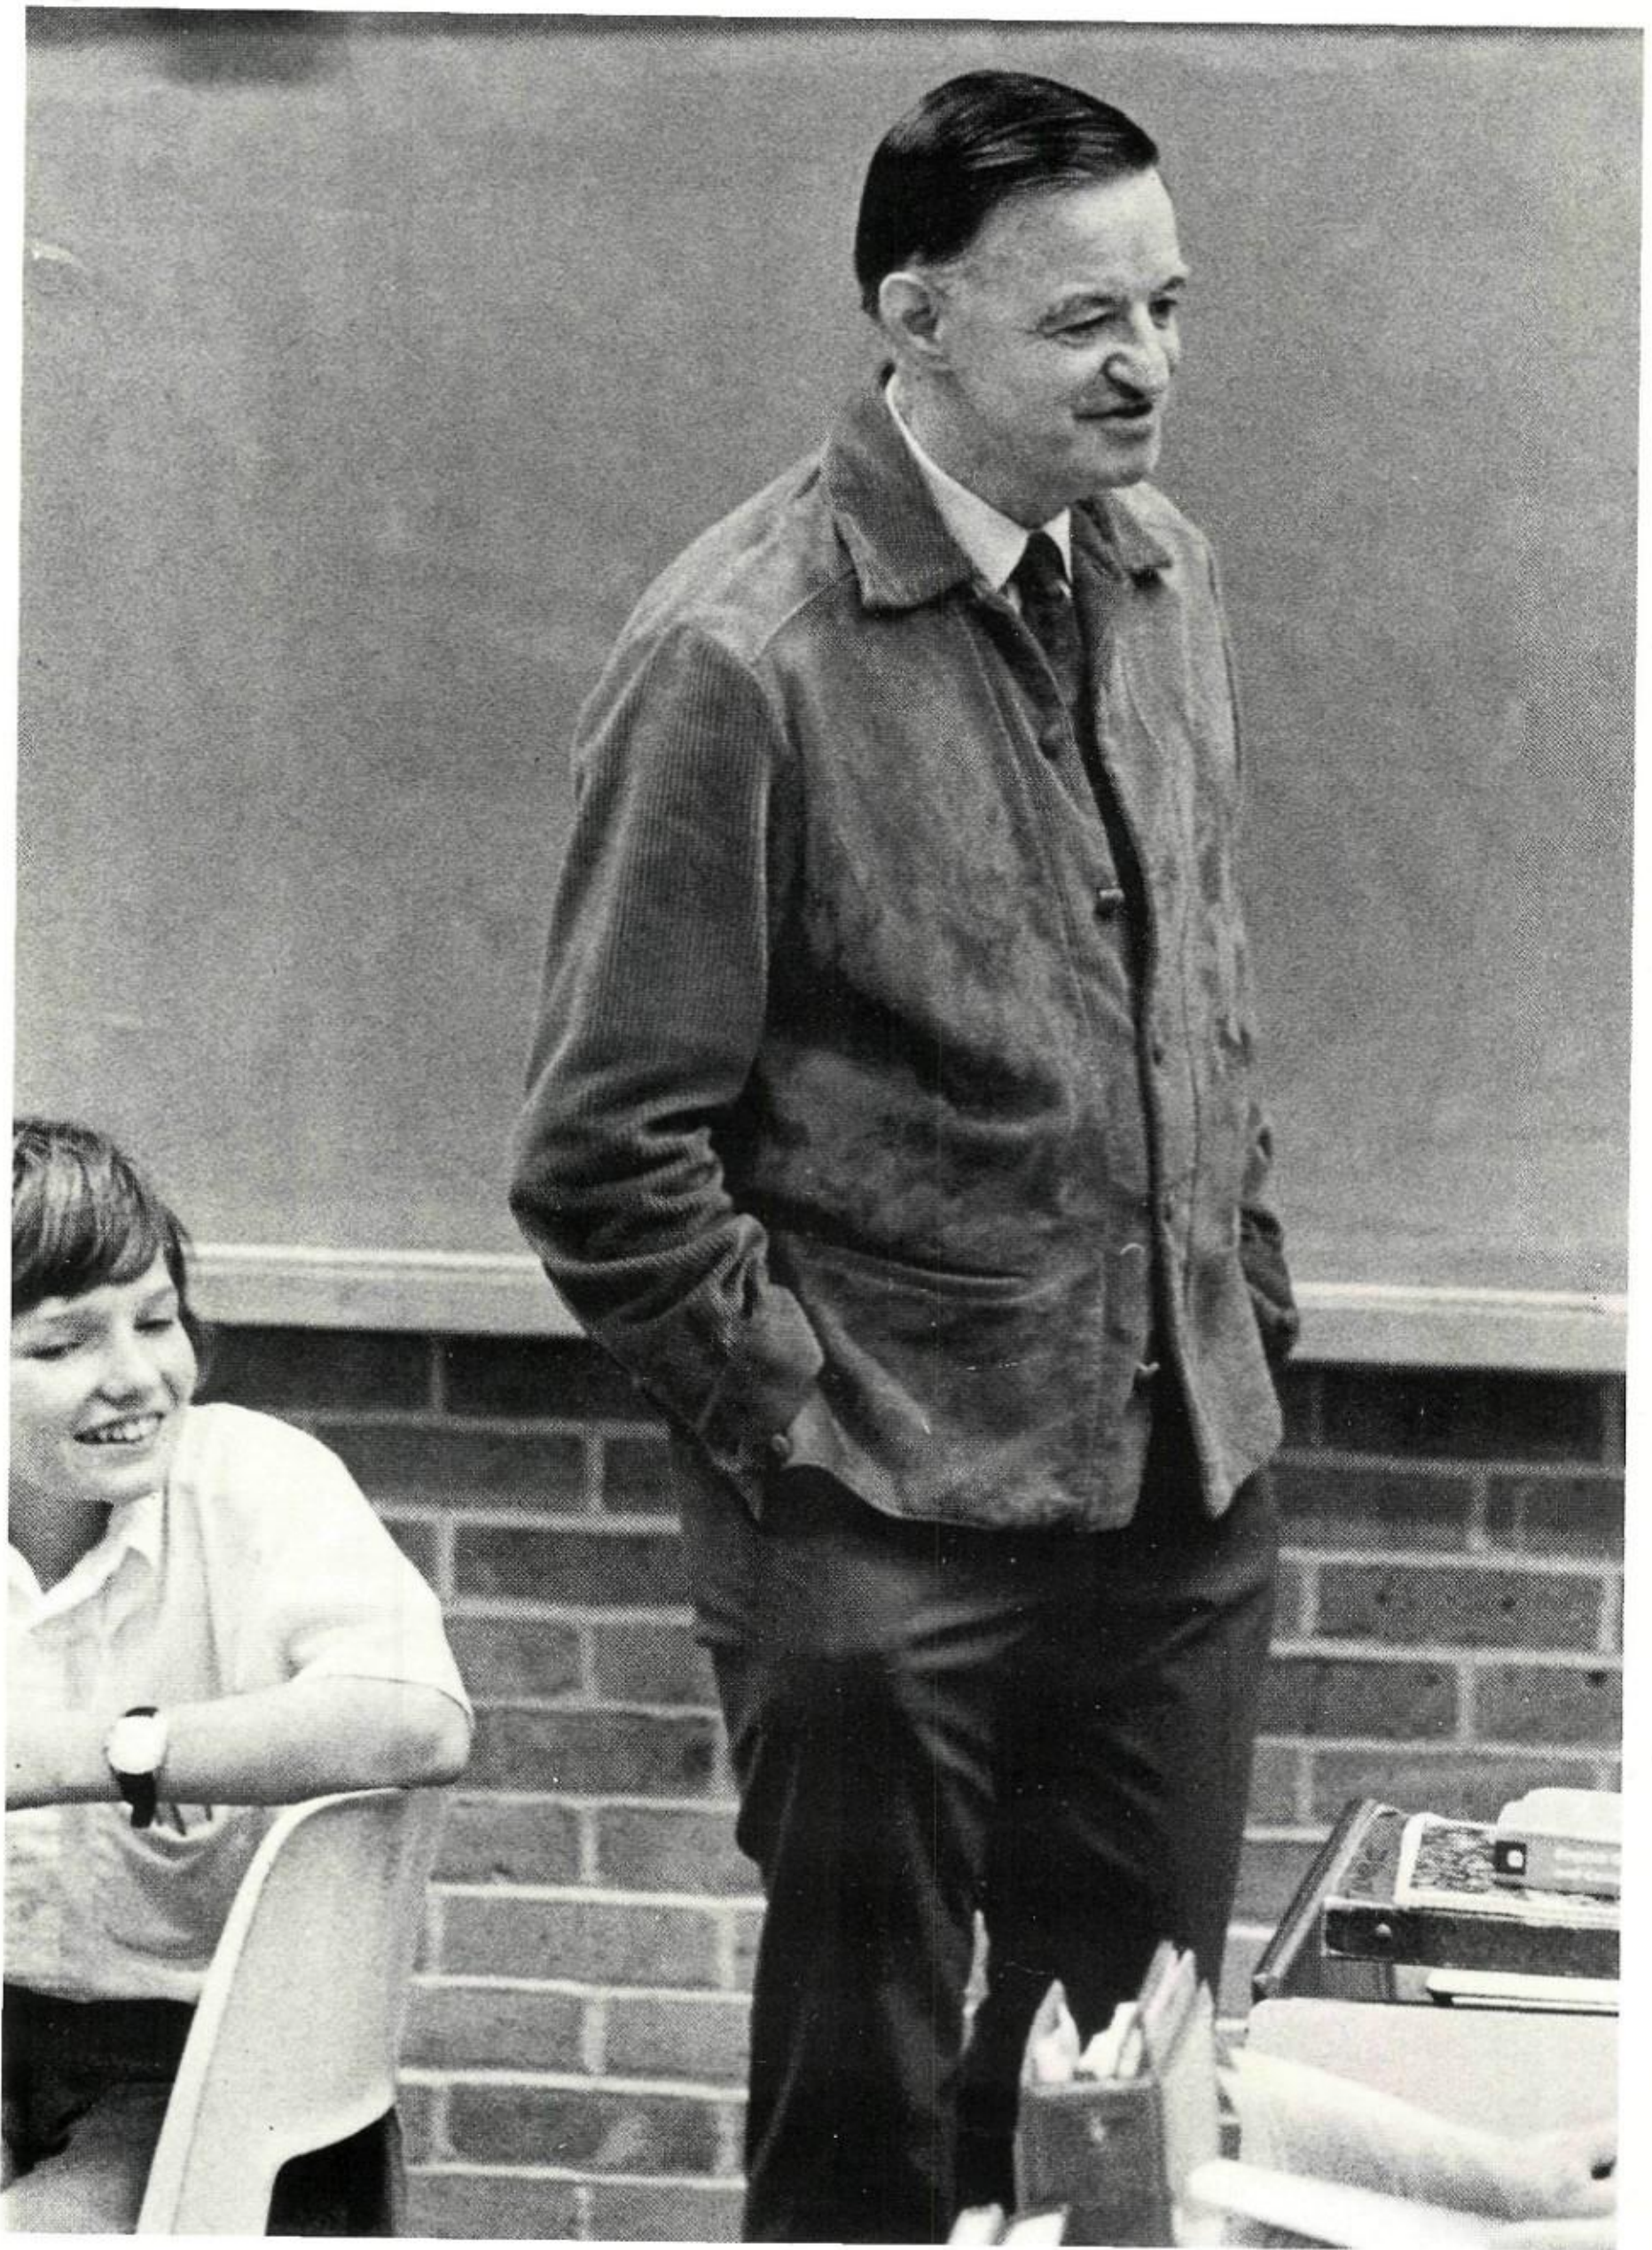

Trustee Cecil H. Green

Mr. Bartlett Hayes

Mrs. Decherd and Headmaster Whatley

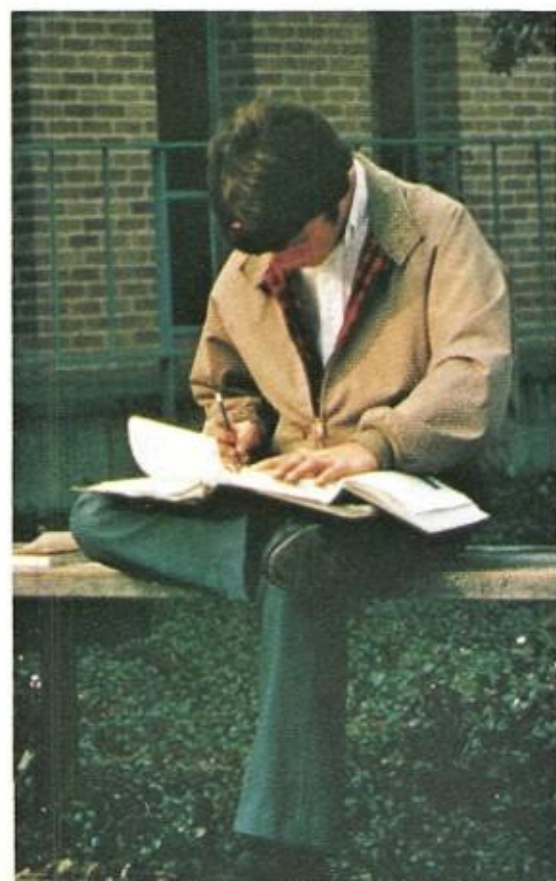

Mr. John J. Connolly has been instrumental in making St. Mark's the institution of academic excellence that it is today.

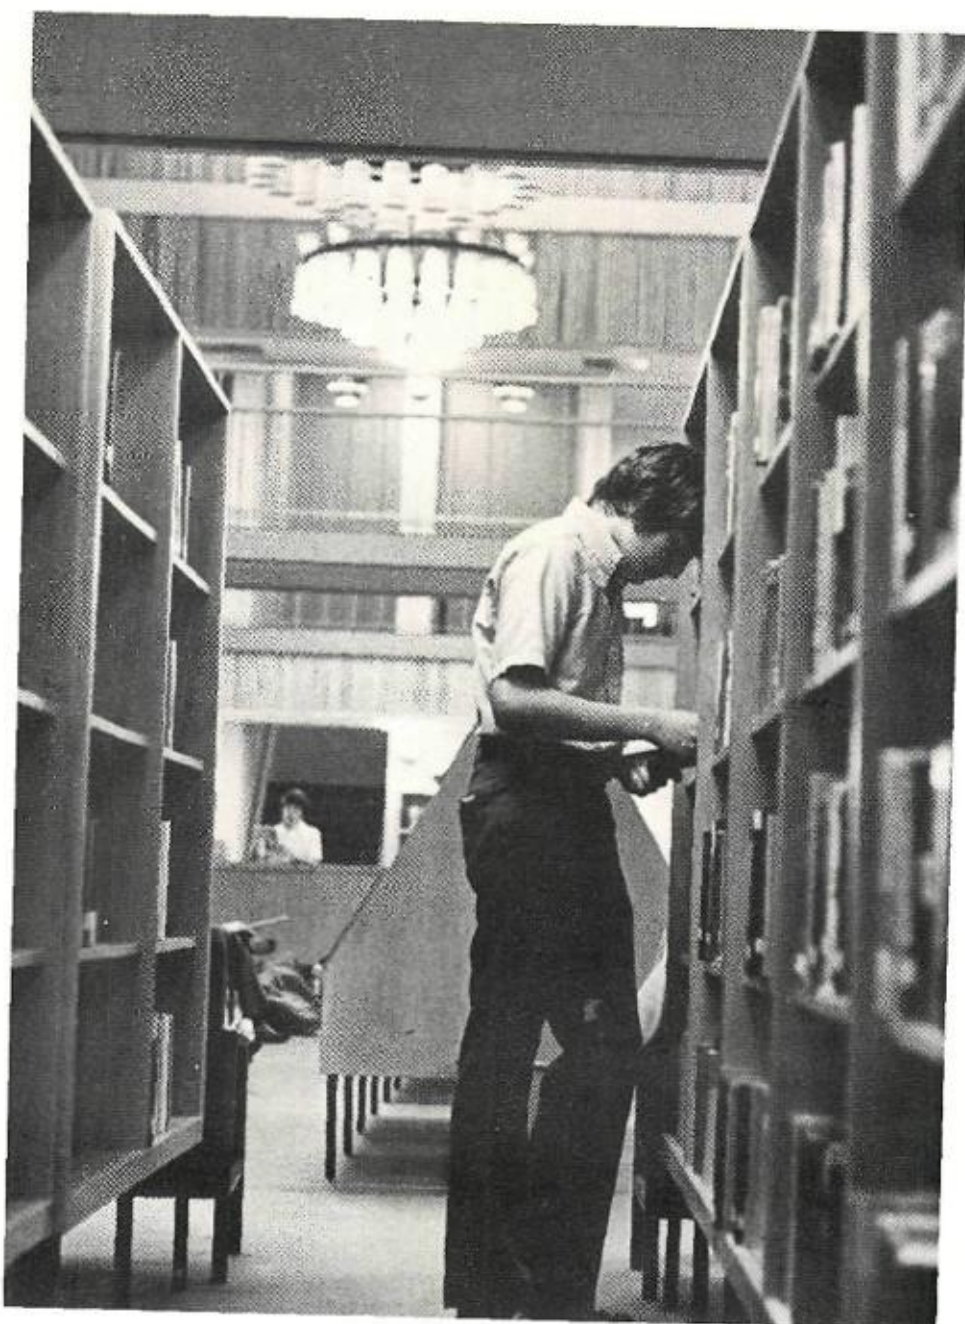

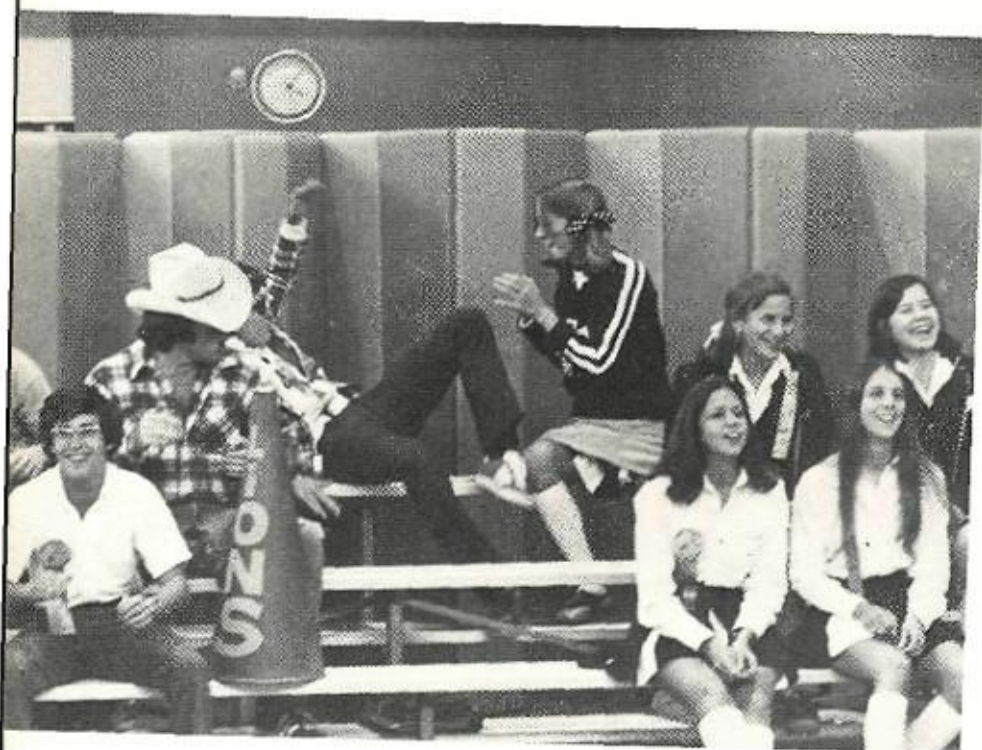

Therefore, as we celebrate the twenty-fifth anniversary of the school, we the Class of 1975 dedicate the *Marksmen* to this man for his devotion and concern for the students of St. Mark's.

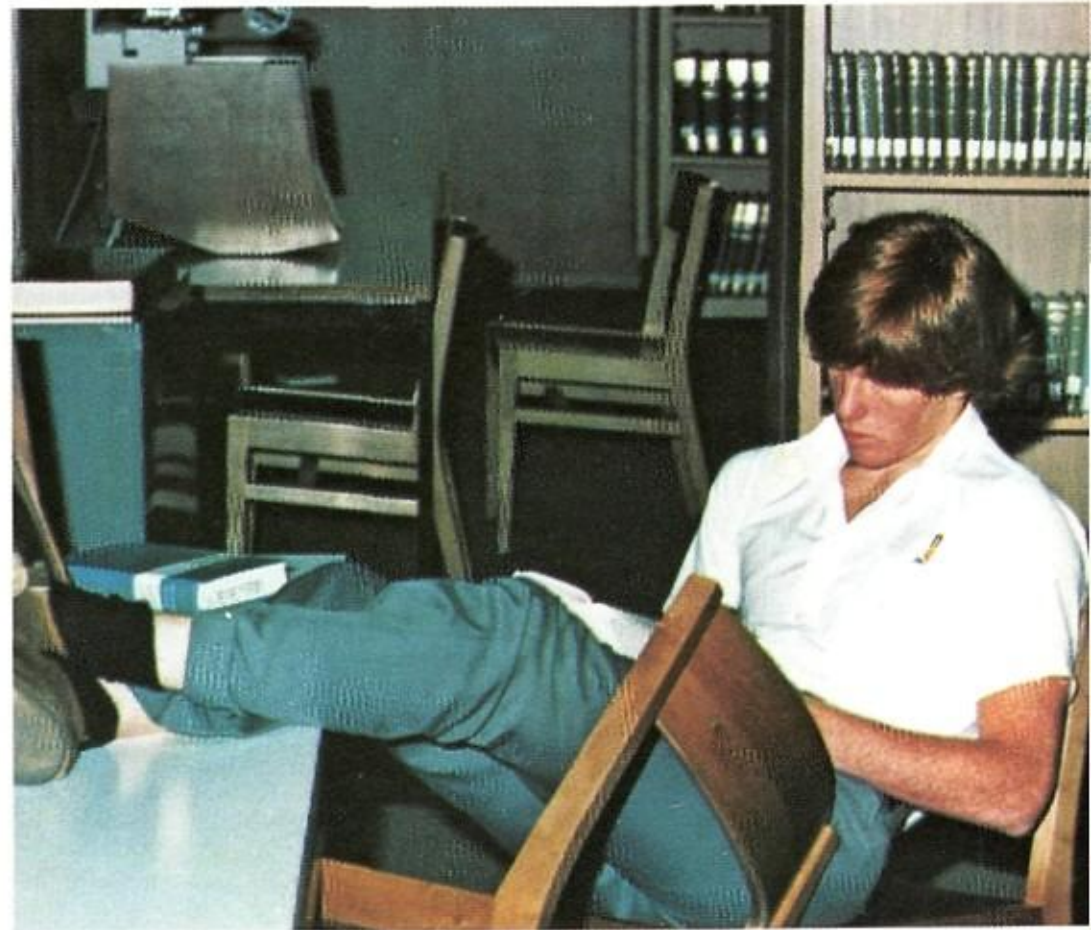

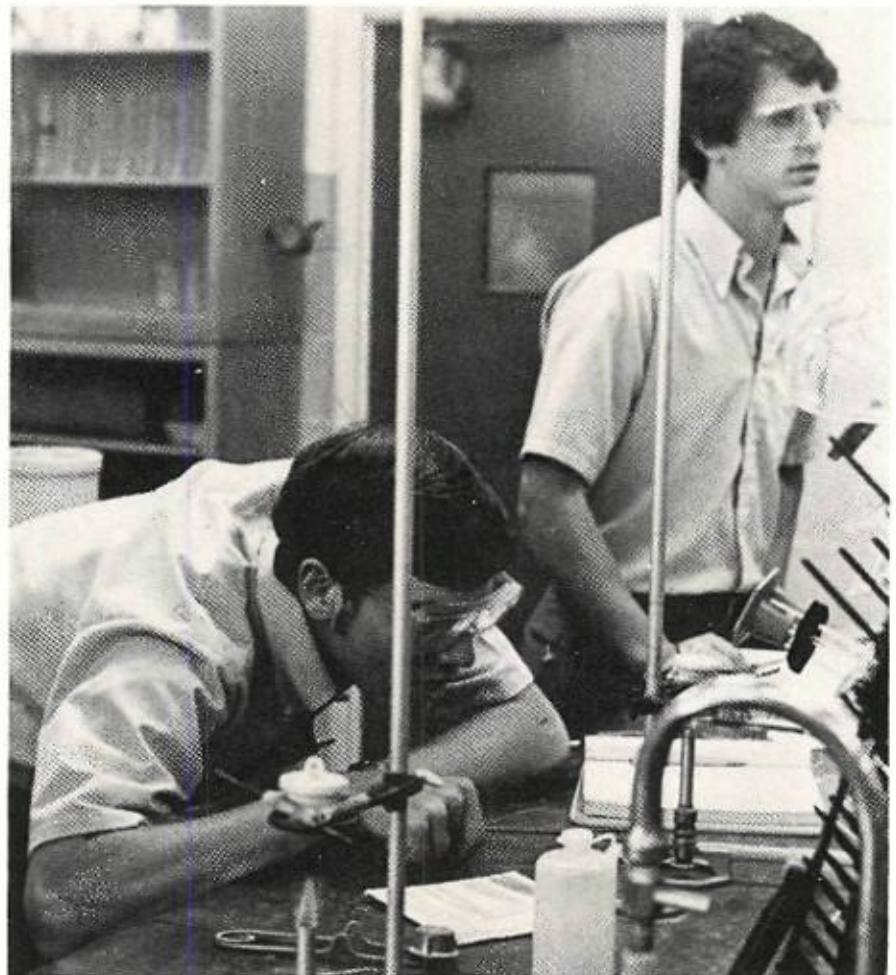

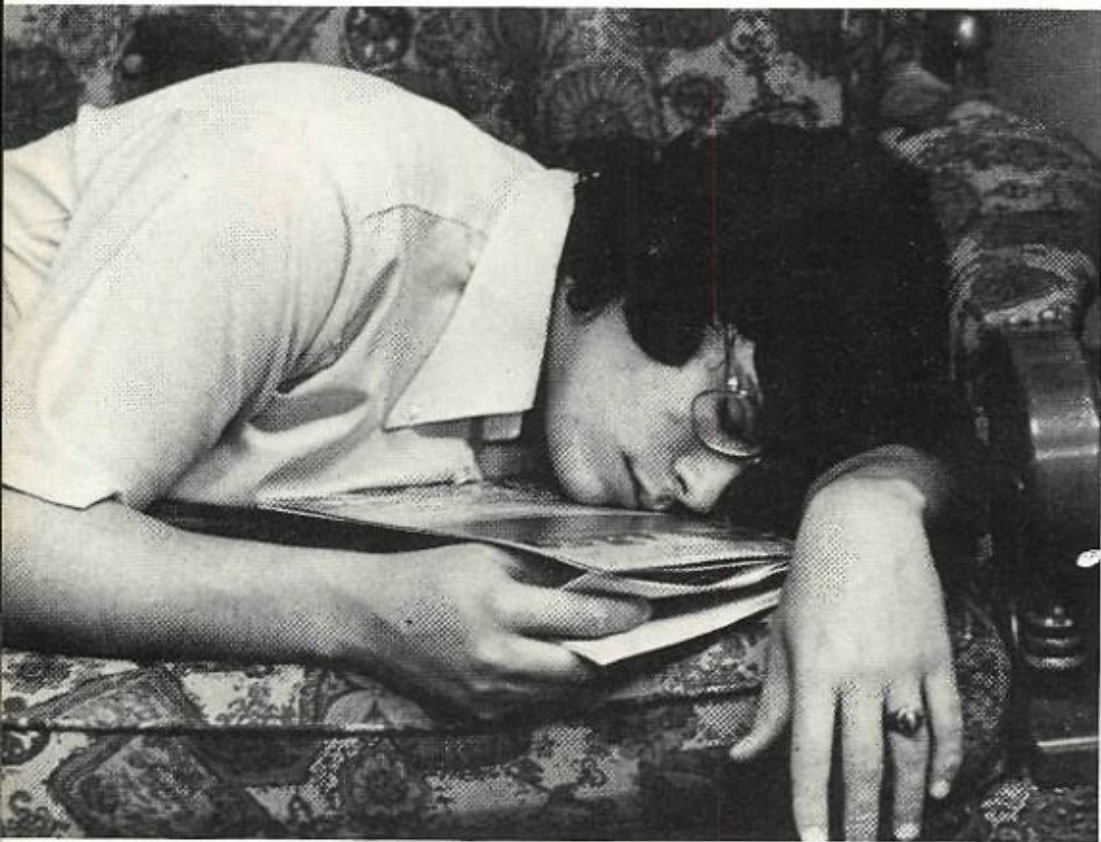

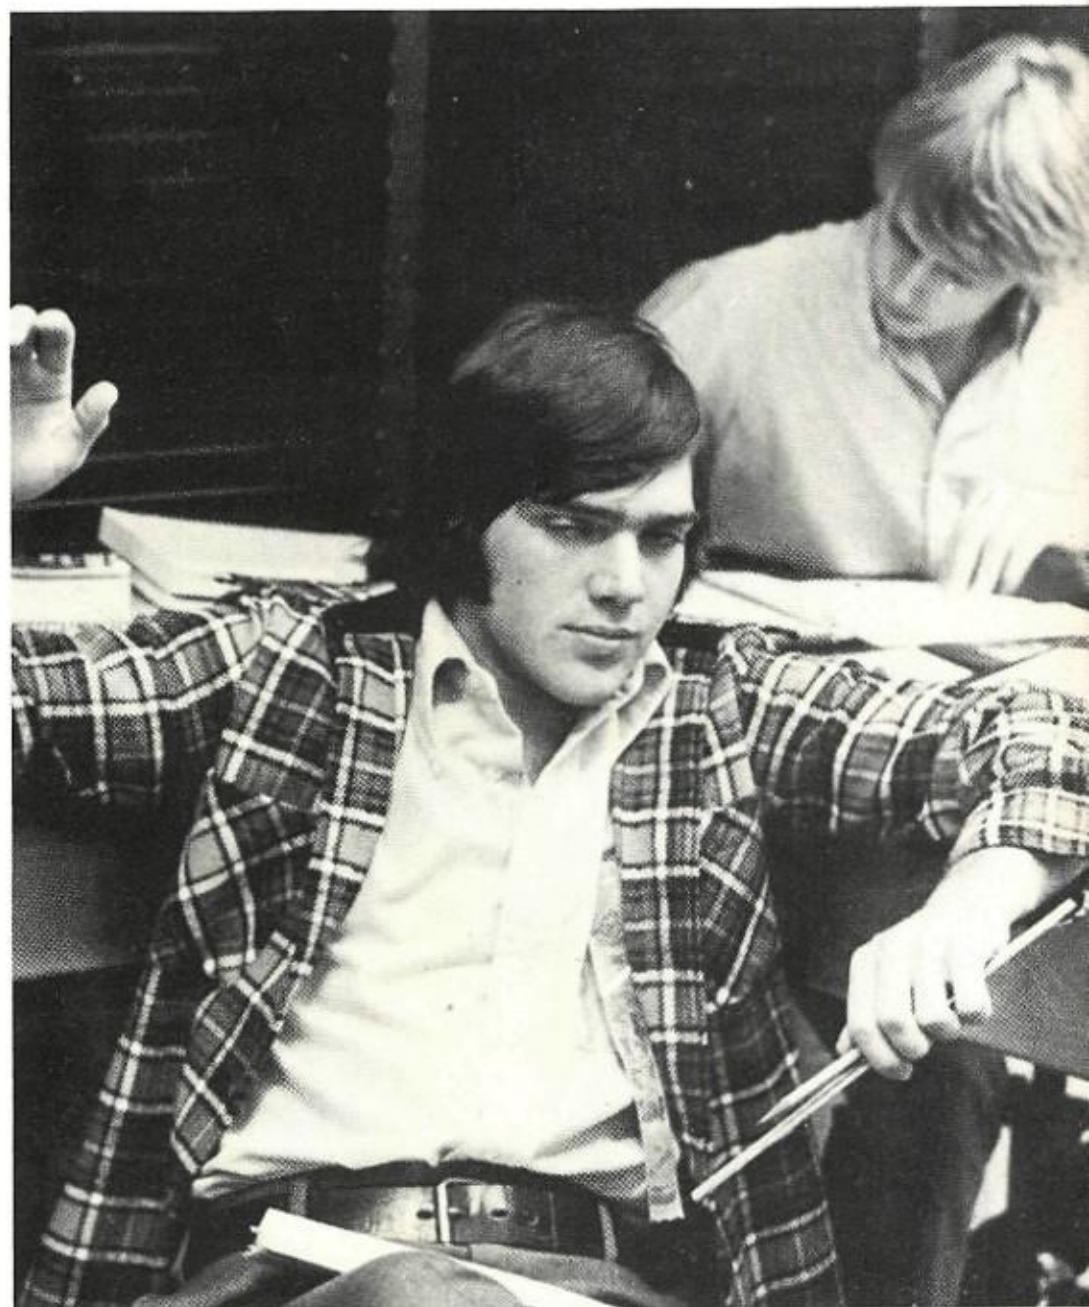

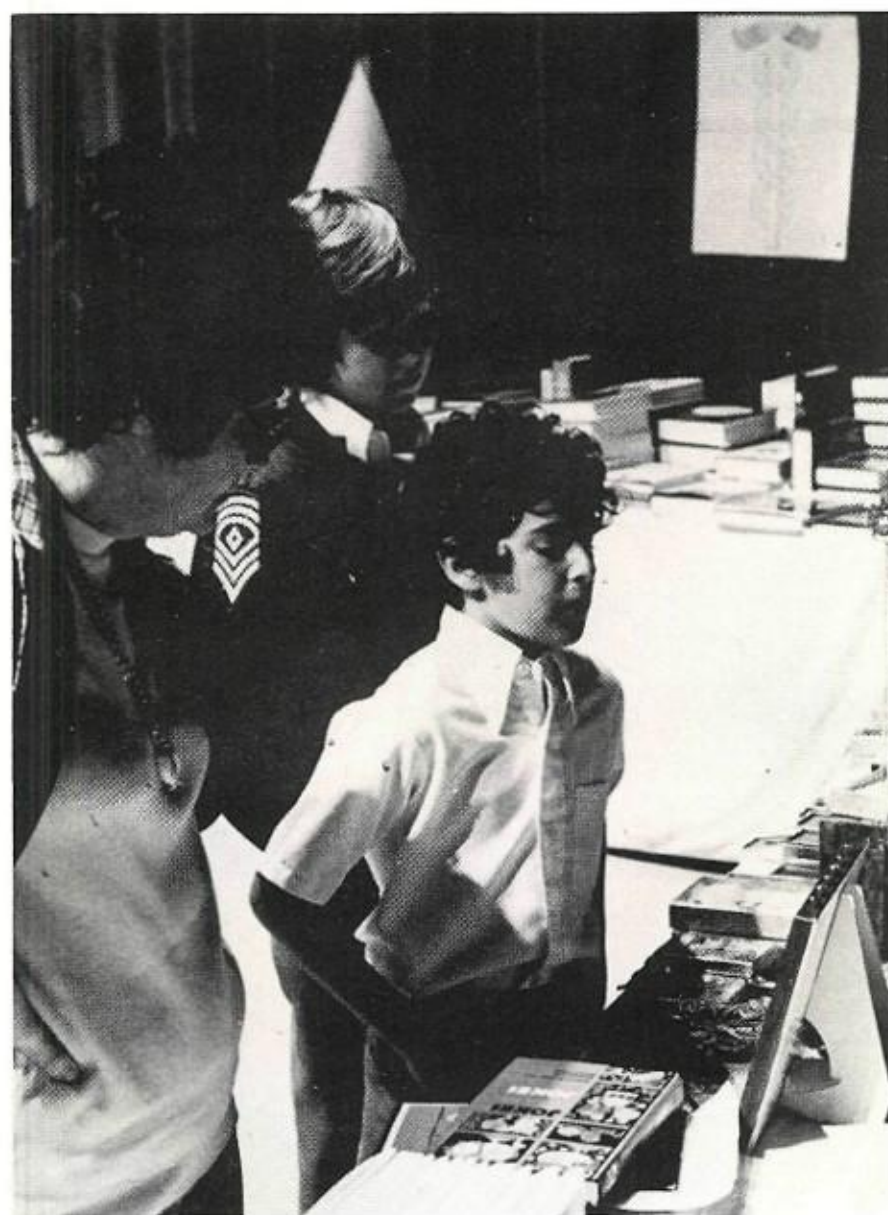

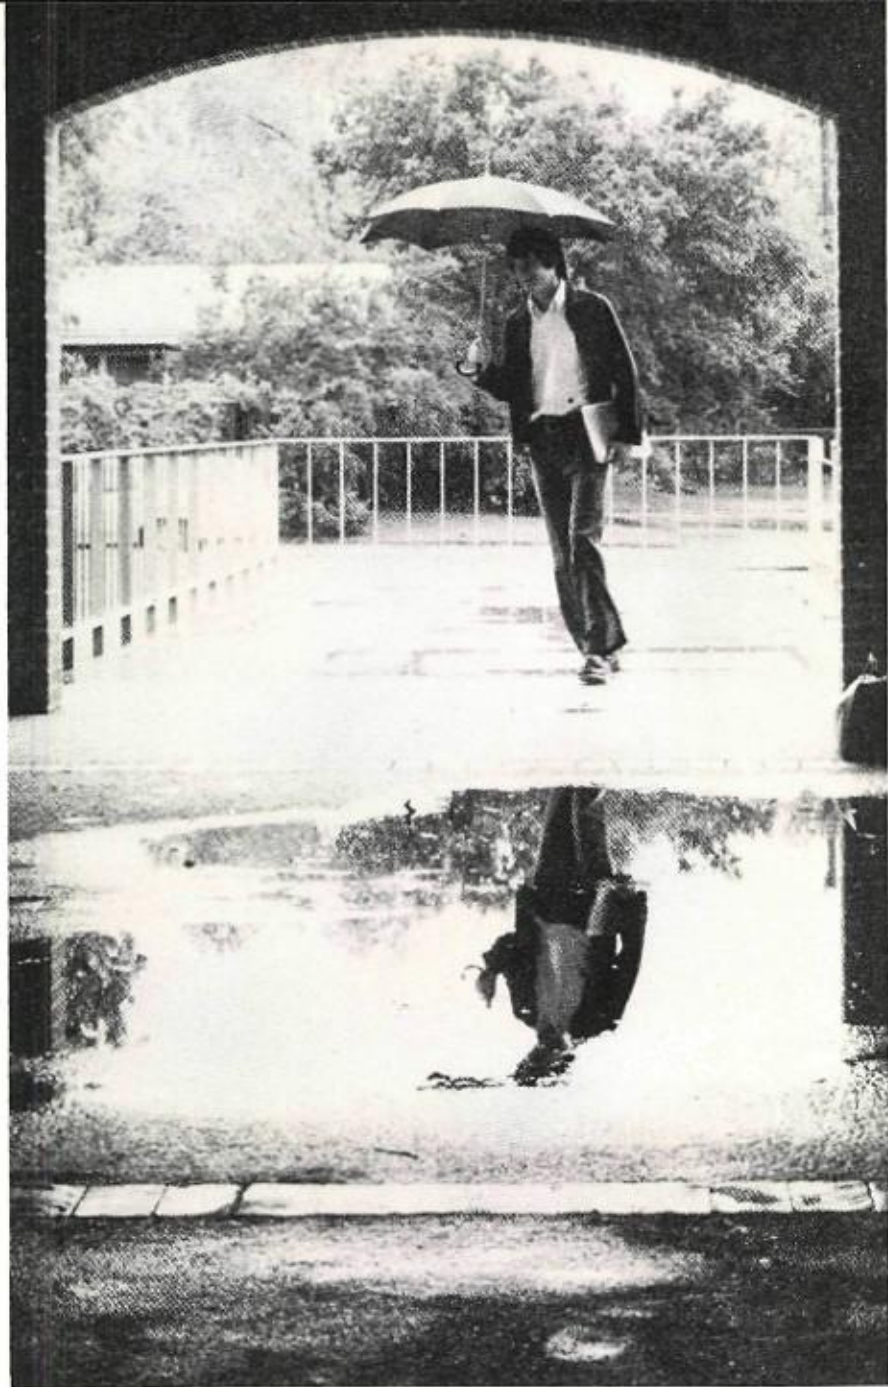

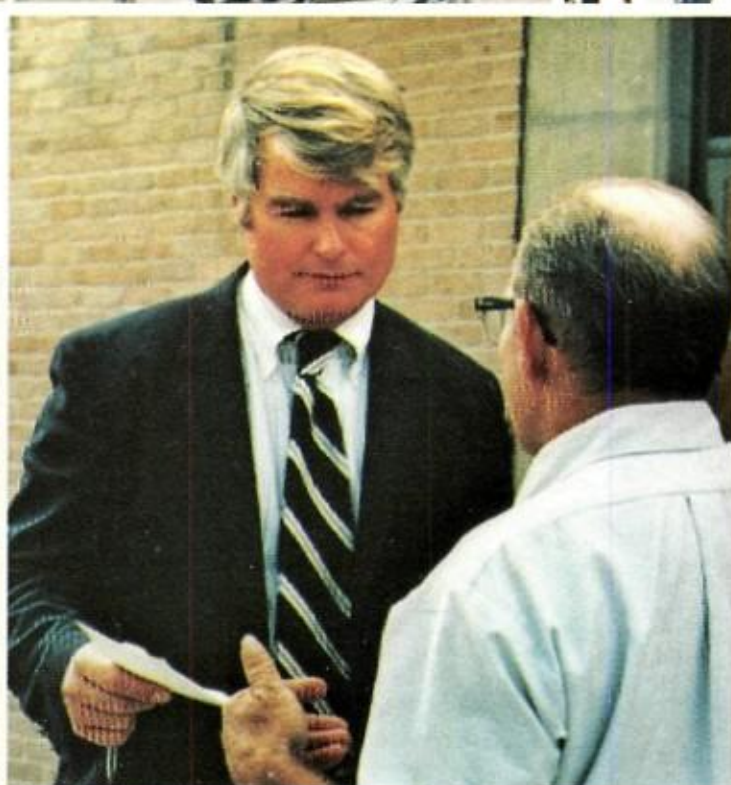

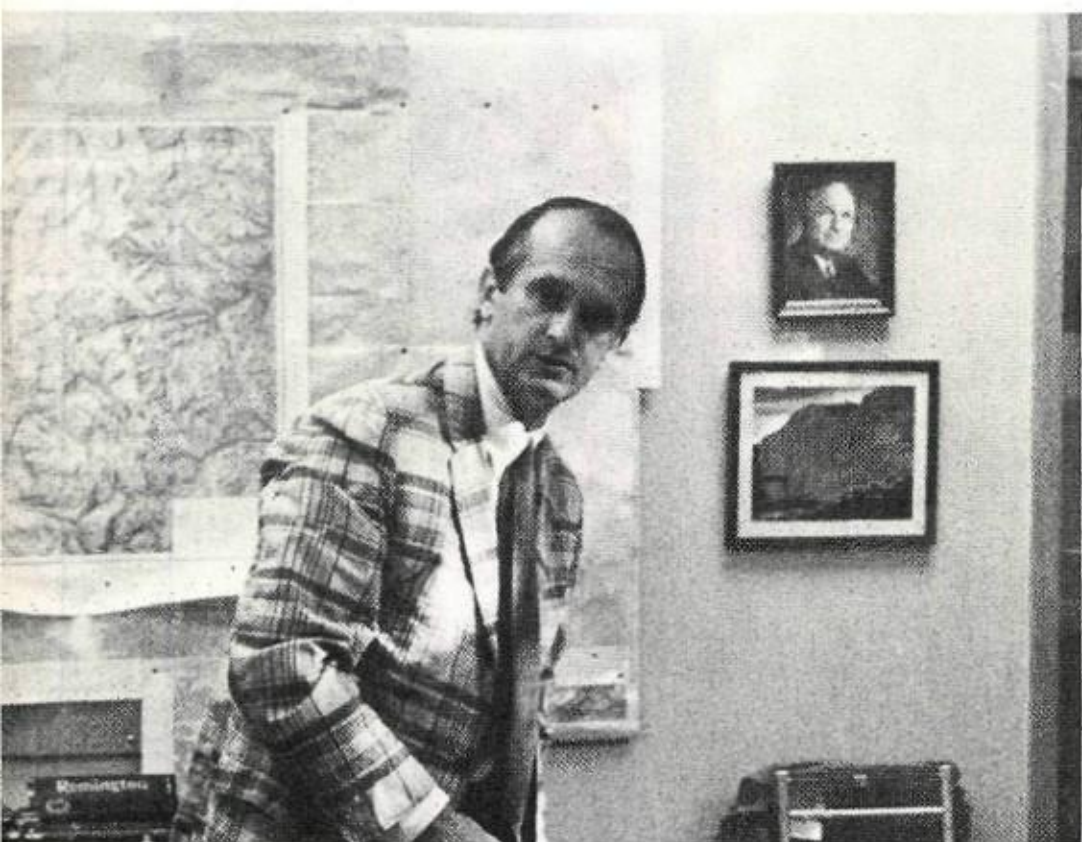

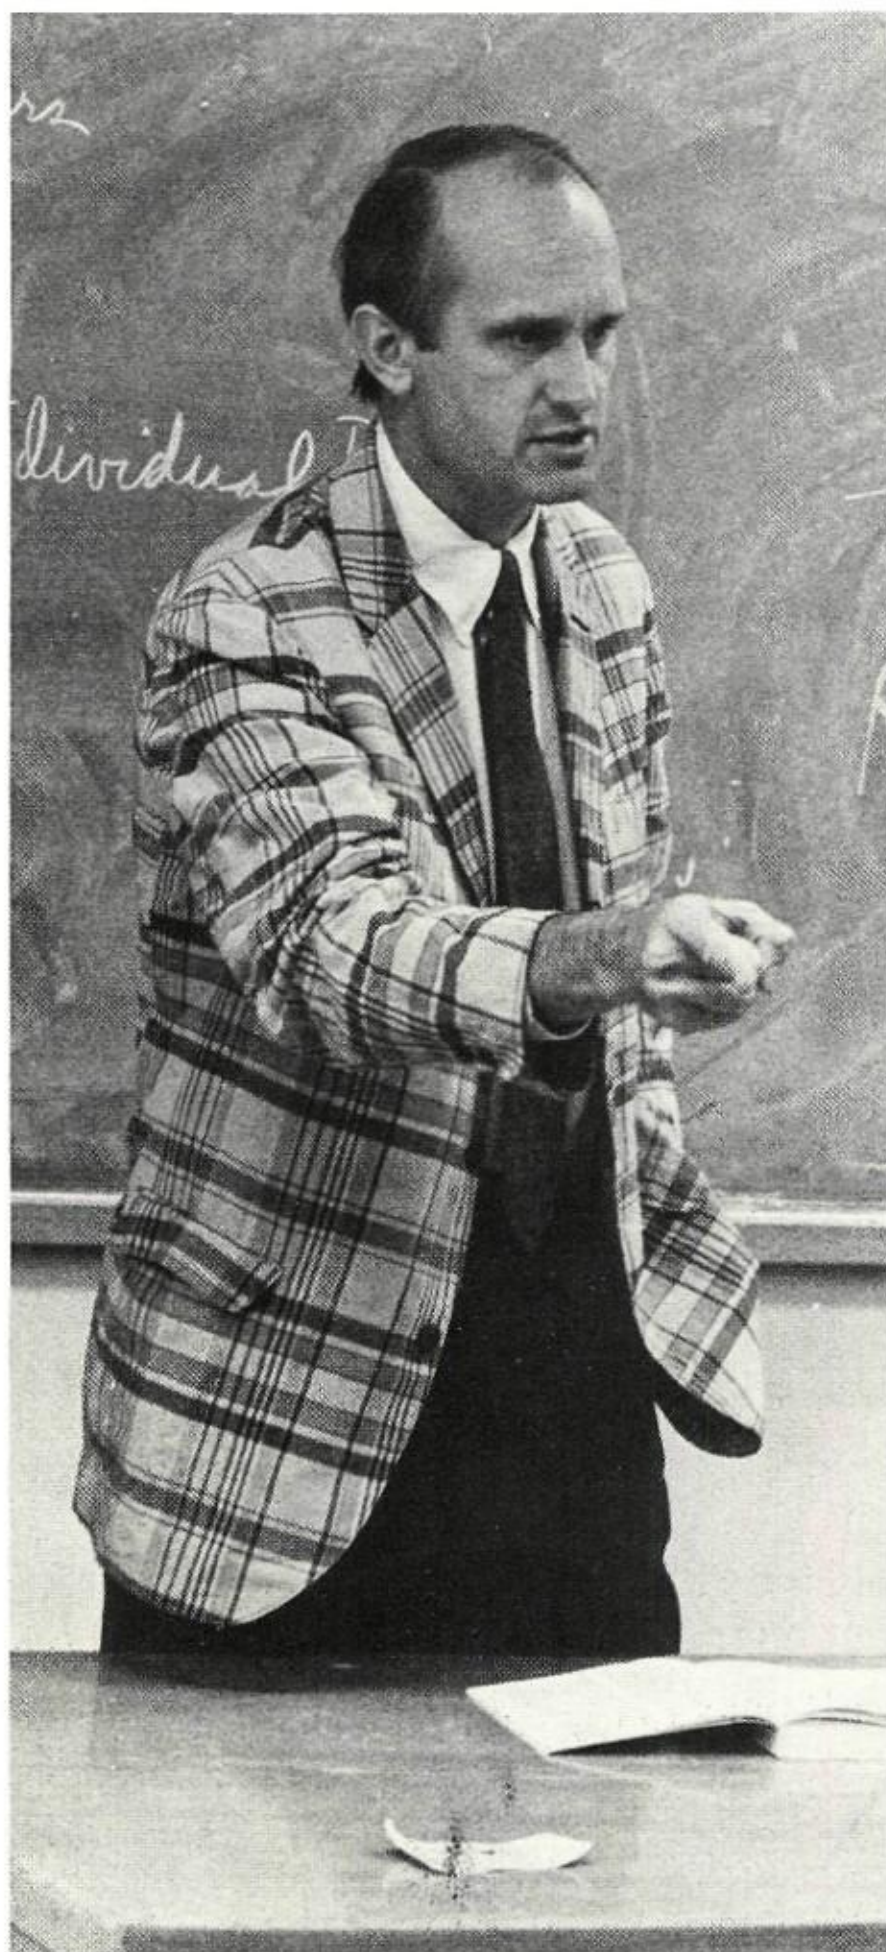

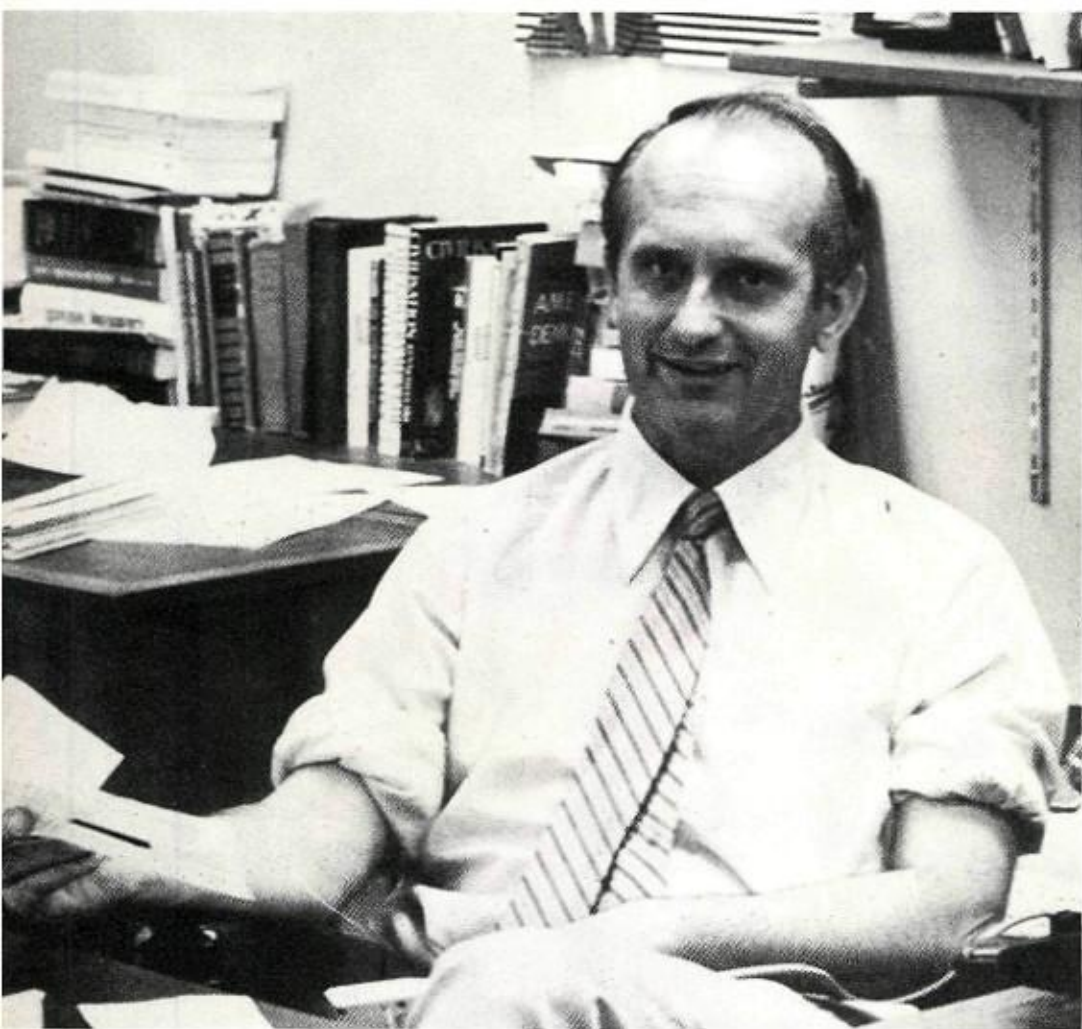

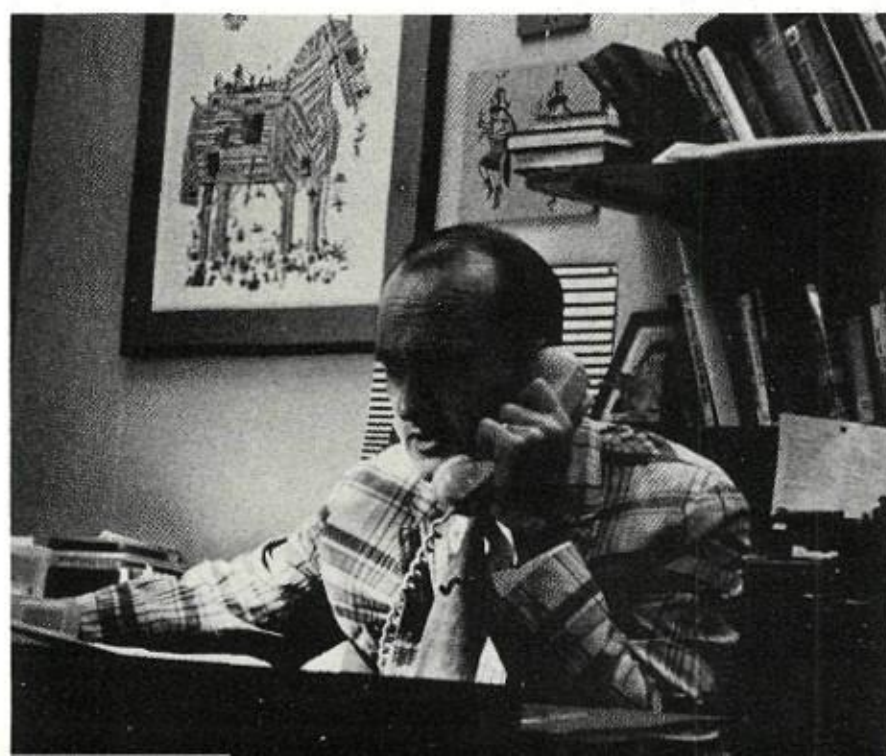

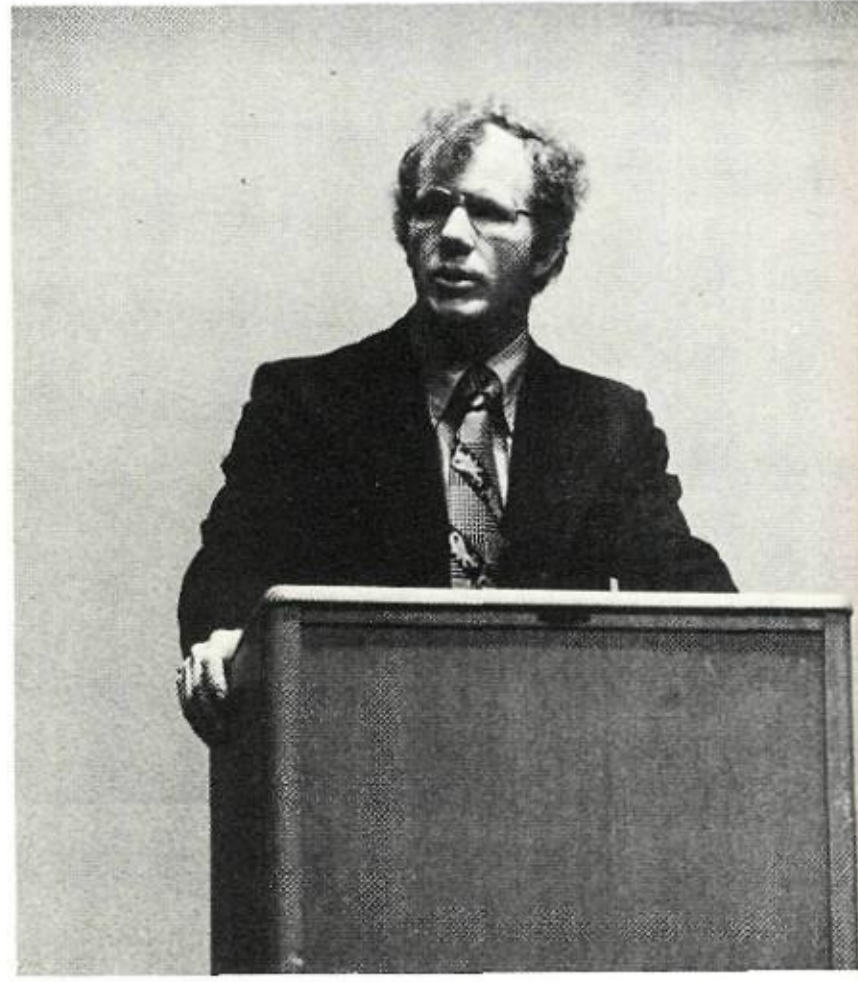

FACULTY

John T. Whatley has been the Headmaster of St. Mark's since 1969, when he returned to the school after spending three years at Albuquerque Academy. Mr. Whatley received his A.B. and Ed.M. degrees from Harvard and the University of Pennsylvania. Before he went to Albuquerque, Mr. Whatley spent four years in the History Department at St. Mark's and was head of that department from 1962 until 1966. He now teaches U.S. History.

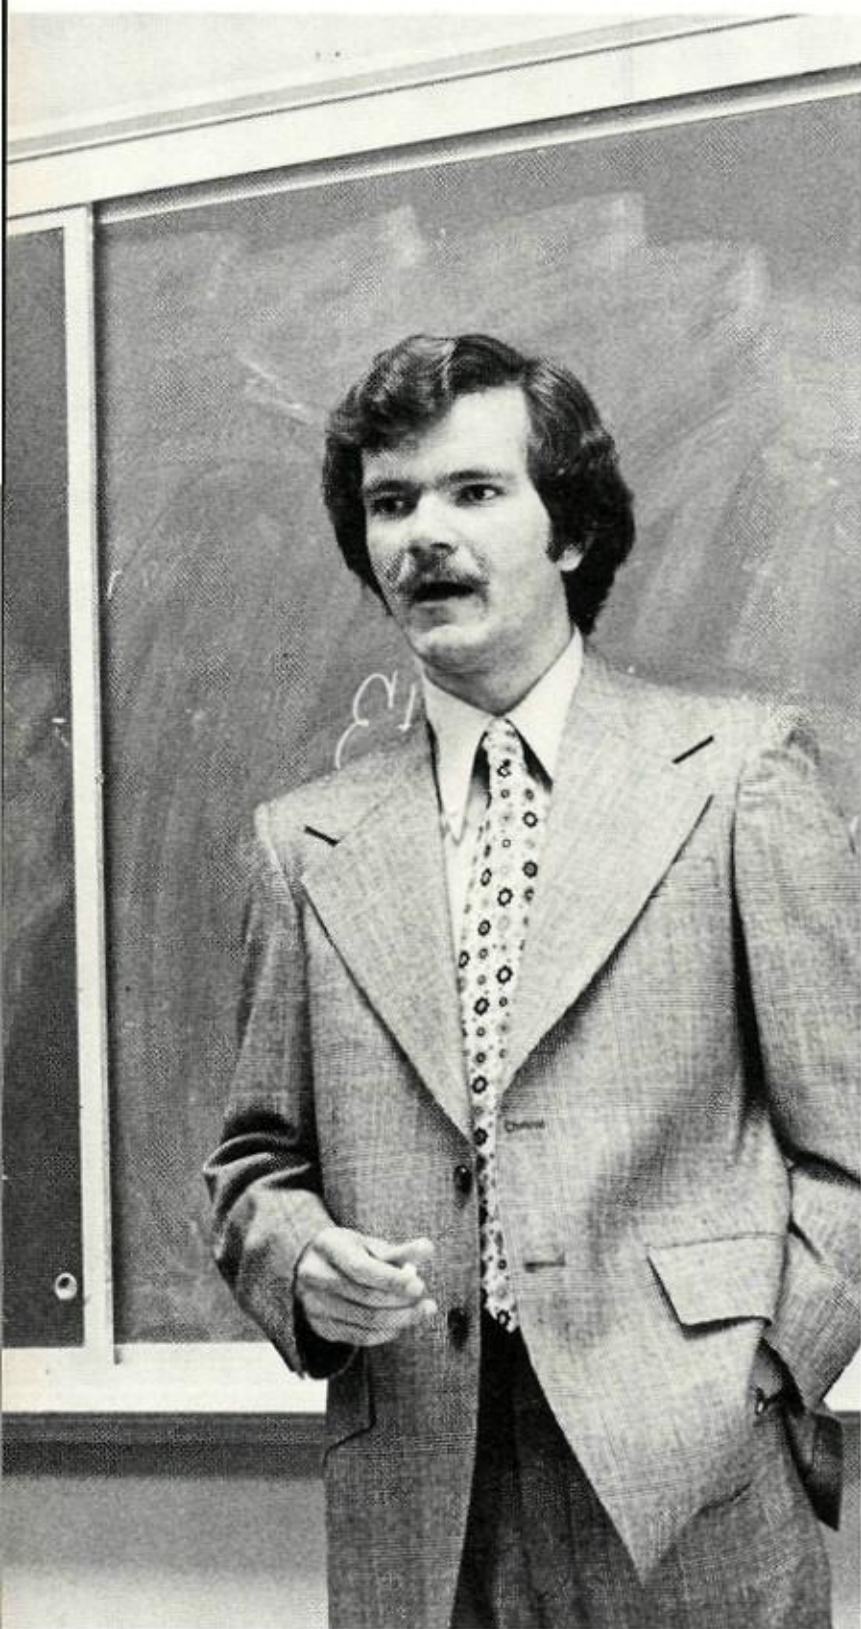

John J. Connolly (upper left), who has completed his twenty-sixth year as a member of the faculty, came to St. Mark's in 1949. Currently, he is the Head of the Upper School, Senior Master, and a member of the Curriculum Committee, as well as the Discipline, Tutorial, and Admissions Committees. "That wonderful world of high mountains, dazzling in their rock and ice, acts as a catalyst. The heights only give us what we ourselves bring to them. Climbing is means of self-expression. Man overcomes himself, affirms himself, and realizes himself in the struggle towards the absolute.

The summit is at our feet. Above the sea of golden clouds other summits pierce the blue and the horizon extends to infinity.

The summit we have reached is no longer the Summit. The fulfillment of oneself — is that the true end, the final answer."

You came along to me
Soft and breezy —
Now I've fallen in love
with you.

And for the first time in
my life
I know what it's like to be
A Happy man
And for the first time in
my life
You've given me somethin'
I can understand —
Being A Happy Man.

Be with me now
Love me forever
Leaving you, Lady,
is something
That I'd never do —
I've fallen in love with you.

All of my life
It seems I have waited
Now I can say all these words
I have stated are true —
I've fallen in love with you.

The direction that seems to promise
the greatest rewards, the surest fulfill-
ment of the hopes and aspirations of
man's troubled and inquiring spirit,
and of a distant and ultimate happi-
ness, is a course of least arrogance
towards his living companions — a
course even less negative than the
absence of superiority — a course of
humble respect for life, a sympathy
which sustains a recognition of the
essential interdependence of all living

America
You're tired — used
frozen stares, empty lives
stick to your sidewalks
with the cadavers of days
Gone by.

America
Vast as the dreamless sea
foaming loneliness, and tossing
billboards upon the shore as a
token seagull circles
Overhead.

America
Open up — fly
Help me dance on the sands,
and see the moonbug grow.
Then we'll buzz with the
laughter of
Your soul.

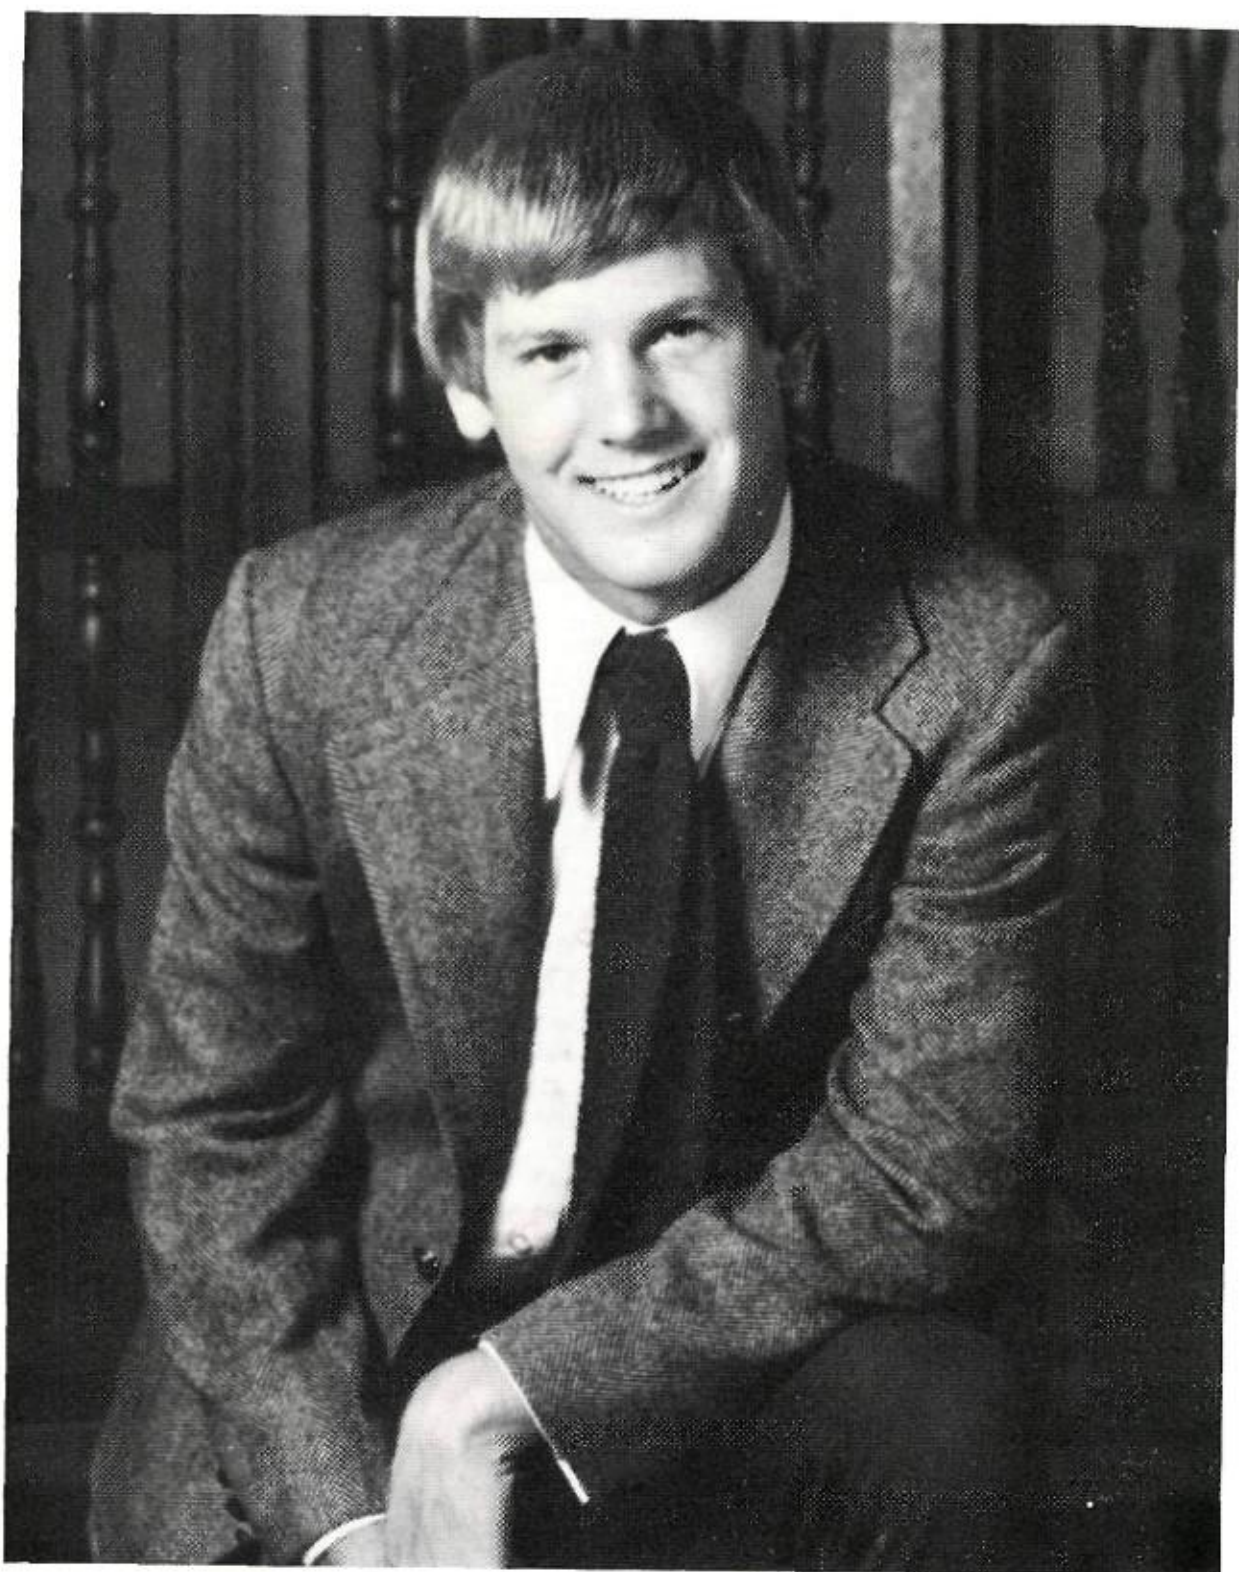

America
Planted in my mind
is your face smiling.
And with my support, come
watch your seaflowers
Burst open.

America
You're born anew.
Cry like a child fresh out
of the womb
and cleanse your body
with the warm milk
We offer.

"You cannot stay on the
summit forever;

You have to come down
again . . .

So why bother in the first
place? Just this: what is
above knows what is below
does not know what is
above.

One climbs, one sees, one
descends, one sees no
longer but one has seen.

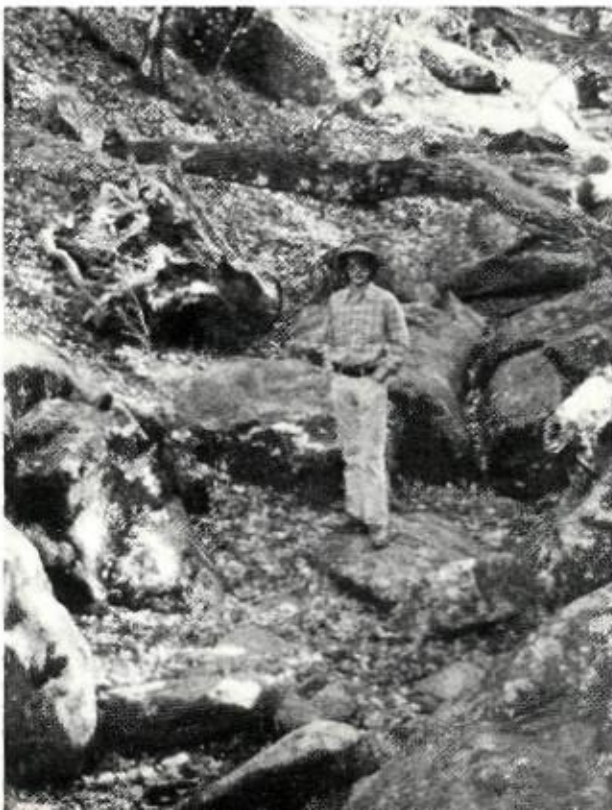

There is an art of
conducting oneself in the
lower regions by the
memory of what one
saw higher up.

When the can no longer see,
the can at least still
know.

For plant, animal, or star to live, is to have no doubts concerning its own being. None of them has to decide what it will be the next instant, thus their life is not drama, but evolution — but life is exactly the man's opposite — it is having to decide every moment what he must do the very next moment, and therefore, having to discover the very plan, the very design of his being.

ACTIVITIES

Pecos III

The first of the freshman trips took place in the '71-'72 year and its purpose was to help unify the incoming class. The trip, which was somewhat like Outward Bound, was meant to help the students understand their fellow classmates and to give the class more unity.

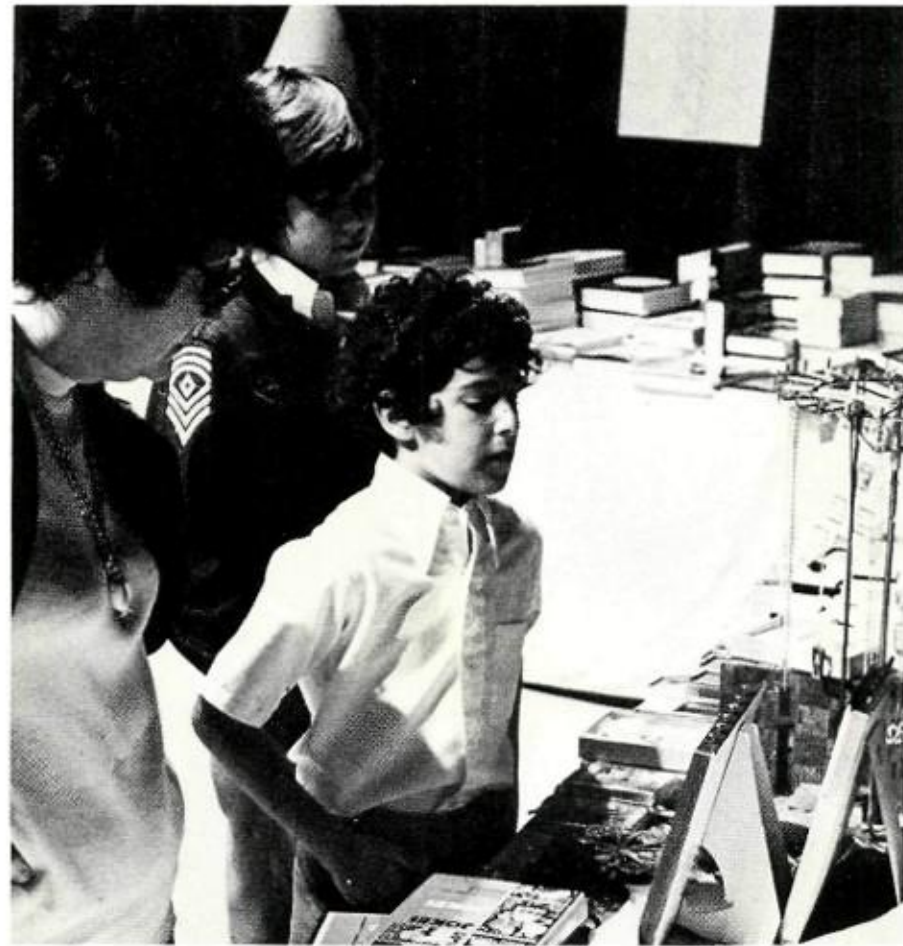

In the middle of August, the class of '79 went to the Pecos wilderness for its week-long backpacking and camping trip. The class split up into eight groups, with each group performing a certain service project during the trip. The group hiked from thirty to forty miles during the trip, and the last day was spent in an overnight solo.

Bookfair

The annual St. Mark's Bookfair, held October 28 — October 31 found a new home in the Decherd Center. The sale, which is sponsored by the Parents Club, was headed by Mrs. Hazel Cable. In addition to books, handmade jewelry and calendars were also sold. Helen Corbitt, a well known writer of cookbooks, attended the Bookfair and autographed her cookbooks which were on sale. The proceeds from The Bookfair went to the St. Mark's Library, as in past years.

Economic Symposium

An Economic Symposium on inflation was held November 19. A panel of five speakers addressed students in grades 8-12 on the subject of inflation from five points of view. Mr. Jim Clark presented a banker's point of view. Ms. Dorothy Farrell, a representative of the Department of Agriculture, presented the farmers' views. Mr. Gene Freeland represented a labor leader's point of view. Mr. Bob Rogers and Mr. Jack Hollon presented the industrialists' and the consumer's views, respectively. After each panelist spoke, a representative from each class asked questions which were gathered from his class. The Economic Symposium was planned by the St. Mark's Social Studies Department.

Hockaday Carnival

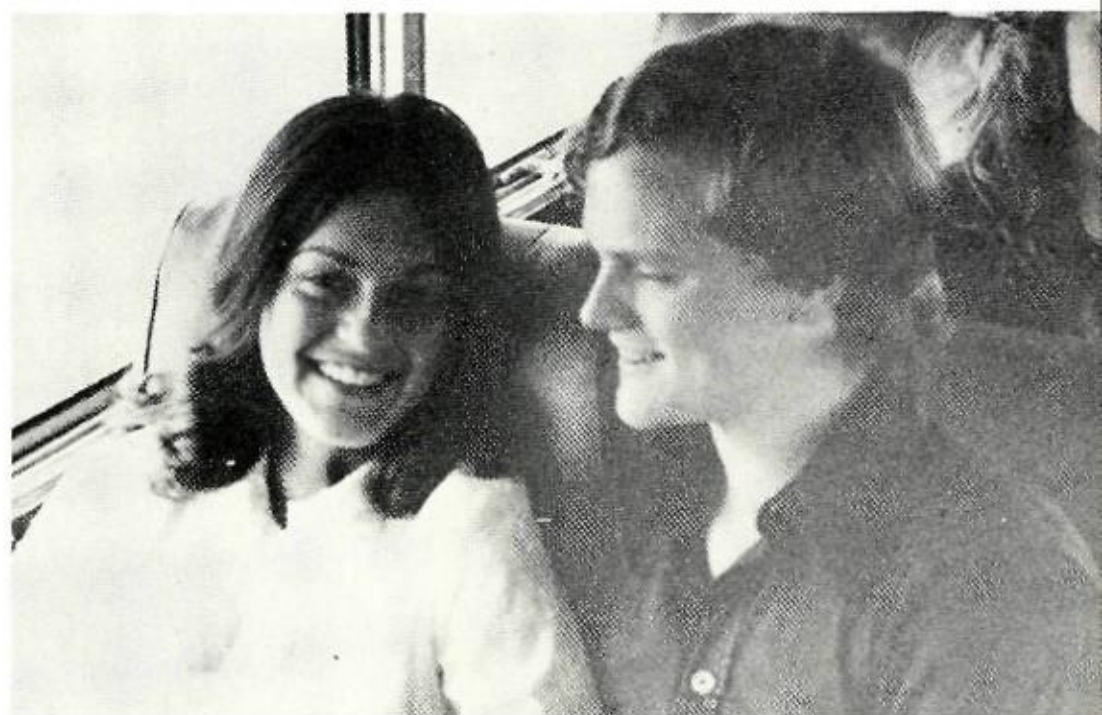

For the second consecutive year, St. Mark's students supported the Hockaday Charity Carnival. Several classes set up their own booths. The afternoon's activities consisted of various rides and games.

Bus Trips

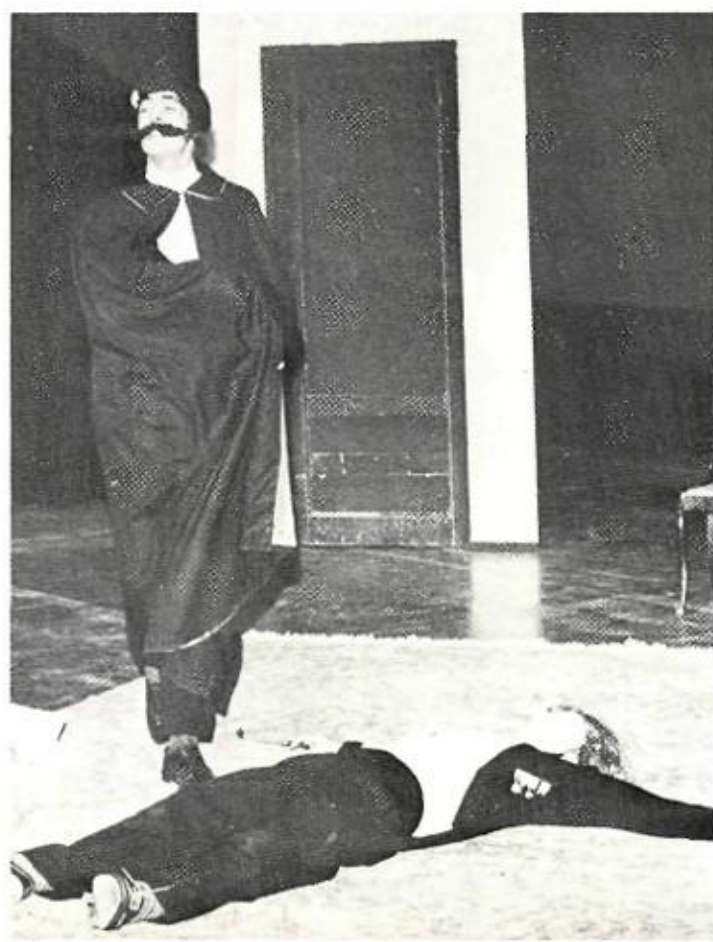

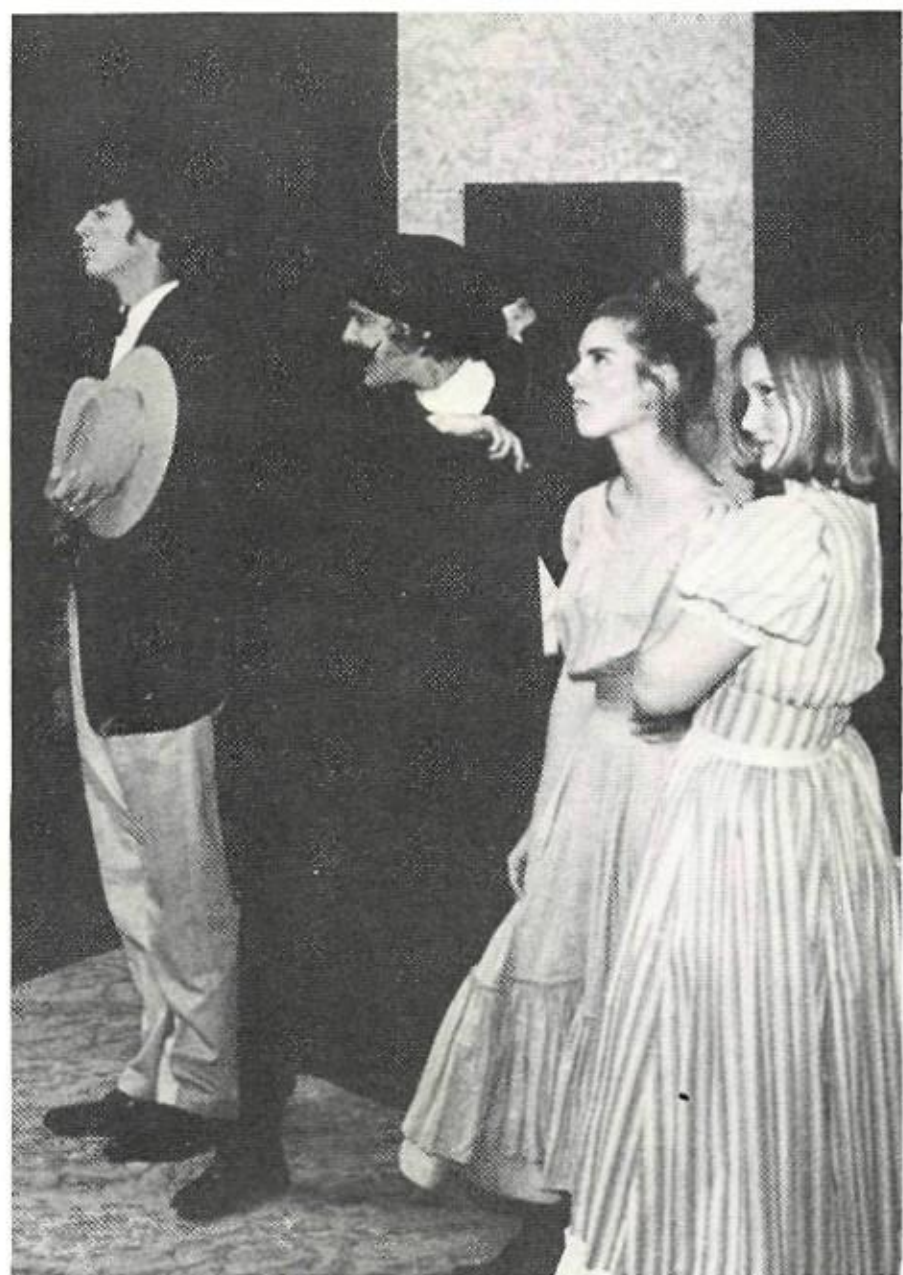

Two bus trips supported the Lions' football team when they played out-of-town contests. The Roar, a spirit organization under the leadership of senior Philip Page, sponsored a trip to Oklahoma City on October 11, where 230 enthusiastic Lion fans watched St. Mark's demolish the Casady Cyclones, 34-0. The Lion fans, which included the entire St. Mark's Band, easily outnumbered the hosting Casady fans. The senior class, under the organization of Mike Roberts and Brett Willard, also sponsored a trip to Wichita Falls. The trip was just as successful as the game, as St. Mark's crushed the Notre Dame Knights, 28-0.

Drama Presentation

For the dedication week of the H. Ben Decherd Center, the Drama Club presented its first production in its new theatre. The program, based on a Gay 90's theme, consisted of two melodramas, "The Great Bottleneck Diamond" and "Ten Barrooms in One Night," a barber shop quartet and a dramatic reading of "Mighty Casey" by Mr. Adams. Two of the performances were reserved for the lower school and were filled to a capacity audience of about 200 people.

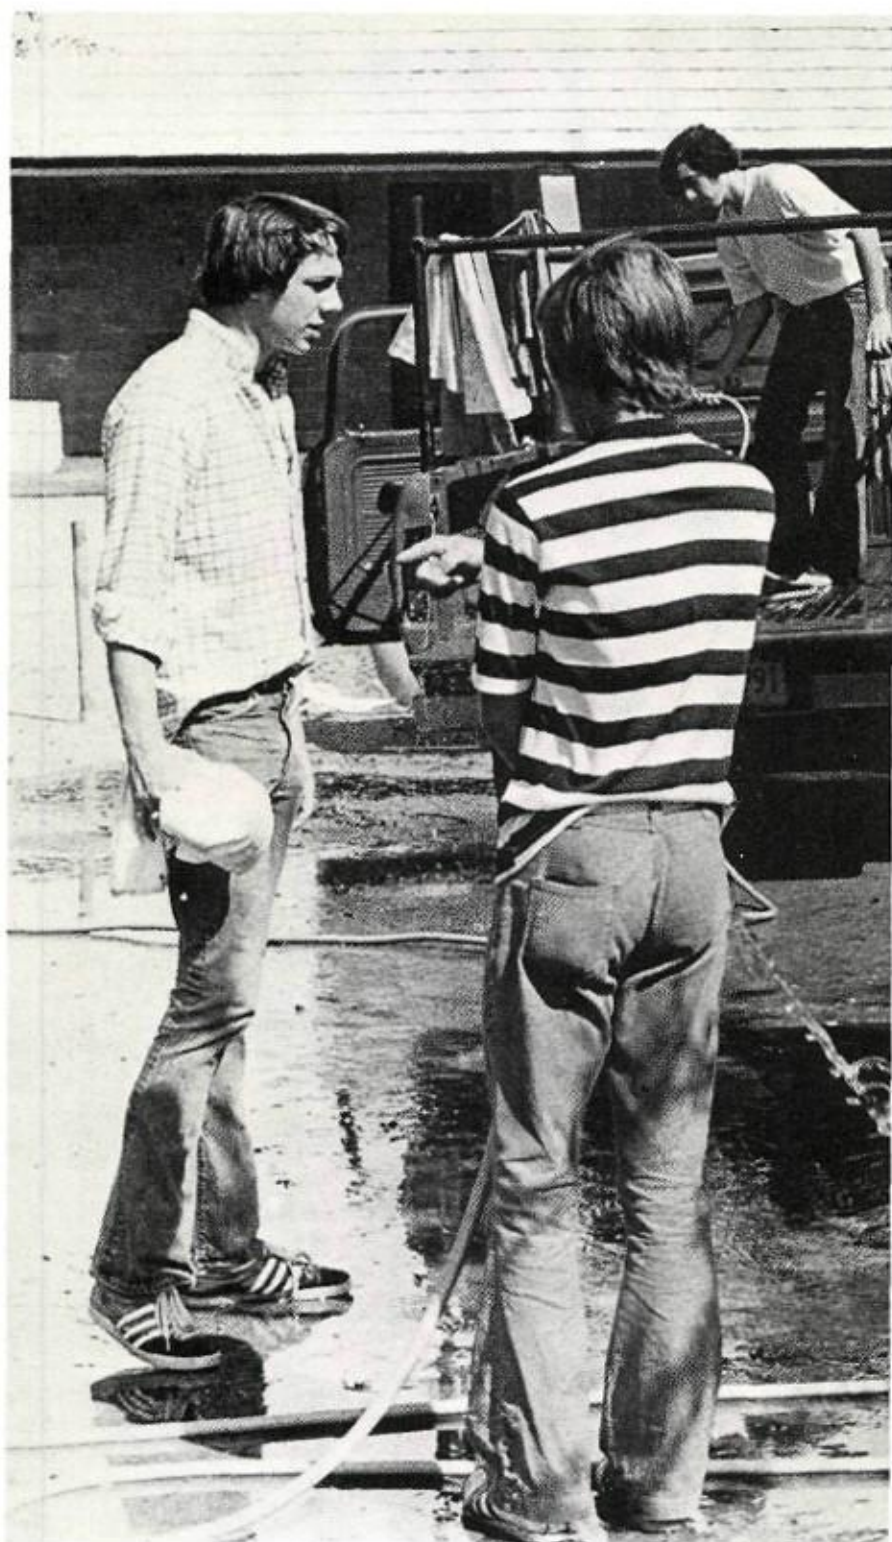

Homecoming

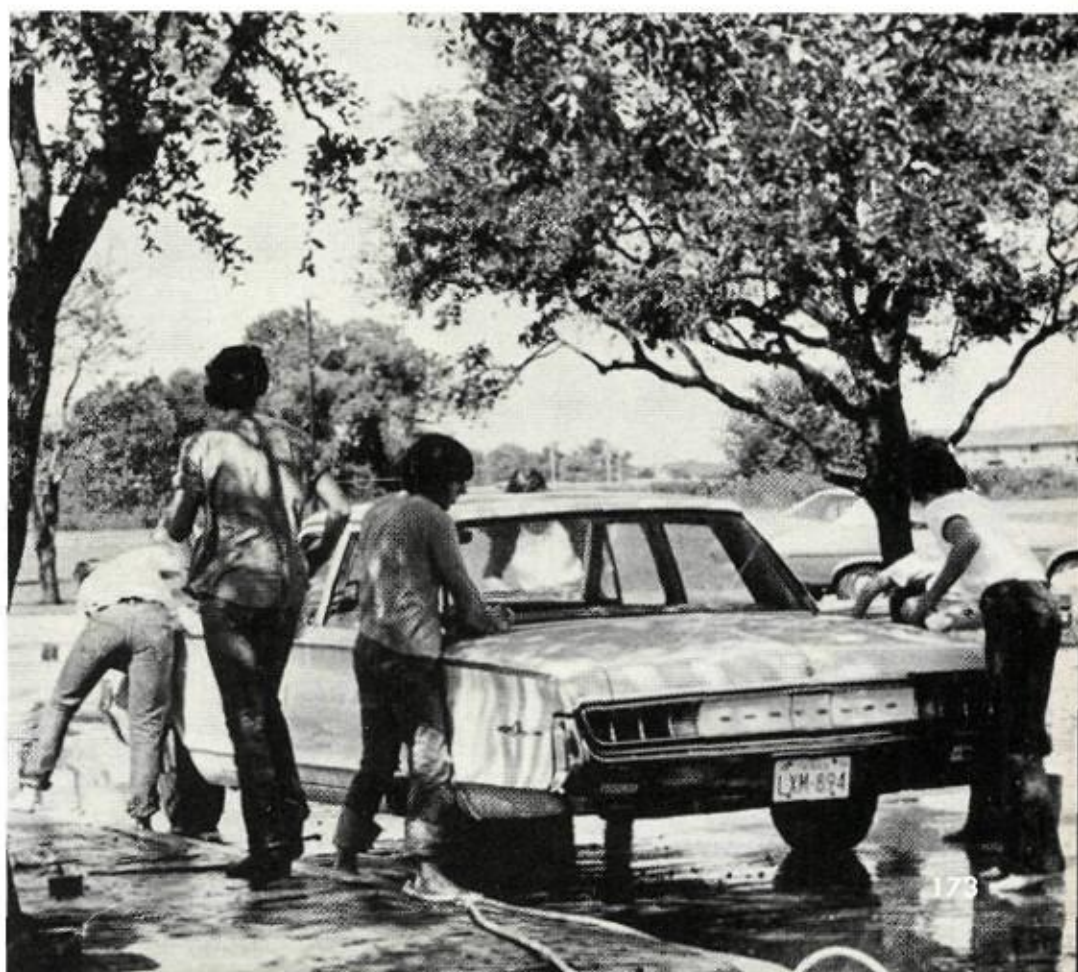

Students partake in the post game festivities.

A 31-0 victory over St. John's set the scene for a very successful Homecoming Friday, October 18. This year's theme was "A Fall Harvest," and the gym was decorated with indian corn, sugar cane and sheaves of wheat and bales of hay. *First State Band* provided the music for the dance. *First State Bank*, a versatile group played a collection of Beatle's hits and several medleys.

Cheerleaders Car Wash

The annual Cheerleader car wash was held on September 18. The funds raised were used to help finance victory parties and the purchase of buttons and ribbons.

Dr. Leon Cooper

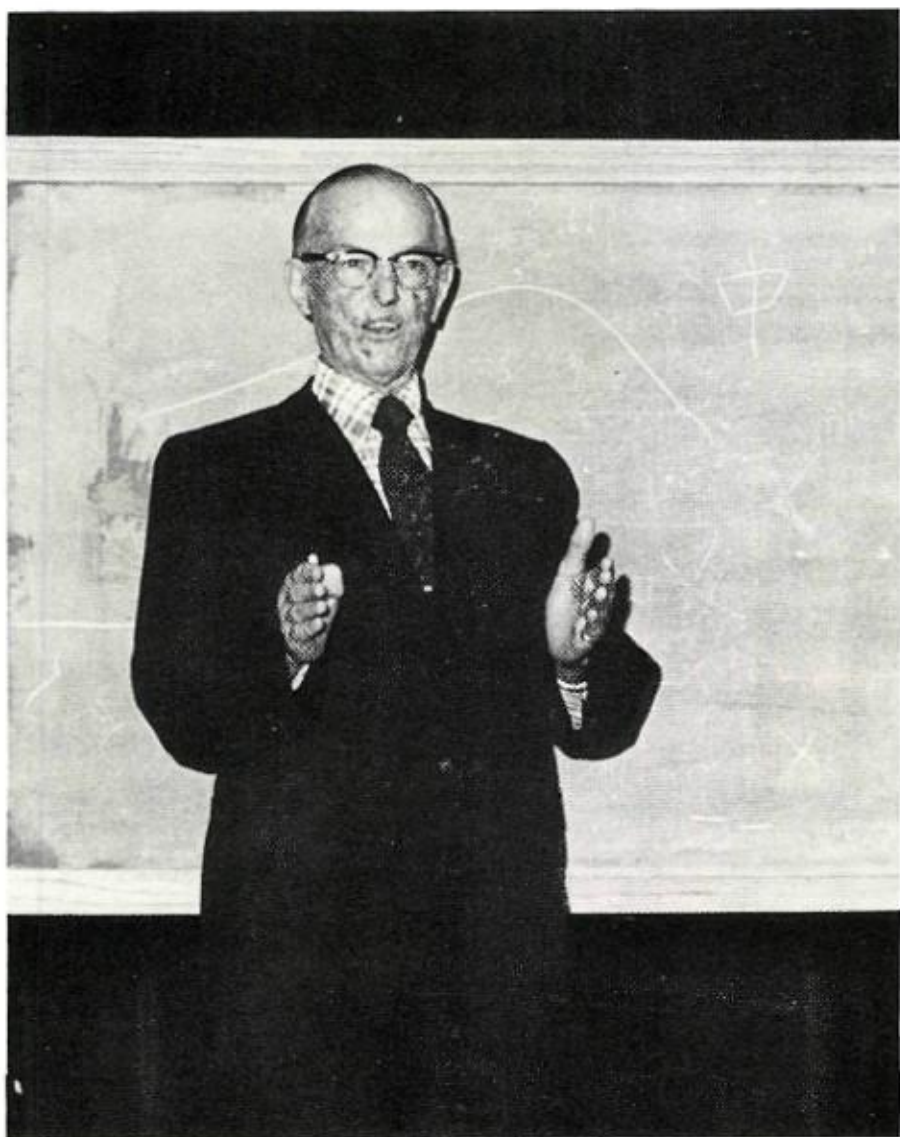

Dr. Leon Cooper, a professor at Brown University and a Nobel Prize winner in physics, spoke to members of the St. Mark's community, Wednesday night, November 20. Dr. Cooper's discussion dealt with the funding of research. He criticized the Government's cutting back on funds for research projects, and asserted that present government funds need to be reappropriated, and colleges should become more dependent on student's tuition for funding research.

Judge Sarah T. Hughes

Federal District Judge Sarah T. Hughes spoke before members of Mr. Donaldson's Law in American Society course on December 5. Judge Hughes primarily fielded questions from the students, during the one hour session. Her topics of discussion ranged from plea bargaining to capital punishment. She is opposed to the death penalty. Judge Hughes feels the answer to the marijuana problem is greater education among the nation's youth. While discussing the country's judicial system, she stressed the improvements made within the city jails. Efforts have been made to segregate hardened criminals from first offenders, as well as giving the prisoners a purpose to live during their rehabilitation.

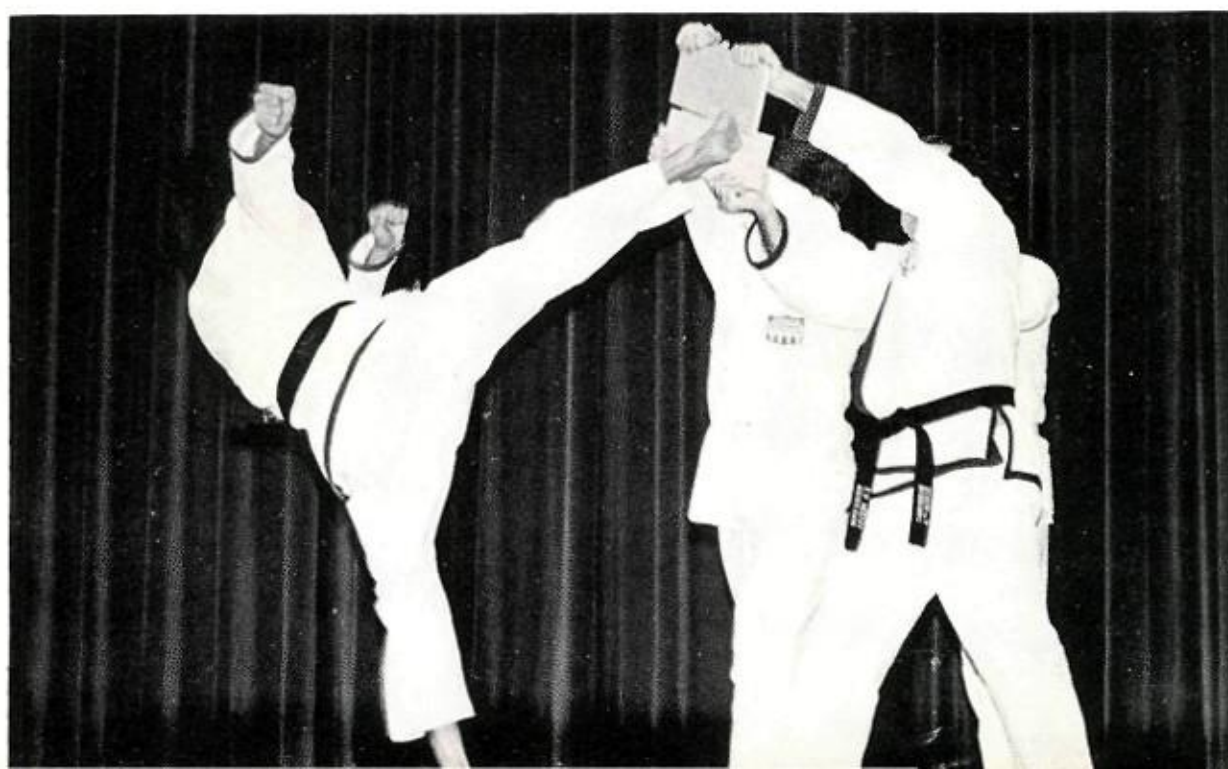

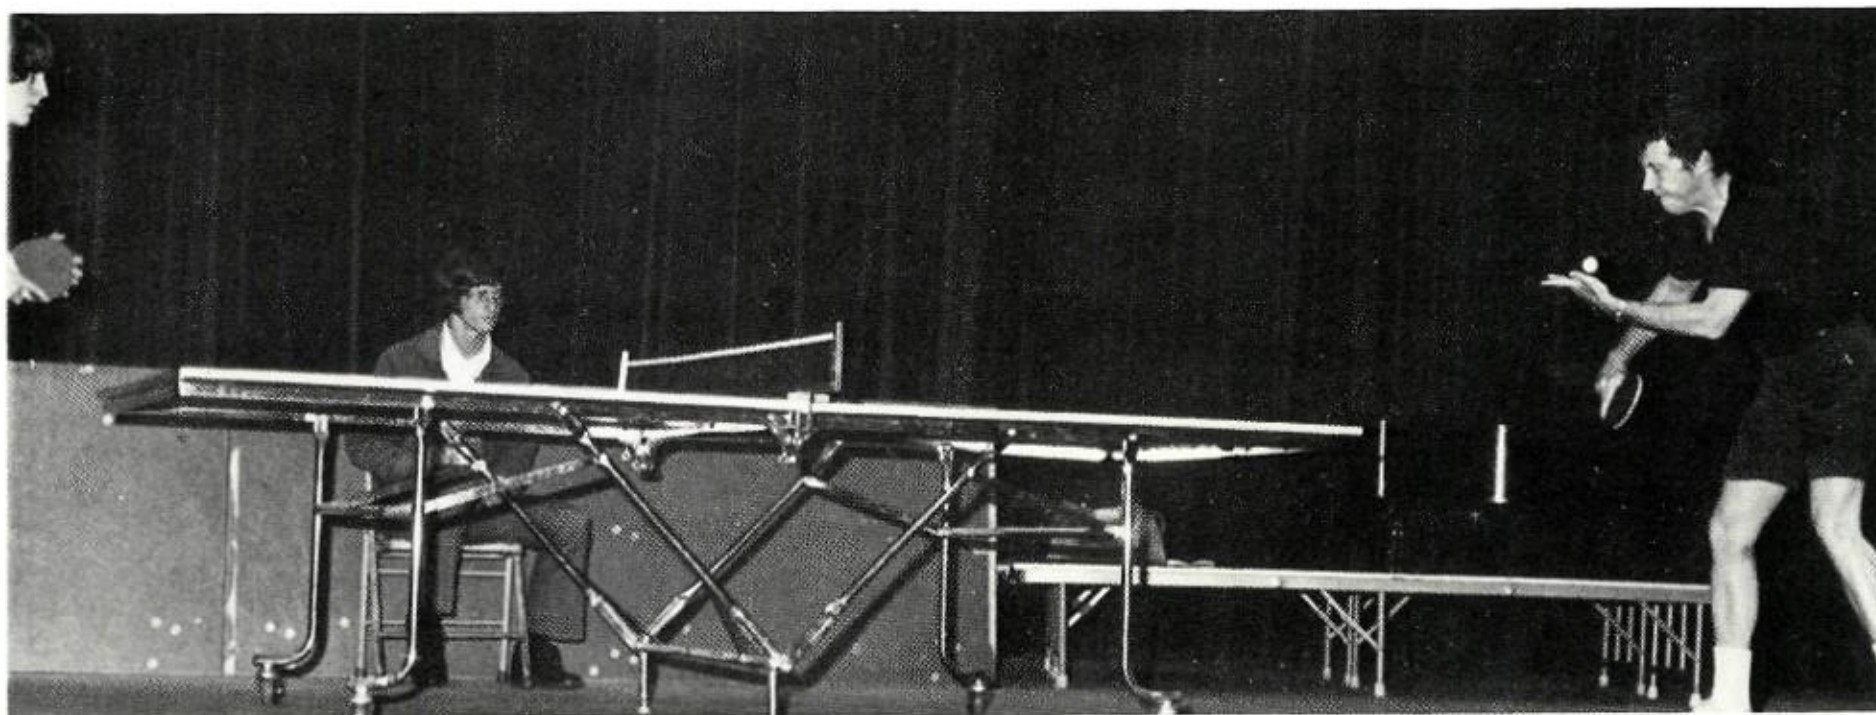

Assemblies

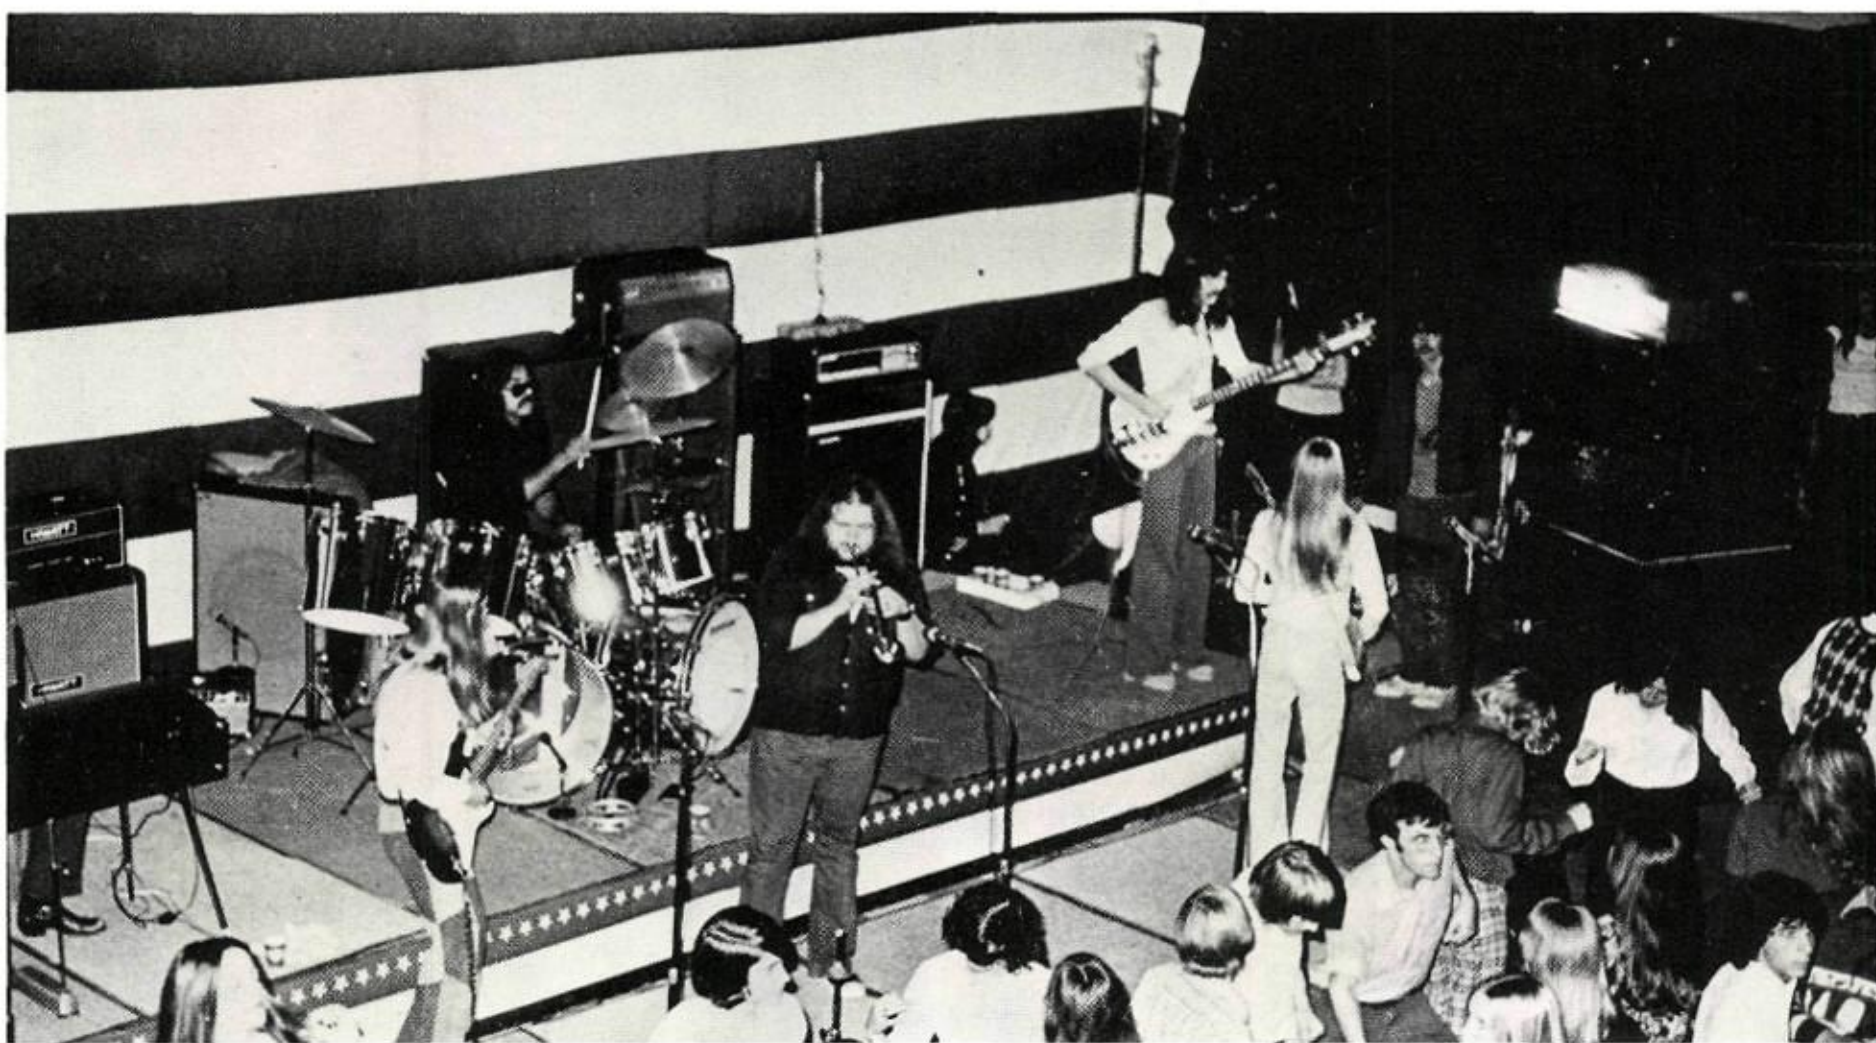

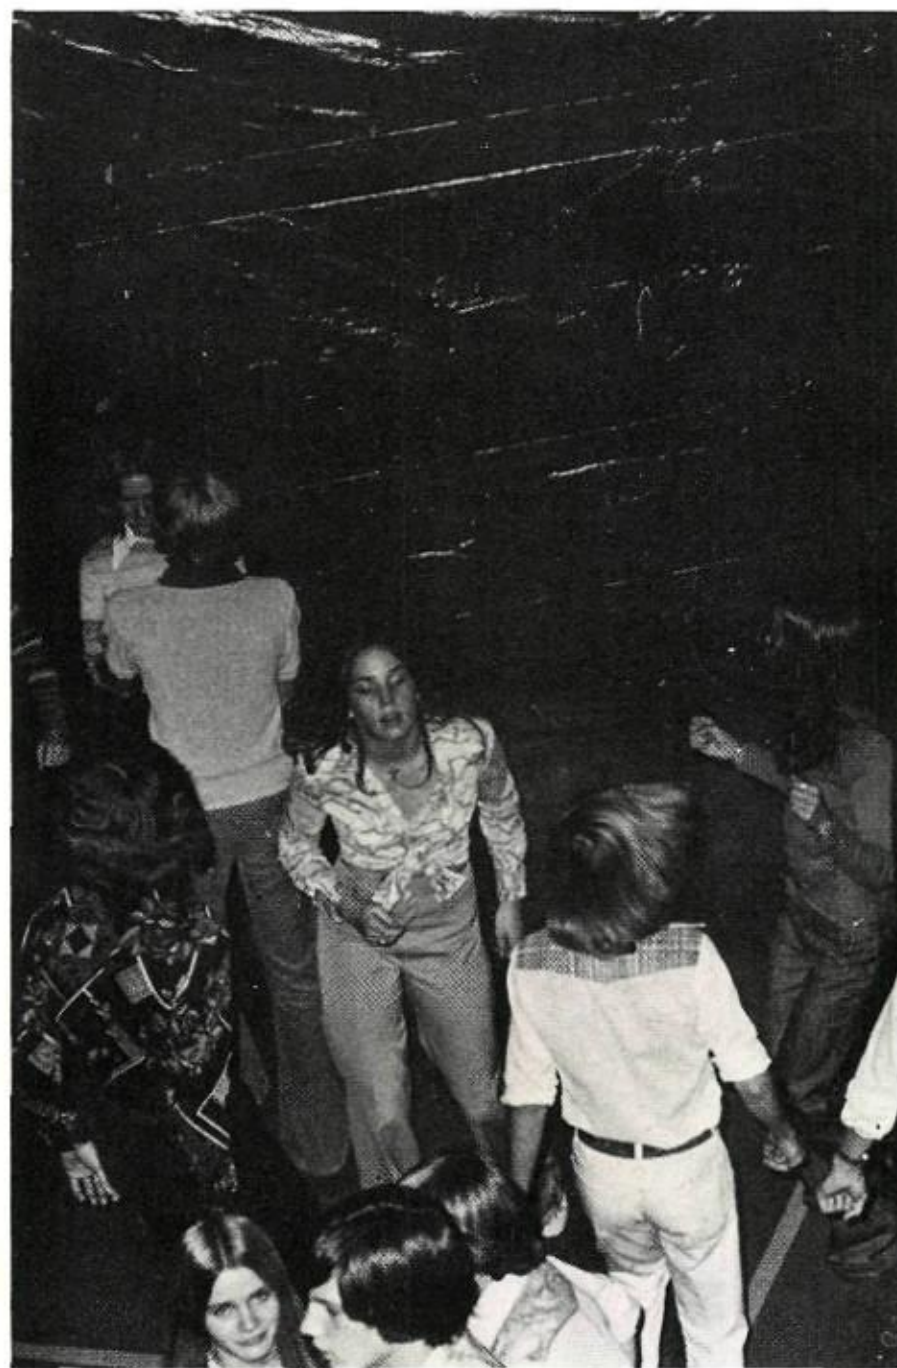

St. Mark's Student Council has provided interesting as well as educational assemblies this year. Dr. Walter Judd, former missionary and Congressman, spoke at one of those assemblies. Dr. Judd spoke about the differences between American and Chinese cultures. He stressed the fact that despite the differences between the two cultures, neither one is inferior. Dr. Judd supported his statements by telling of his experiences in China. He discussed the differences between our governments, cultural organization, and attitudes.

Other entertaining assemblies included, a karate demonstration and a father-son ping pong match between Dr. Puls and Larry '76.

Junior Dance

This year the juniors broke away from the traditional setting and decorum of black plastic on the walls of the cafeteria. The dance was held in the gym and featured the band, *Tokin Effort*. Behind the band was a gigantic American flag. The rest of the gym was decorated in red, white, and blue. The dance was very successful, drawing many underclassmen and most of the senior class.

Band and Orchestra Presentation

The band and orchestra combined their talents on December thirteenth, and presented their annual Christmas concert in the H. Ben Decherd Fine Arts Center. The Band was conducted by Mario Foster, and Mr. Yves L'Helgoual'ch conducted the orchestra. Both groups played a variety of classical and contemporary pieces.

Under the direction of Mr. James Livengood, the twenty-third annual Festival of Lessons and Carols was held in the Chapel on December eighteenth. An assortment of traditional carols and folk songs were sung by the congregation and choir.

Festival of Lessons and Carols

Billy Budd

The Drama Club presented *Billy Budd*, a play adapted from the novel by Herman Melville on the evenings of December 19 and 20. The action took place aboard a British warship in 1789.

The play was the first major production in the new H. Ben Decherd Center. All aspects of the new facility were put to use in the play. The complex lighting design for the production was enhanced by new equipment which created the atmosphere for evening and battle scenes.

All members of the Drama Club either participated in one of the technical crews or acted in the play, which was directed by Mr. Peter Lutken.

Folk Concert

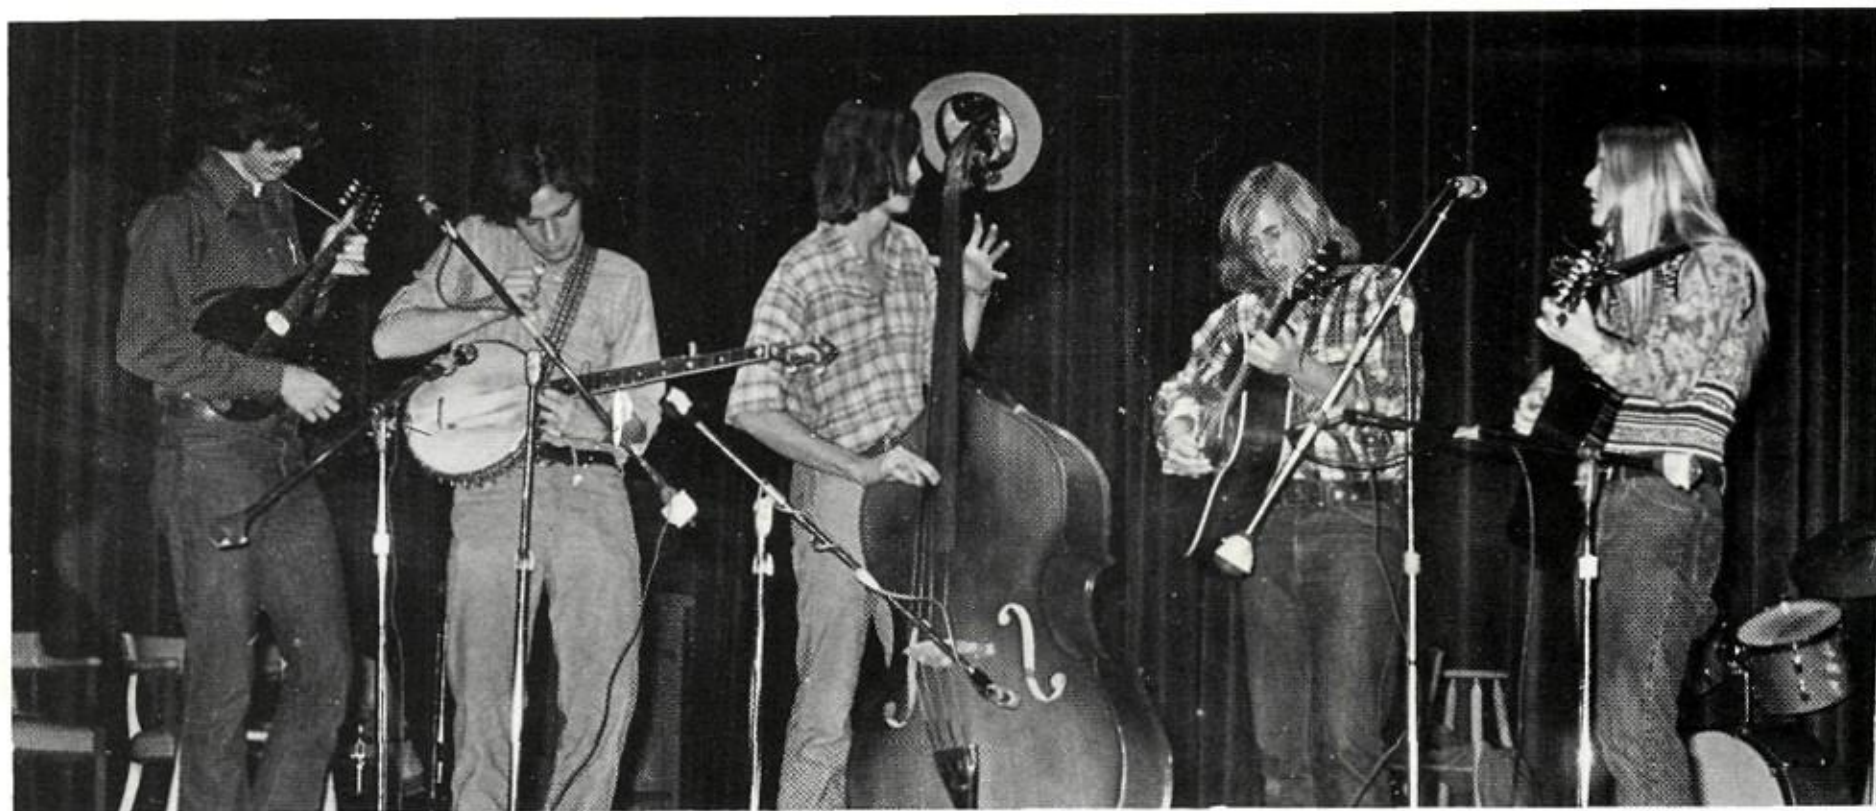

A folk concert which featured St. Mark's students and alumni officially opened the Can-paign on December eighth. The proceeds from the concert were given to the Little Flower Missionary Society in order to purchase food for needy families.

The concert, which netted \$160, was organized by Senior Nick Whatley and Can-paign chairmen Trey Nicoud, David Hochstim and Ed Keefer.

A homemade dinner followed the various musical performances.

Can-paign

Despite the inflation of the past year the 1974 Can-paign under the leadership of David Hochstim, Ed Keefer, and Trey Nicoud managed to make an admirable contribution to needy families all over Dallas. Fund raising for the Can-paign included, a successful folk concert, lunchroom auctions, and nightly door-to-door soliciting.

A highlight of the Can-paign was a faculty skit presented in morning assembly. The Senior Class also spent an afternoon transporting toys to the Little Flower Mission for under privileged children as a Can-paign function. The eighth grade won the class competition.

At the end of the Can-paign it was announced that nearly 27,000 cans had been collected.

Christmas Party

The annual Christmas Party was held in the Chapel on December twentieth. The traditional Christmas tree was decorated by the first graders, and a variety of Christmas carols were sung. During the party, the leaders of the Can-paign, David Hochstim, Edward Keefer and Trey Nicoud, announced that a total of nearly 27,000 cans had been collected, and this announcement was greeted with applause.

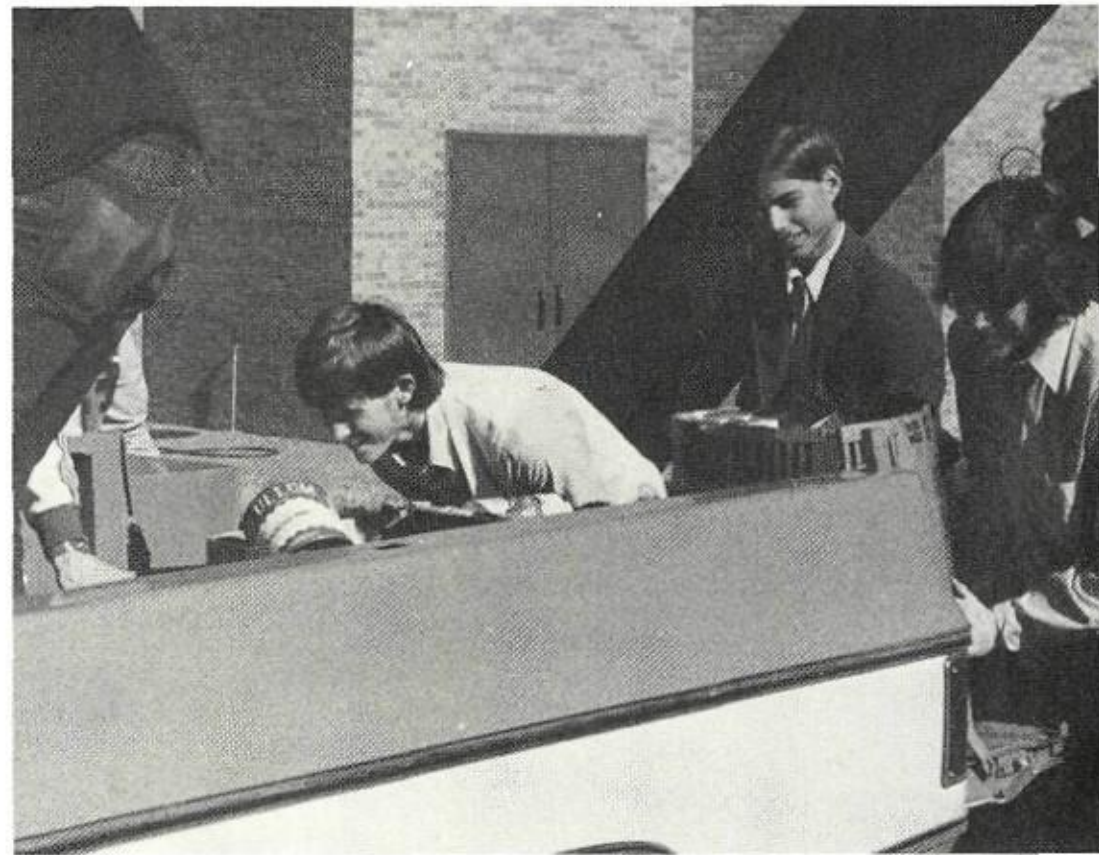

Mrs. Hazel Cardiff, director of the Little Flower Missionary Society, presented a plaque and a sculpture to the school in appreciation for the successful efforts of this year's Can-paign.

Sister Magdalene of St. Mary of Carmel School added her gratitude for the school's contributions.

Talent Show

The Student Council presented the Juan Egues All-Star Review in which a number of students and faculty participated. The money raised from the show was contributed to the AFS fund.

Student Council President Tave Campbell, Vice president Dwight Fletcher, Senior Class representative Lamar Hunt, and advisor Herb Meyer coordinated the evening's activities.

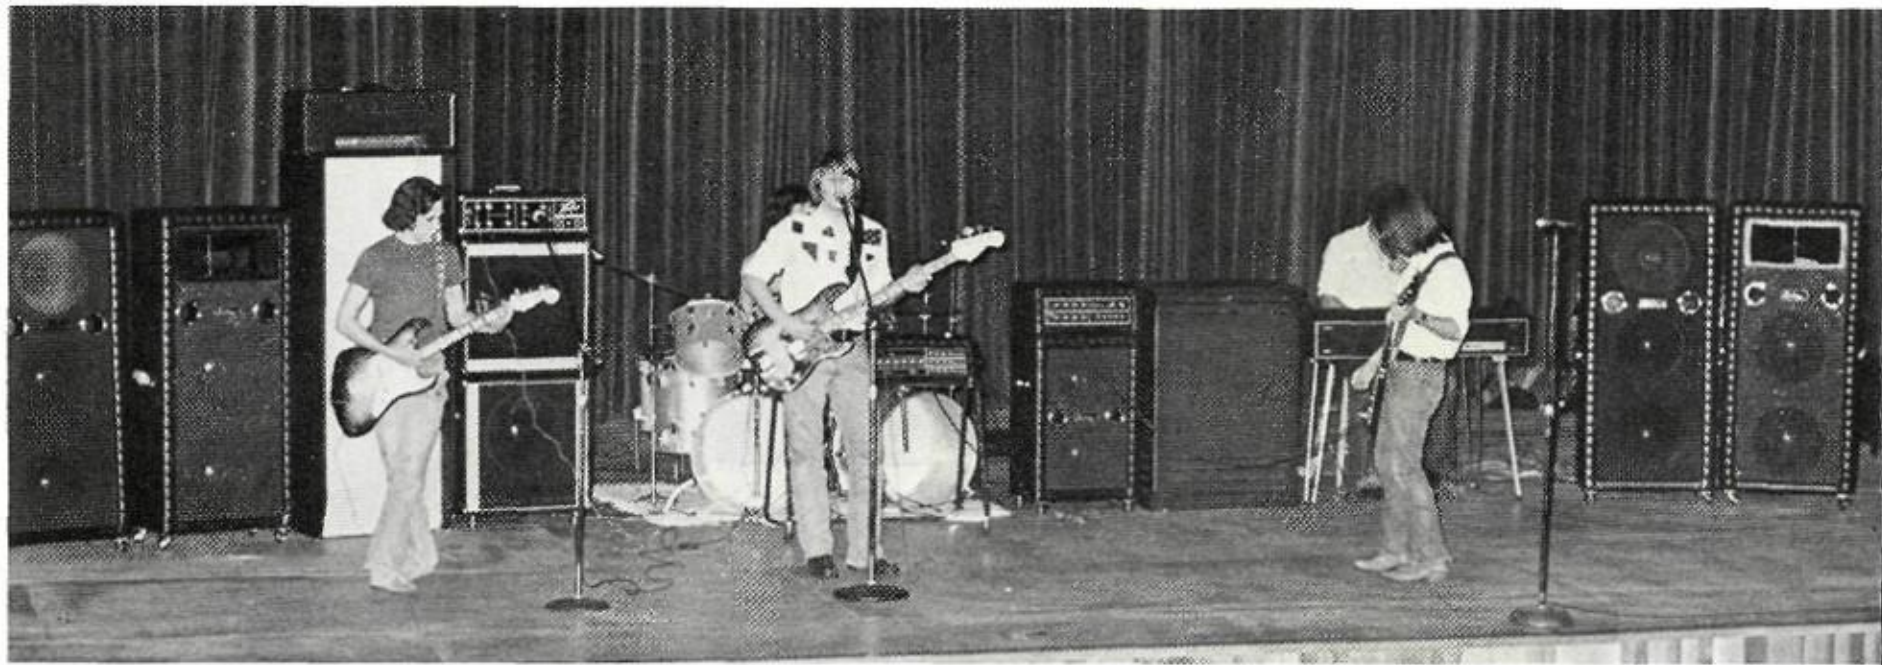

Profits from the talent show exceeded five hundred dollars.

Zoning Hearing

A large number of St. Mark's students and parents traveled to a Dallas City Council meeting on January 27, to hear a ruling concerning the zoning of a tract of land across from St. Mark's.

Attorney Morris Jaffe represented the school and the neighborhood, and suggested that single-family homes be built in the place of multi-family townhouses.

At the last moment Lincoln Properties withdrew their application for multi-family zoning, and it remains to be seen whether they will bring the case up again in two years.

Rock Concert

The Junior Class held a rock concert Sunday, February 9, in the H. Ben Dechard Center. The concert featured the groups *Daniel* and *Texas Rose*. The profits raised from the ticket sales went to the AFS fund.

The two and one half hour concert was the first of its kind in the school's history.

Film Festival

The Film Society held its annual festival during the weekend of February 21, in which a variety of contemporary and classical films were shown. Films featuring such motion picture stars as Douglas Fairbanks Jr., Danny Kaye, John Wayne and Humphrey Bogart were presented. The festival consisting of "The Thief of Bagdad," "Slaughterhouse Five," "Dumbo," "Goal!," "The Secret Life of Walter Mitty," "Stagecoach," and "Tokyo Joe," proved to be one of the most well received presentations of the year.

BISHOP LYNCH 3-0

With 5:21 remaining, Senior Lamar Hunt gave the Lions their first score on a 21 yard field goal. That started this year's St. Mark's football team on its way to the school's first undefeated season since 1956. The Lions uncorked a powerful running attack with Senior Joseph Jones gaining 145 yards. Senior Scott Phillips played one of the best games ever for an offensive lineman.

The Lions' defense thwarted off the pass-oriented Lynch offense. The Lions countered with two key interceptions by Ron Krape and Tommy Ebner. Ebner's interception came deep in Lion territory to stave off Lynch's threat. Ron Krape put out the Friars' lights when he intercepted a pass late in the game to assure St. Marks of its first win of the season.

Nolan 44-14

The Lions used their steam-rolling running attack in crushing Fort Worth Nolan 44-14. Again Joseph Jones sparked the Lion attack in gaining 137 yards (65 of those came on the first play from scrimmage). Lamar Hunt booted a 21 yard field goal with 10:05 remaining in the first quarter to put St. Marks ahead for the remainder of the game.

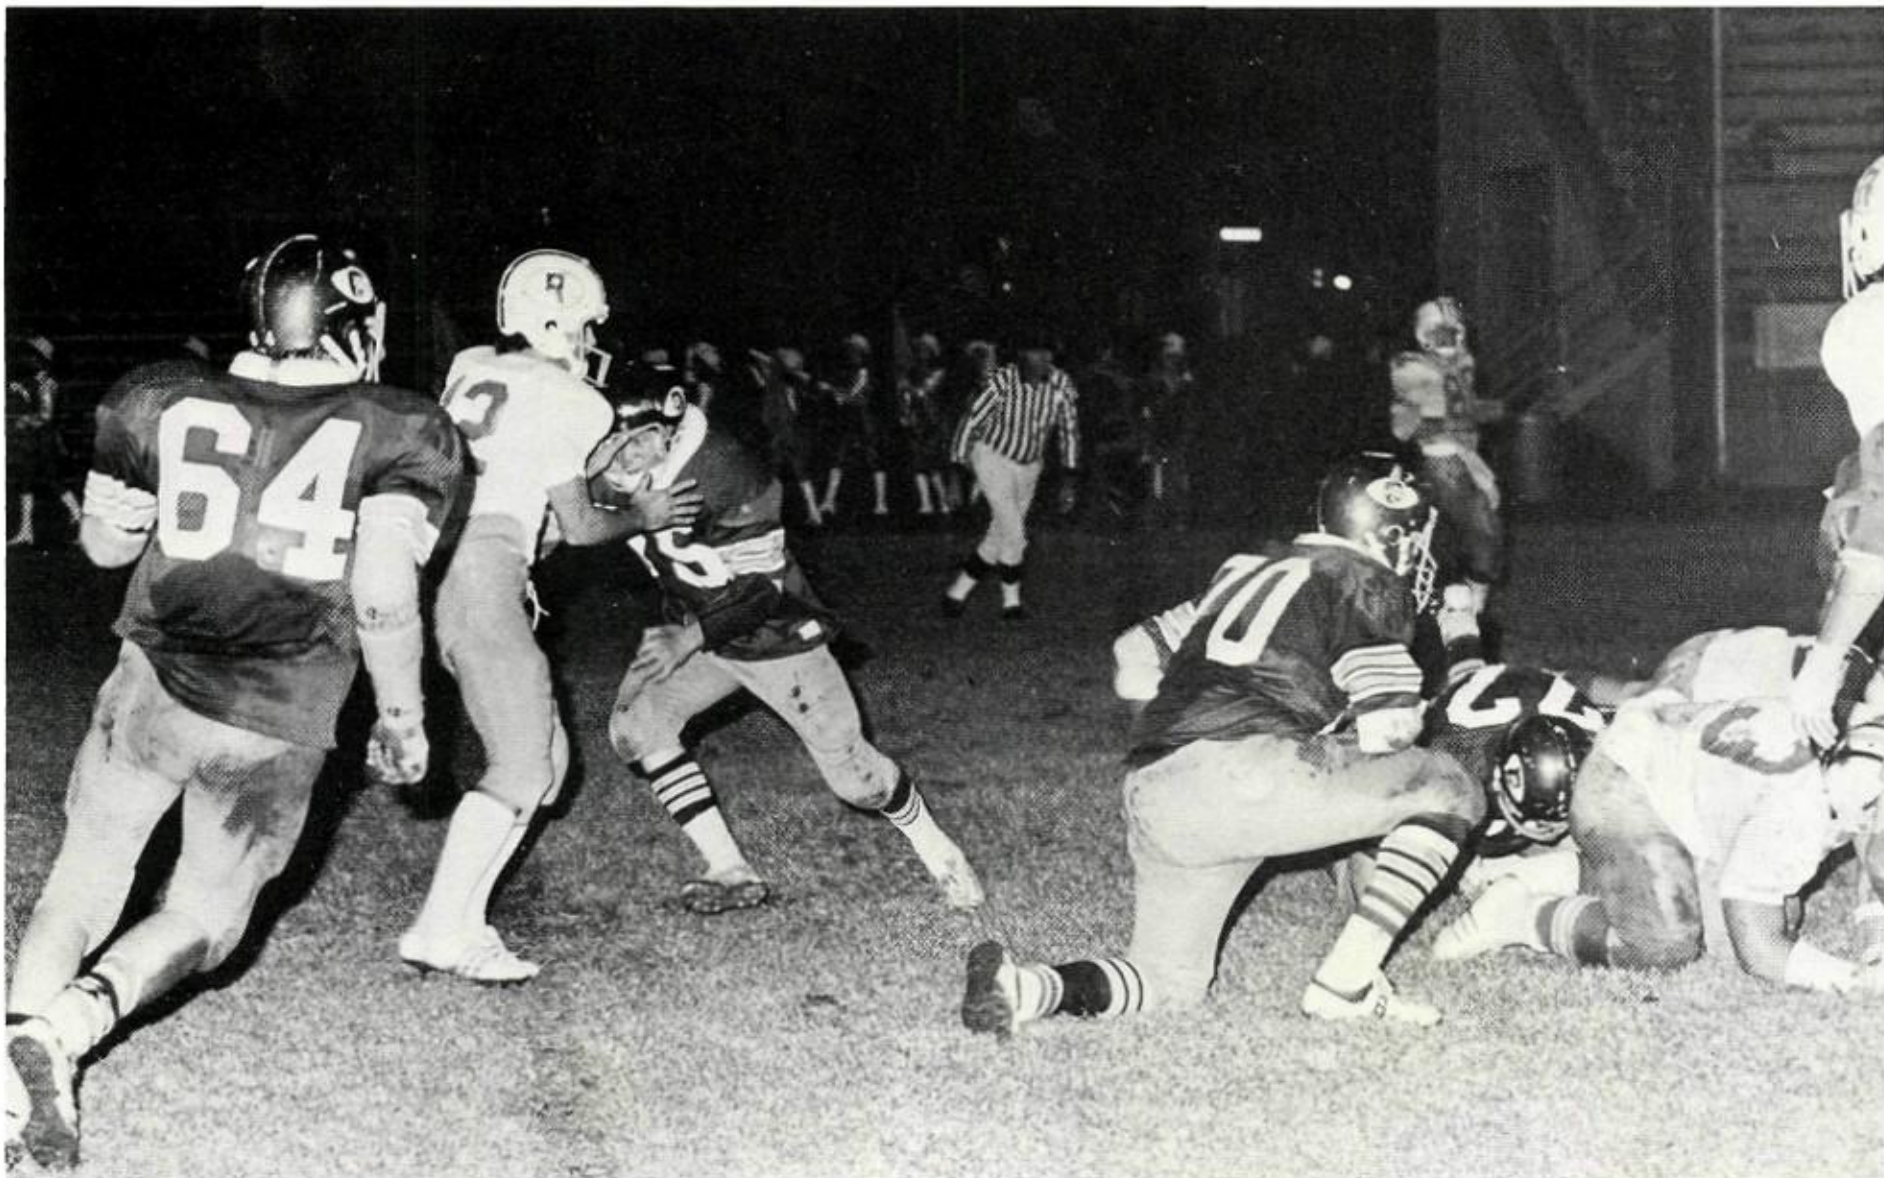

Tommy Ebner added runs of 15 and 23 yards. Junior Clay Hollis caught touchdown passes of 26 yards from Senior Lynn Fowler; then another from Junior Tom Jones late in the first half.

Joseph Jones added a 6 yard run early in the fourth quarter; Lamar Hunt rounded out the scoring on a one-yard penetration.

The defense led by Scott Phillips and John "Cramps" Lee, played another outstanding game in holding the Nolan offense to 51 yards on the ground.

Dallas Christian 21-0

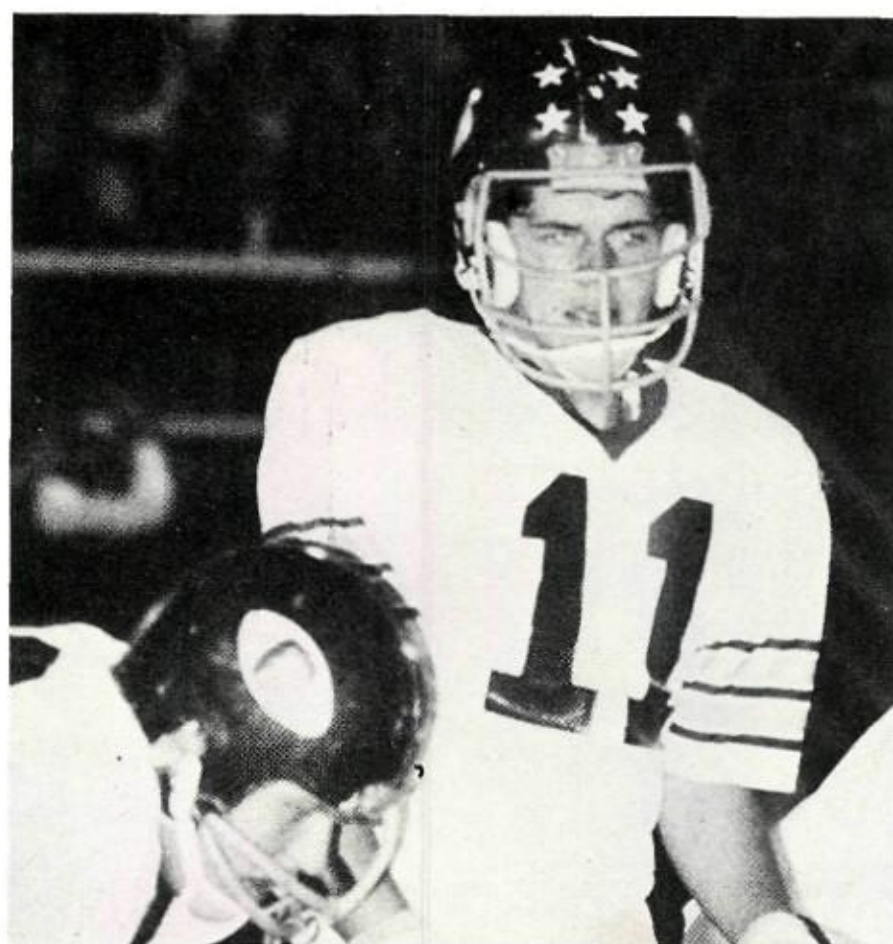

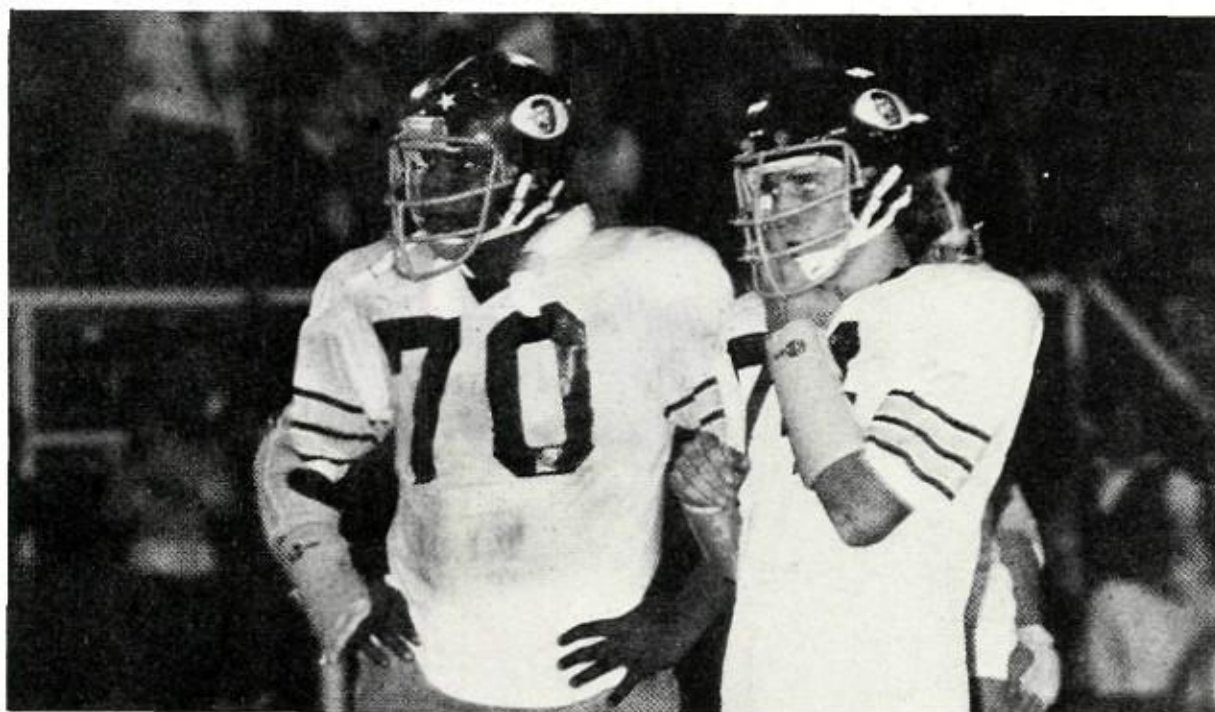

The Lions gained their third win by outswimming Dallas Christian 21-0. Using their powerful running attack the Lions gained 276 yards rushing on an extremely soggy field. Tom Ebner led all rushers with 135 yards on 23 carries. Senior tailback Joseph Jones blasted over from 3 yards, late in the first quarter to put the Lions ahead to stay. Ebner also added a 7 yard touchdown run in the second quarter, with Jeff Zisk going over from 5 yards in the opening drive of the second half to end the scoring.

The defense once again played another super game in holding the Chargers to only 17 yards total offense.

Now what play did I call?

Holland Hall 45-7

After an open date, the Lions started SPC play by smothering Holland Hall 45-7. The Lion offense started quickly by driving 54 yards on their first possession. Lynn Fowler scampered in from 8 yards culminating the drive. Fowler had an excellent game; throwing three touchdown passes and intercepting three passes earning him the Dallas County Player of the Week award. The second score came when Fowler hit Jon Wiedemann for a fourteen yard score.

Tom Ebner then sped 55 yards with an interception to put the Lions ahead 21-0 at the end of the first quarter. Lynn Fowler threw his second touchdown pass to Senior tightend Ben Jones. John Rutherford caught his first touchdown pass of the year on a 59 yard strike from Fowler. Greg Seale also scored on a run of 2 yards. Lamar Hunt added a 22 yard field goal and 4 PAT'S.

The defense led by Hunt and Fowler held the fighting Dutchmen to 11 yards rushing.

Casady 34-0

On October 11, the Lions traveled to Oklahoma City to do battle with the Casady Cyclones. The Lions considered this to be a tough game because the Cyclones had only lost one game in three years on their home field. However, this was not a factor as St. Mark's rolled up a 34-0 victory.

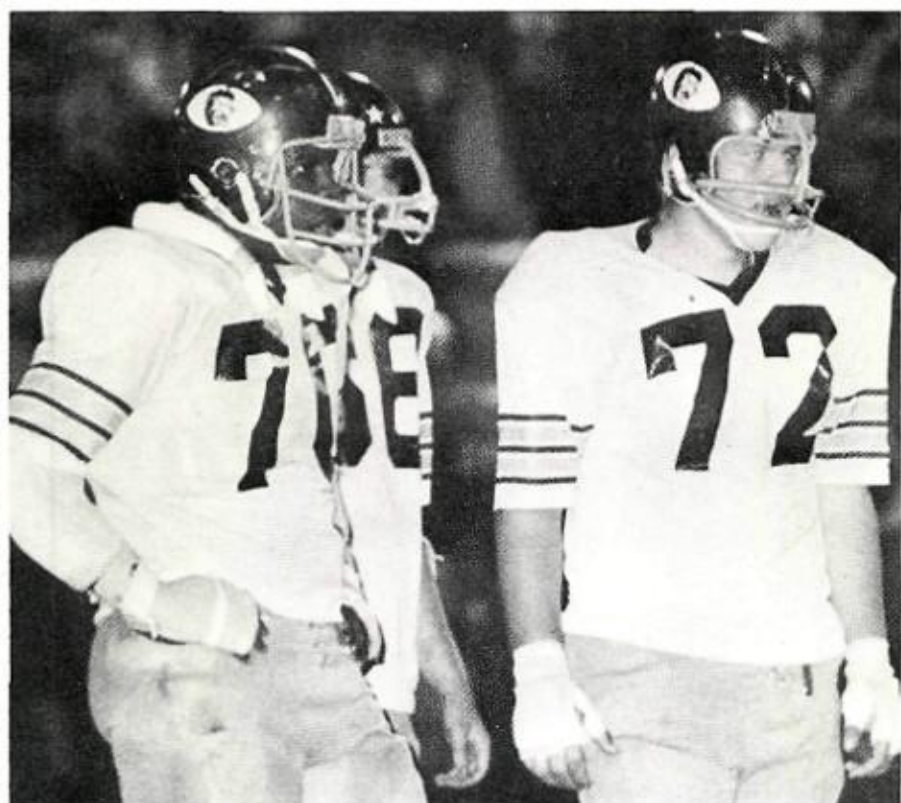

The story of this game was the defense. Led by seniors Wayne Whitham and John Boy Lee the Lions held the Casady attack to an incredible 65 yards rushing and 9 yards passing.

Tom Ebner goes over for the first Lion score.

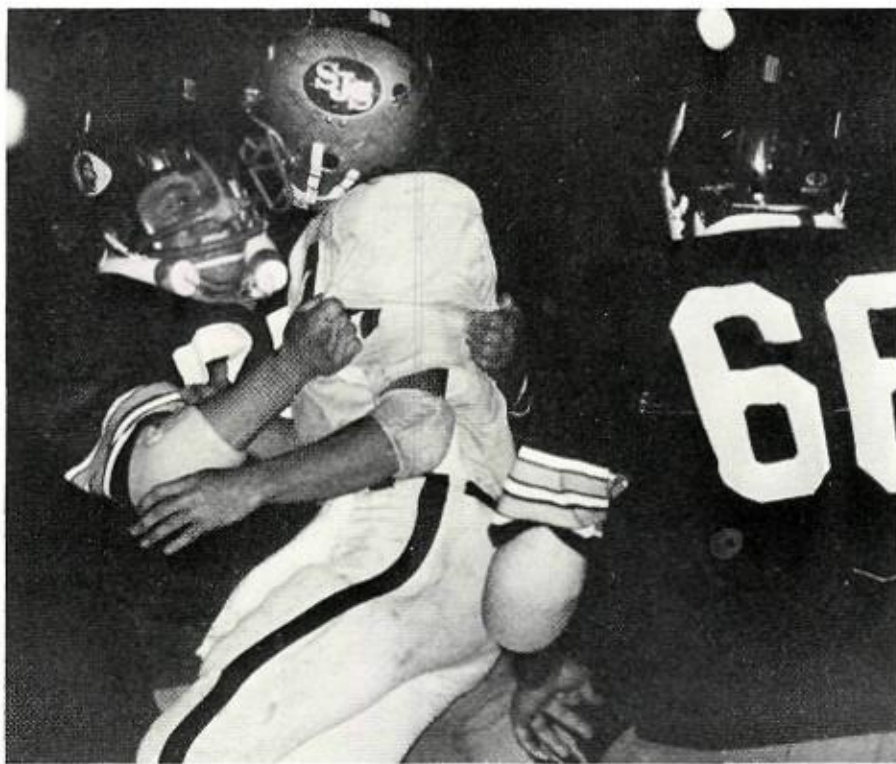

Senior Linebacker Wayne Whitham stalks.

The scoring began quickly with the Lions marching 27 yards, after a Whitham fumble recovery, with Tommy Ebner blasting over from one yard out. Lynn Fowler later scored on a 15 yard run, then found Clay Hollis on a 14 yard TD pass in the second quarter. Joseph Jones led all rushers with 98 yards and scored twice on runs of 5 and 15 yards in the second half.

After the game the Lions and 300 spectators settled back for a long and enjoyable ride to Dallas after collecting their second SPC title in two years.

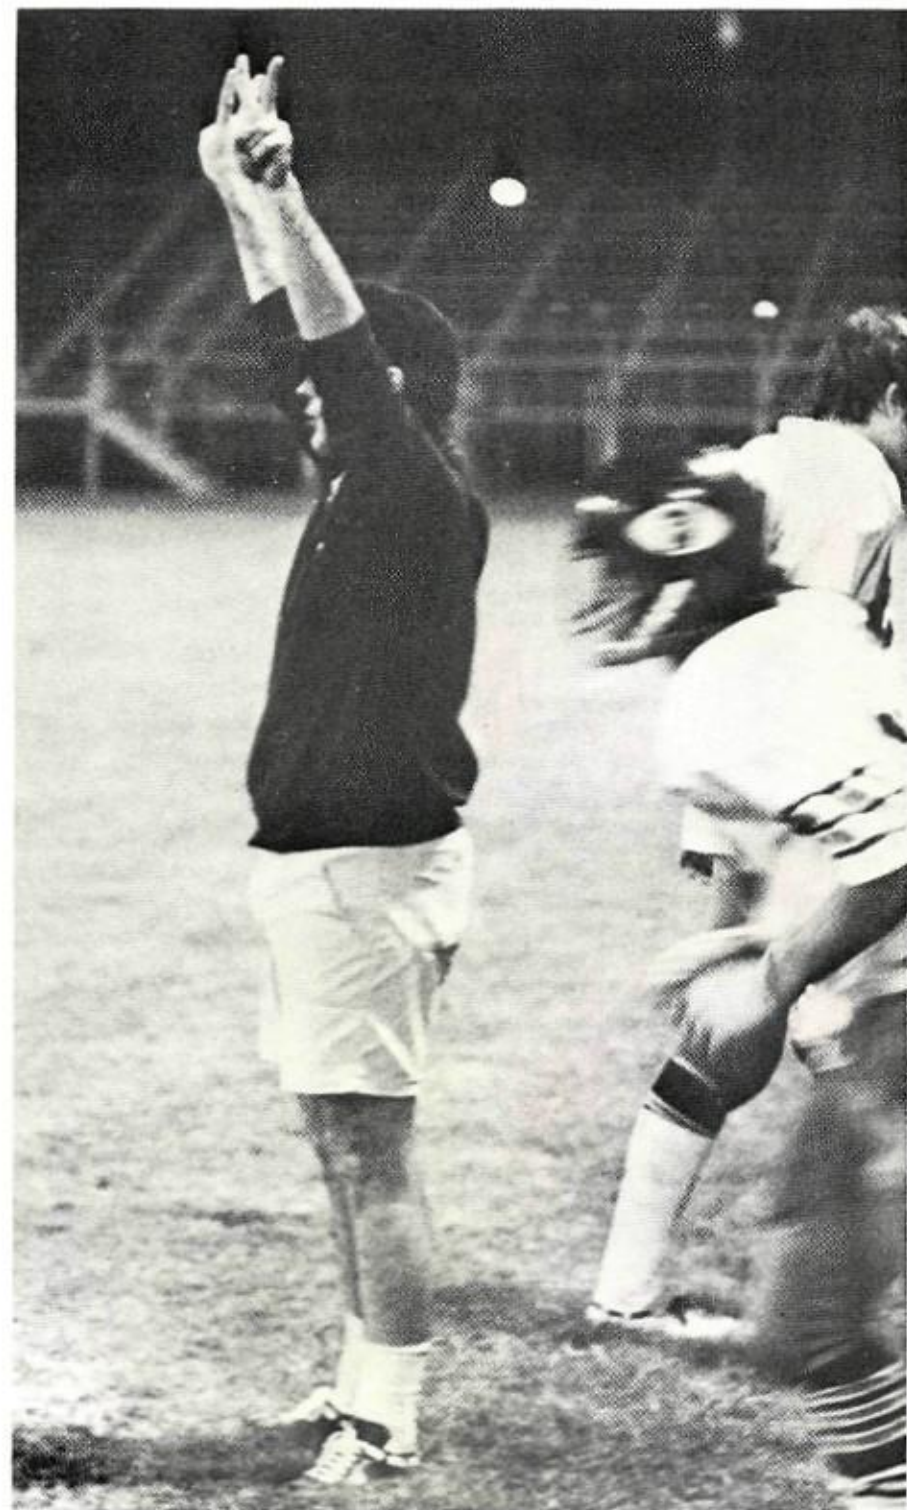

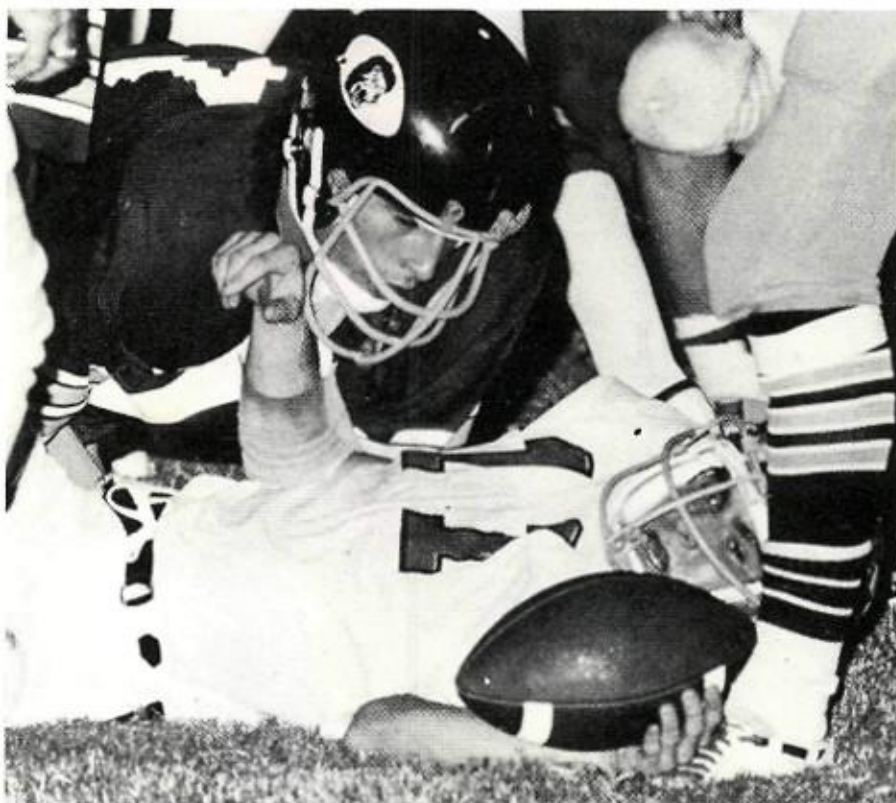

Homecoming

St. John's 31-0

Homecoming marked the battle of the undefeated, as the Lions faced a tough St. John's squad. The Rebels blew into town sporting a 5-0 record and a heralded blue chip crop. The first half was an intense duel with both teams trading punts and fumbles. The Lions finally put together a drive after a fumble recovery by Dwight Coleman, and Ebner blasted over from 4 yards out with 2:49 remaining in the first half.

In the second half, Lynn Fowler engineered a 58 yard drive that resulted in a 24 yard field goal by Lamar Hunt. Fowler also hit Ben Jones on a 46 yard pass, with Jones doing most of it on foot. Tom Ebner scored again on a 22 yard run behind the trap blocking of Tave Campbell, Scott Phillips, Will Montgomery, Wayne Whitham, Dwight Coleman, and Ben Jones. Captain Jeff Zisk added the final score on a 9 yard run.

Bishop Dunne 28-0

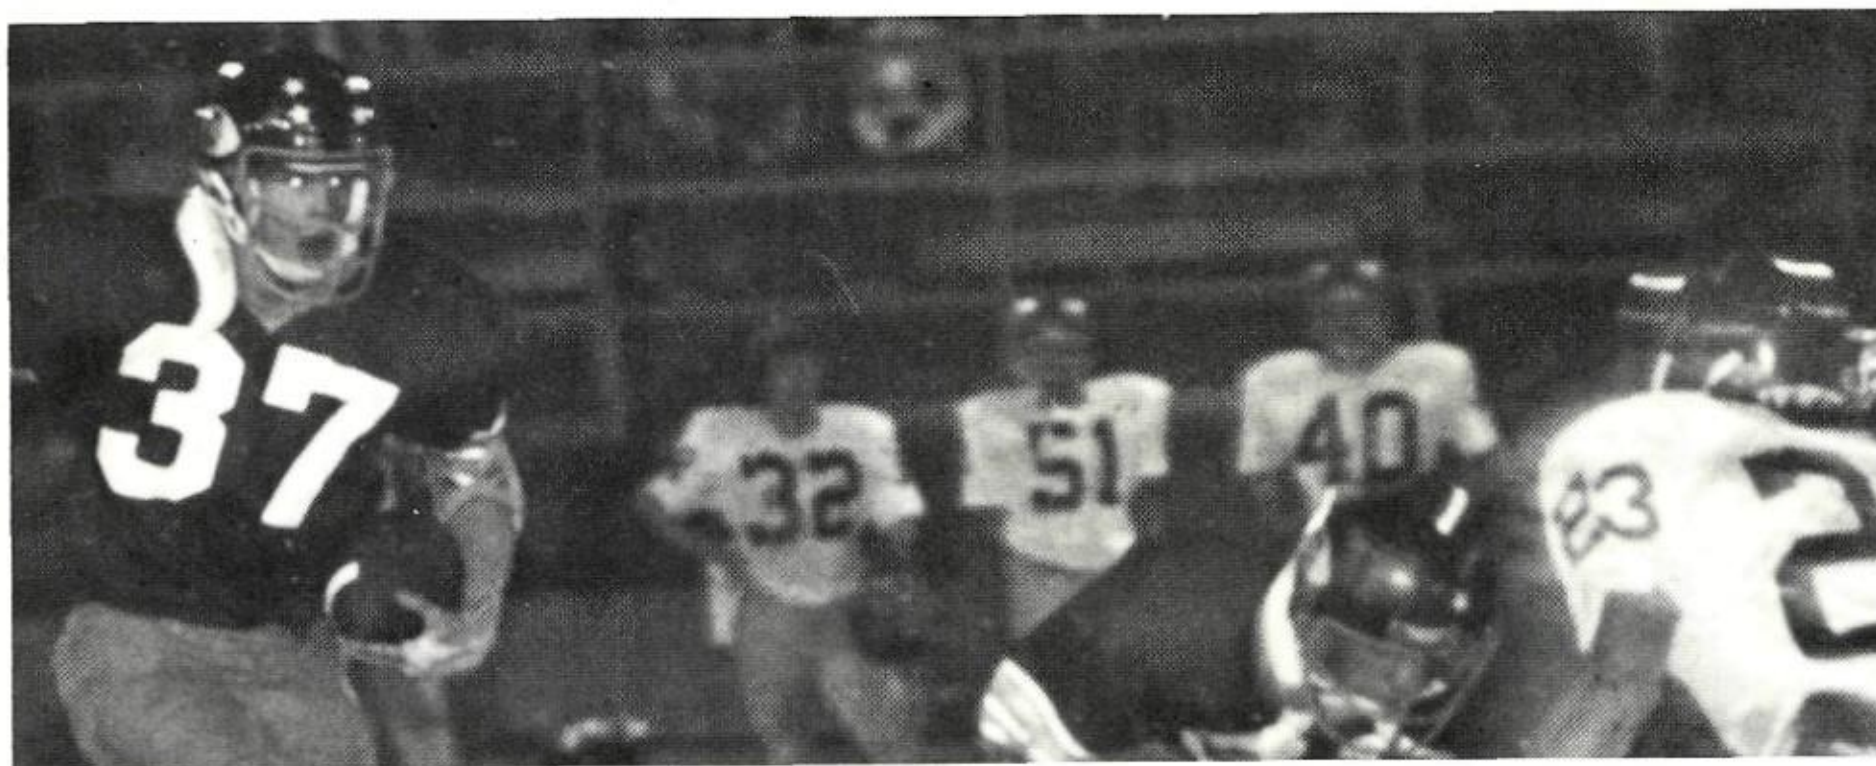

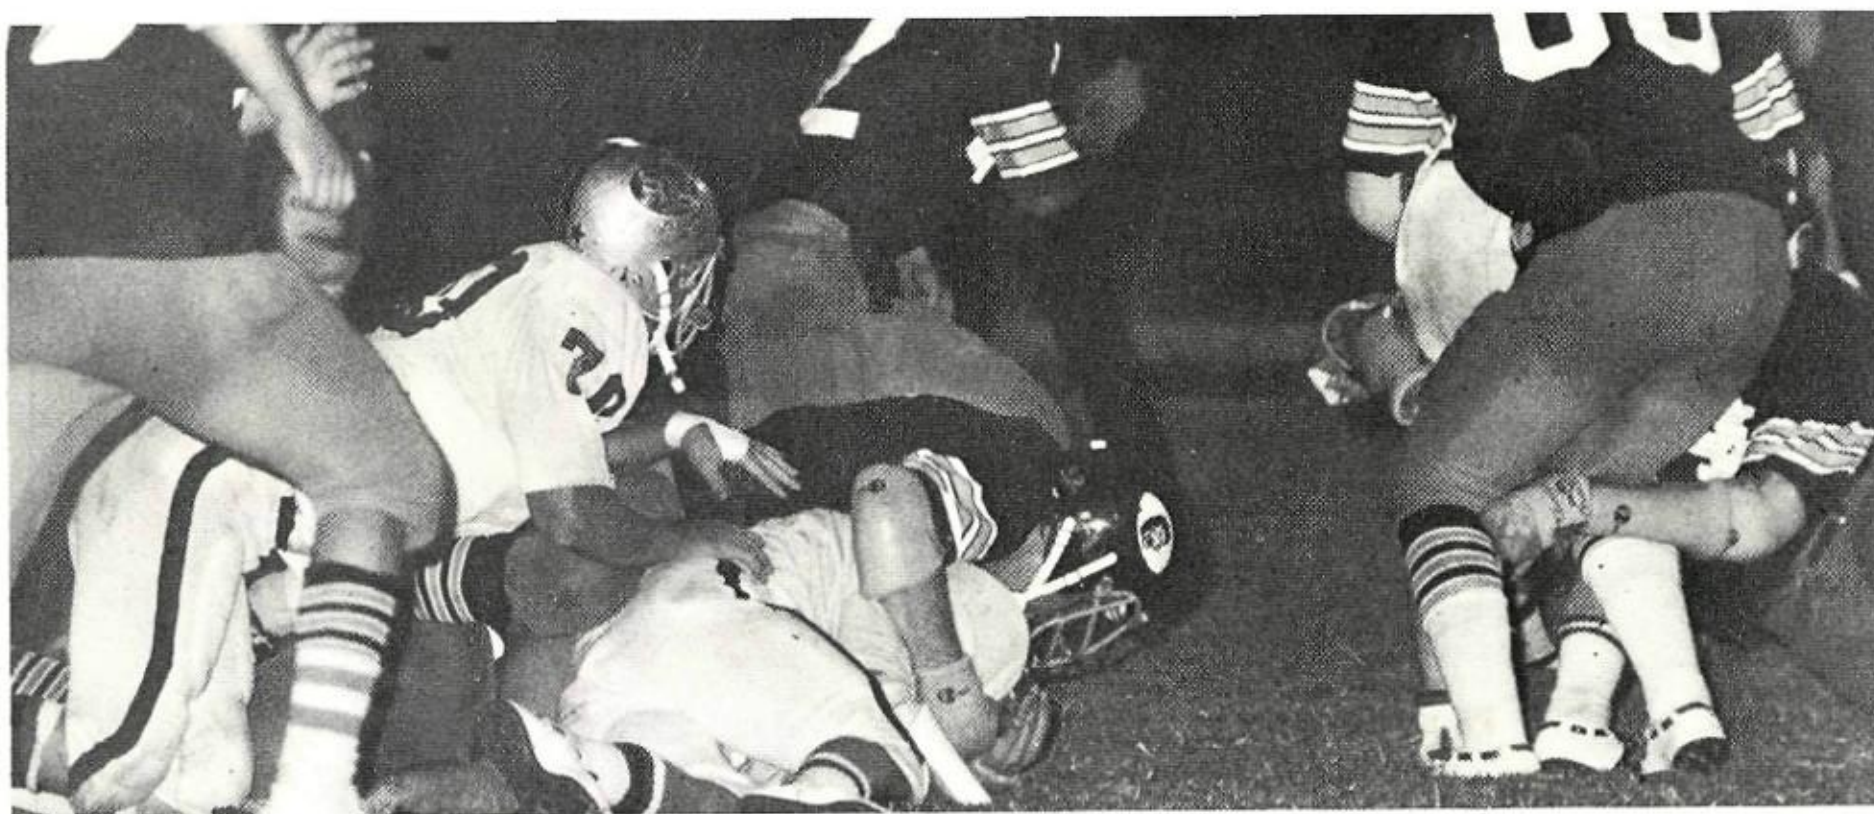

The Bishop Dunne Falcons flew onto Bailey Field hoping to gain their first win of the season and to hand the Lions their first loss. The defense led by Will Montgomery, Wayne Whitham, Tommy Ebner, Lamar Hunt, and Dwight Coleman played another outstanding game in holding the speedy Falcons to 19 yards total offense.

The running attack had its problems this game gaining only 170 yards. Ebner led all rushers with 67 yards.

When the running attack failed, the Lions looked to the arm of Lynn Fowler and the very sure hands of Jon Wiedemann. Fowler and Wiedemann hooked-up on a beautiful 32 yard touchdown in the second quarter and a 50 yard bomb in the fourth quarter. Joseph Jones and Lamar Hunt added the other two scores for the Lions.

Senior Lamar Hunt

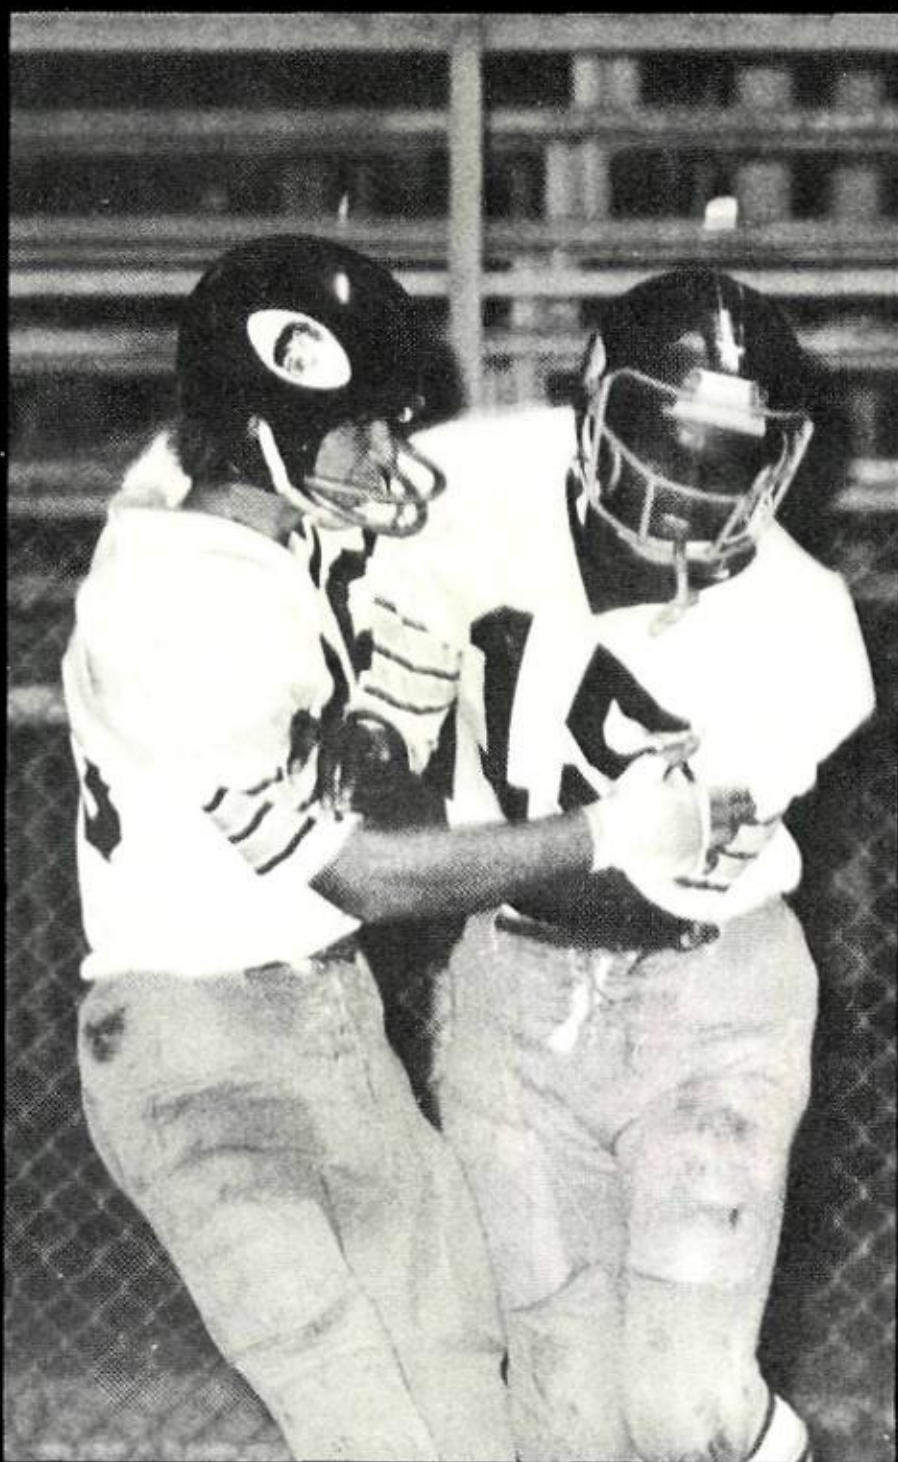

Notre Dame 28-0

Wichita Falls Notre Dame was the next victim of the Lions. The Lions came to Wichita Falls with a small band of loyal fans and walked away with a very impressive 28-0 win.

This was the most productive game of the season with the offense amassing 534 yards. Joseph Jones led all rushers with 103 yards on 9 carries for an 11.4 yard average. On the Lions' second possession of the game, Jones broke for a 72 yard touchdown run. Tommy Ebner added runs of 17 and 31 yards in the second quarter. Senior John Lee had an excellent night; he recovered a fumble in the end zone, to get his first touchdown of his career, and tackled the Notre Dame quarterback in the end zone for a safety.

Waco Reicher 31-0

The Lions ended their season in fine fashion by beating Waco Reicher 31-0. This win gave the Lions the undefeated season they had dreamed of.

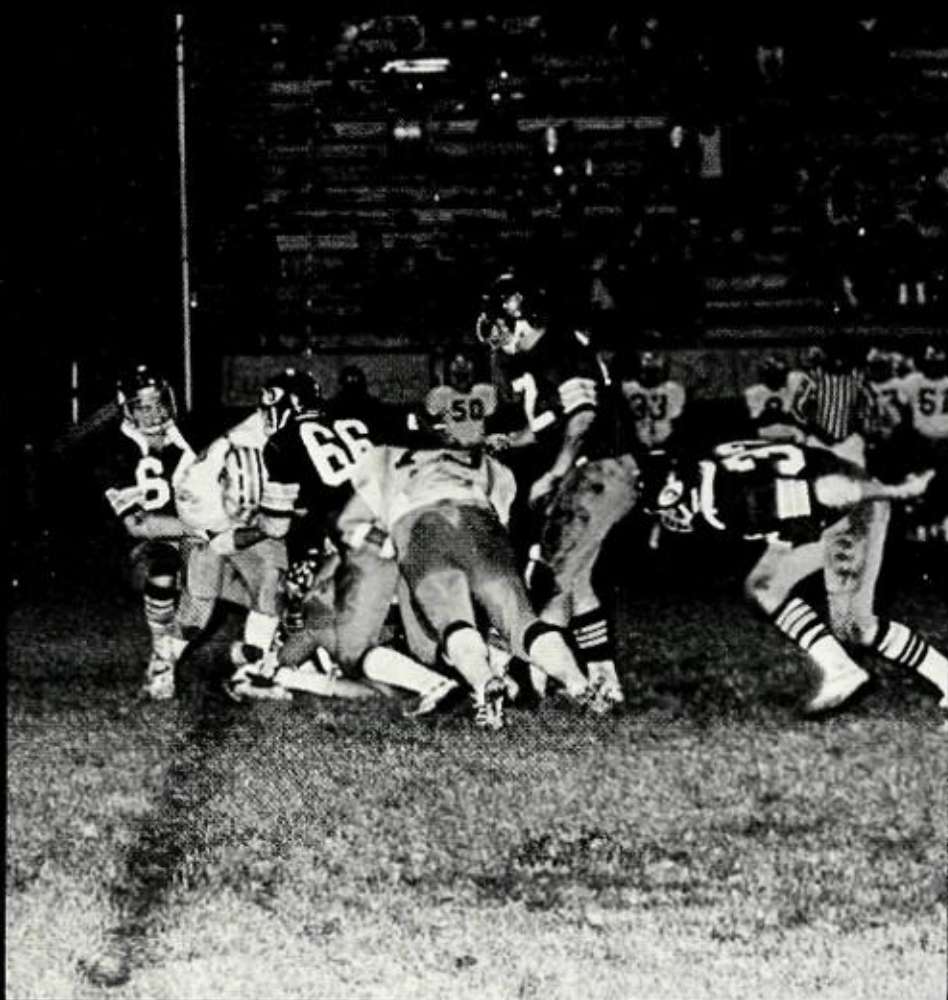

The first half of the game was a defensive struggle with both offenses having trouble getting drives started. The tide of the game turned when Dwight Coleman dropped Reicher's quarterback, Robert Atkins, breaking his collar bone and virtually eliminating their offense. The Lions offense also had its problems gaining only 149 yards total offense.

Fittingly, the defense led by Zisk and Ebner helped produce the breaks that gave the offense good field position.

Lamar Hunt kicked a 25 yard field goal with 4:26 remaining in the third quarter to get the Lions' scoring started. Then the roof fell in on Reicher when

their offense tried to work without Atkins. John Lee recovered a fumble on the Reicher 20 yard line. Tom Ebner scored 2 plays later behind great line blocking from 2 yards out. Lynn Fowler returned an intercepted pass for a 27 yard touchdown early in the fourth period to give the Lions a 17-0 lead. The defense continued to score when Joe Jones intercepted another Reicher pass and scampered for a 90 yard score. Reicher had one more threat, but was thwarted off by the Lion defense. Lamar Hunt ended the season's scoring by intercepting a pass and going 85 yards for the score.

Water Polo

State Runner-Up

The highlight of this year's varsity water polo season had to be the State Championships in College Station. The tournament began for St. Mark's at 8:00 P.M. November 8, when the first game was against tournament favorite LaMarque. The game against LaMarque was probably their best effort of the year. The Lions shocked the Galveston team by beating them 13-8. Paced by state MVP Scott Harris, with 7 goals, and a stalwart defense led by goalie David Holt and all-stater Dixon Hutchinson the Lions started their battle towards the championship.

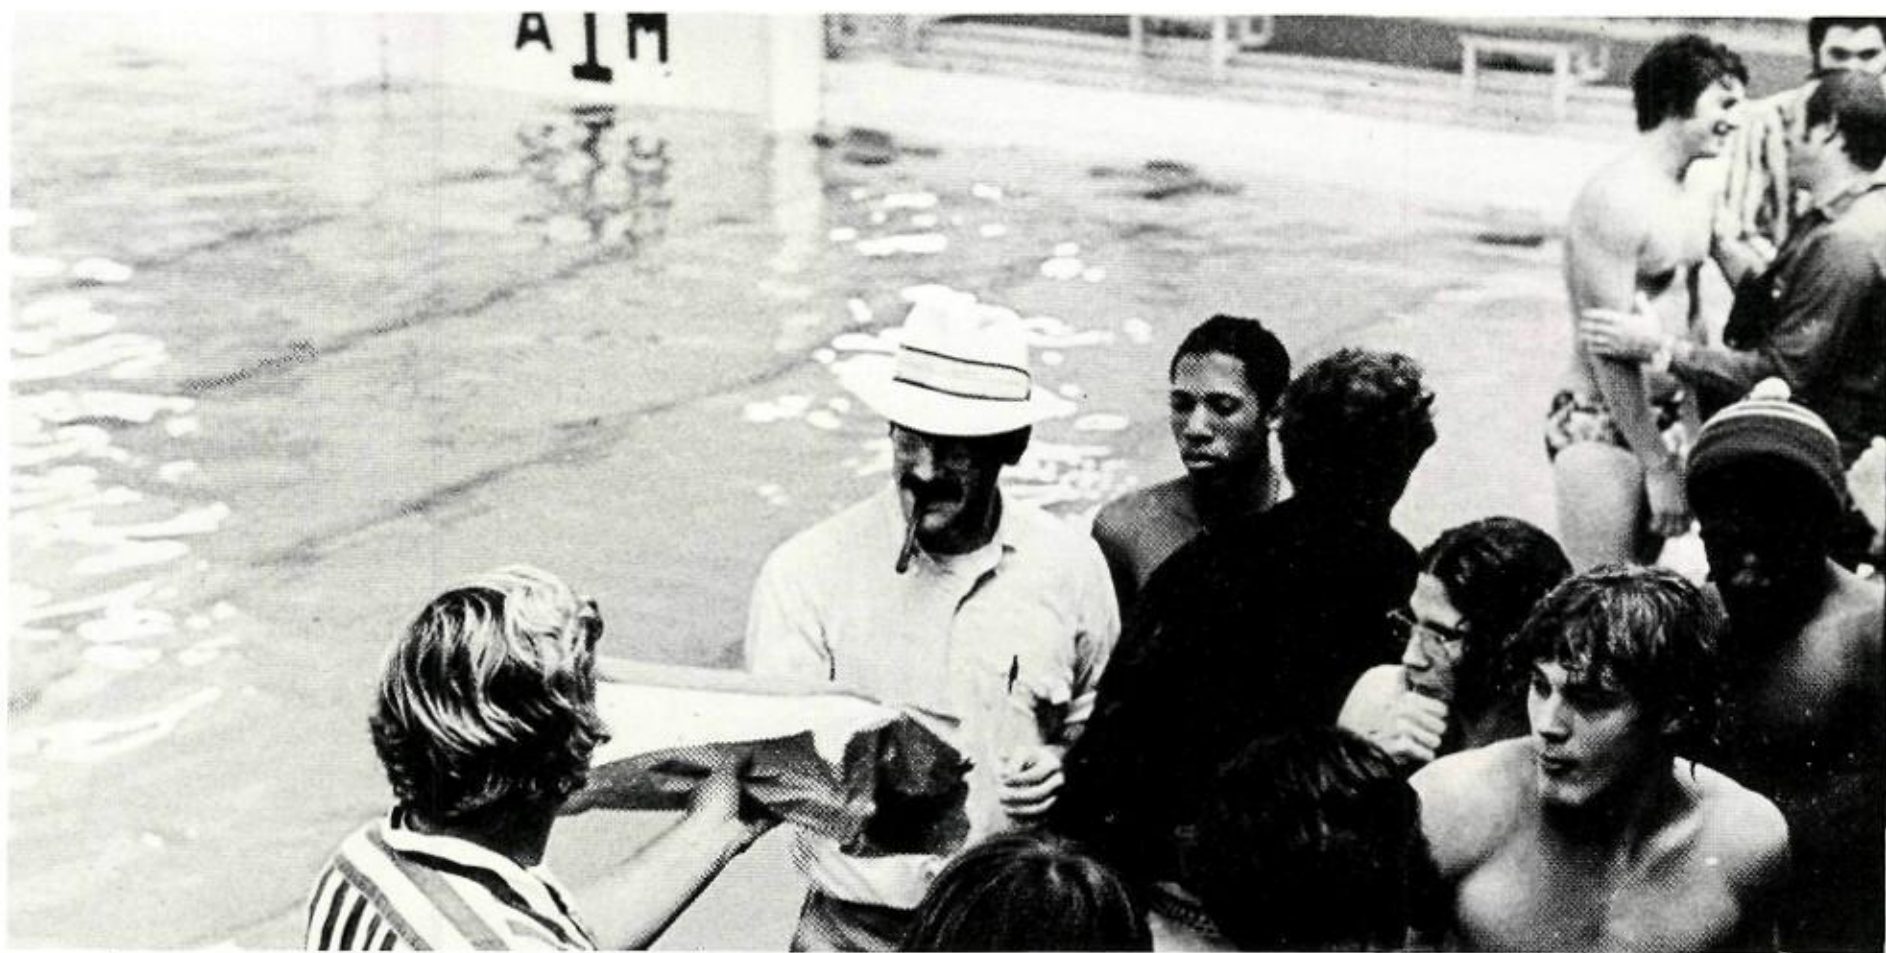

St. Mark's beat their next two opponents — J.J. Pearce 23-0 and McAllen in the semifinals 12-1. The Lions met Lamarque again in the championship

game. The game against LaMarque was a defensive battle with neither team being ahead by more than two goals. At the end of the third quarter St. Mark's was ahead 5-4. To the Lions' disappointment they couldn't hold the lead, and lost in the final moments with LaMarque scoring with 12 seconds left to play. The final score was St. Mark's 7 — LaMarque 8.

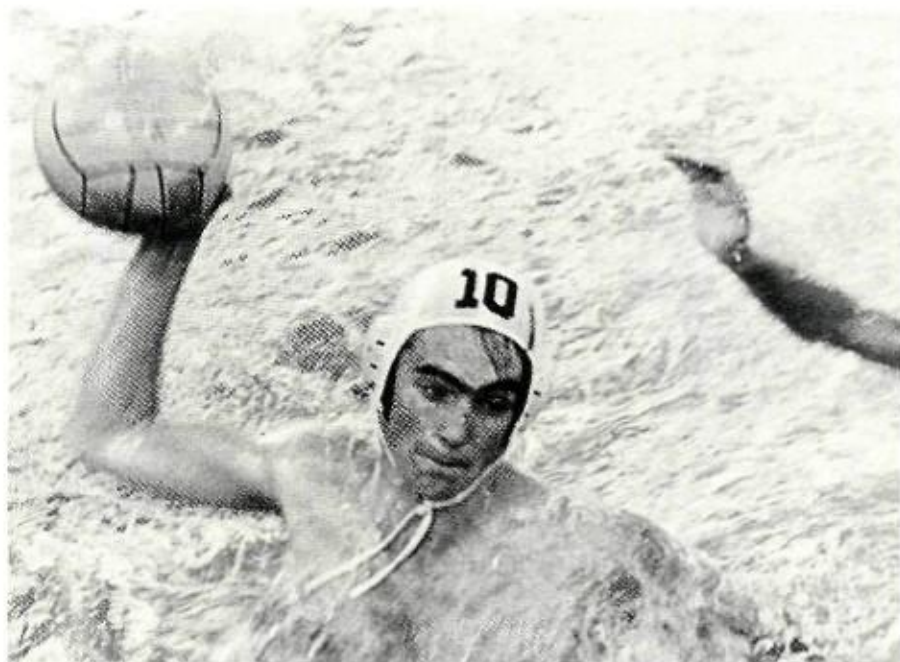

Outstanding players for the Lions this year were: Scott Harris, Greg Kraus, Marshall Payne, Doug Glen, and Mark Lenox on offense; Dixon Hutchinson, Dwight Fletcher, Micheal Peterson, Phil Page, and David Holt on defense. Coach Tim Shutt was also named Coach of the year at the state championships.

Cross-Country

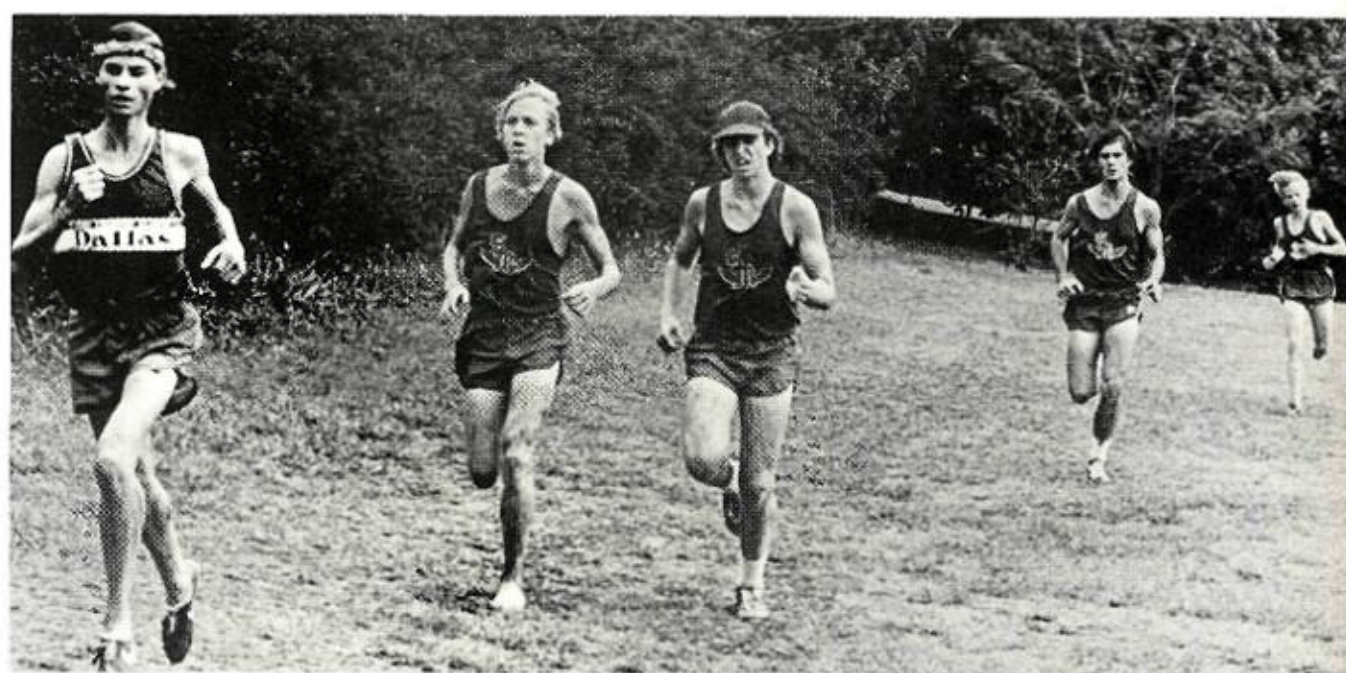

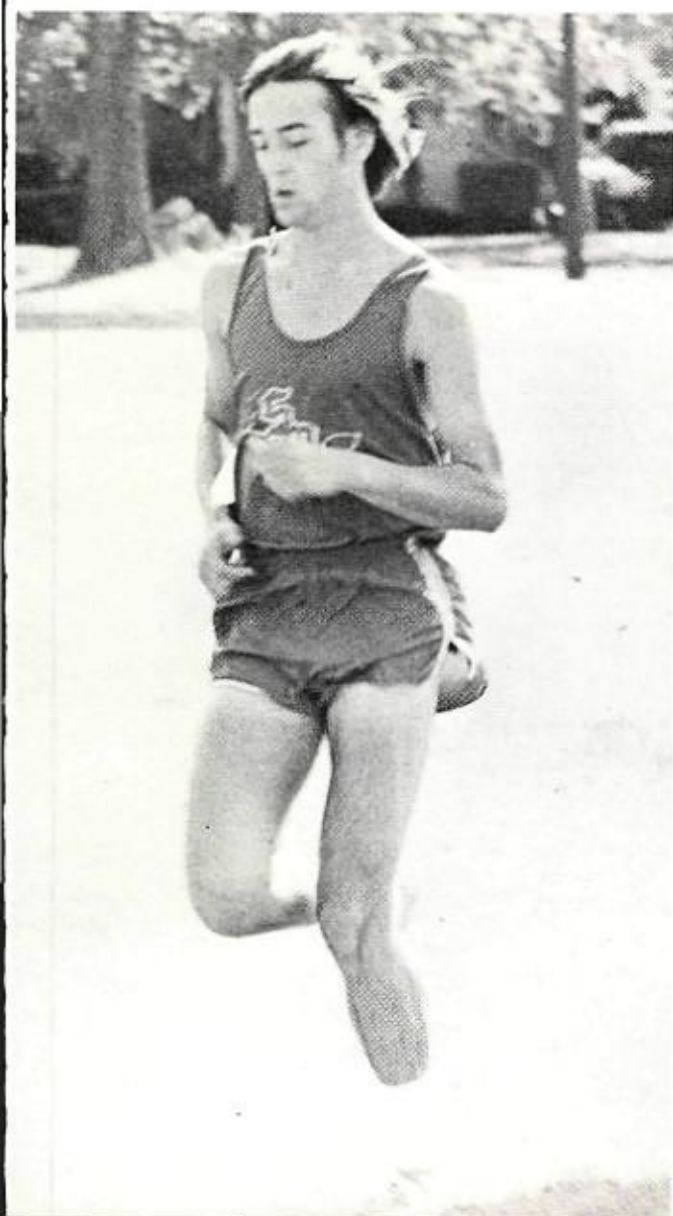

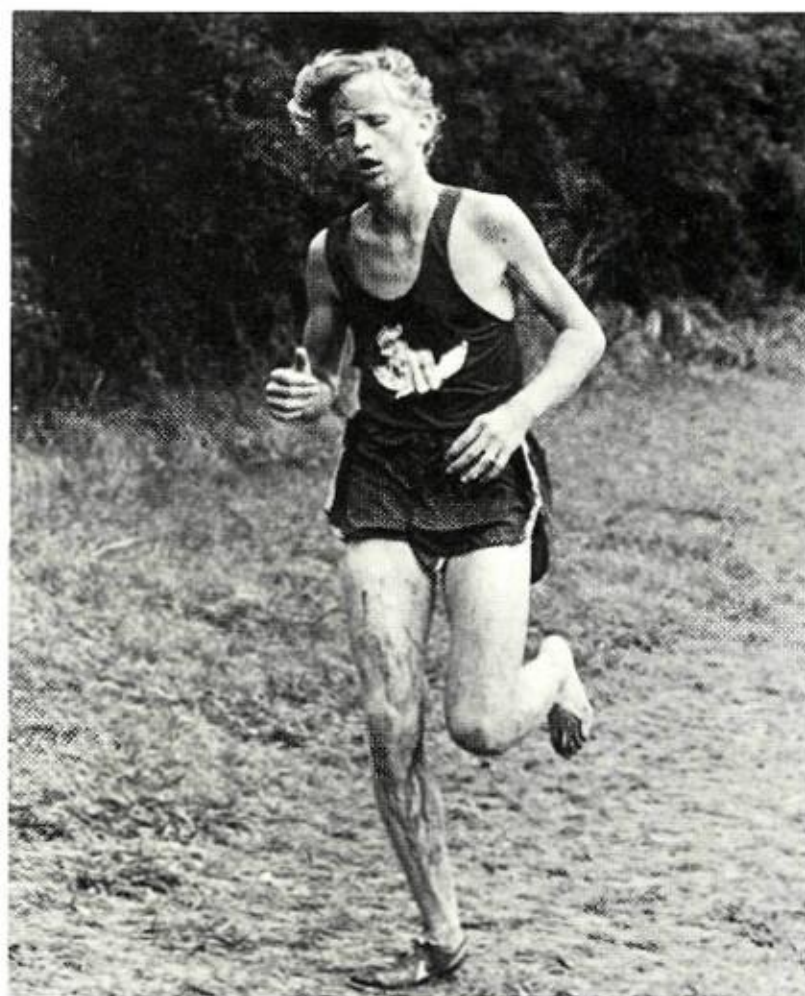

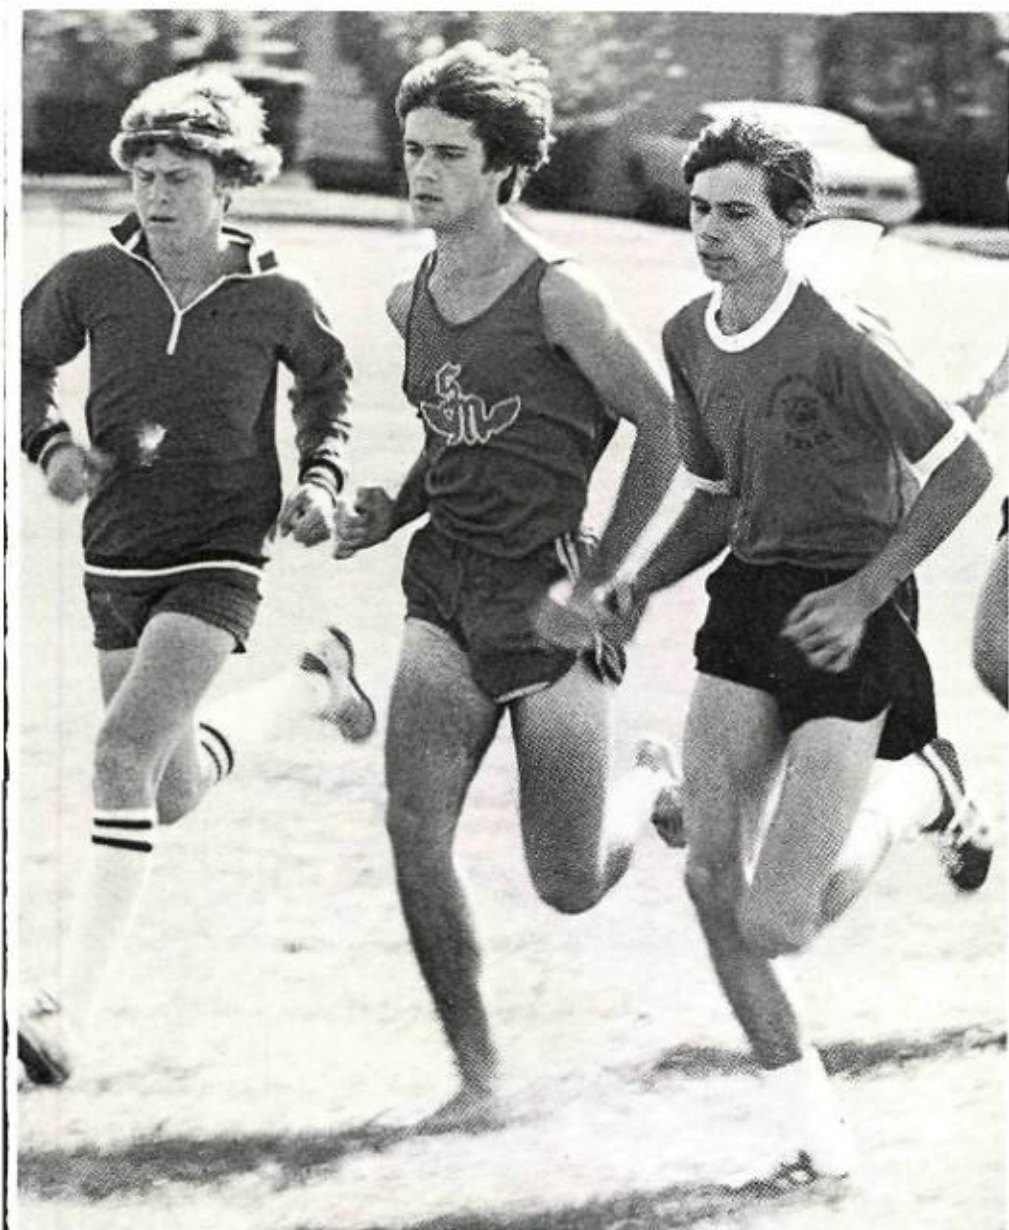

Under the guidance of Coaches Mailer, Blanchard, and Kohler, the St. Mark's 1974-1975 Cross Country team enjoyed a successful season. The team placed first in the Tiger Six relays held in Norman, Oklahoma, and first also in the 3A division of the St. Mark's Invitational at White Rock. The team placed second in the S.P.C. Championships among fierce competition in a closely contested race against St. John's.

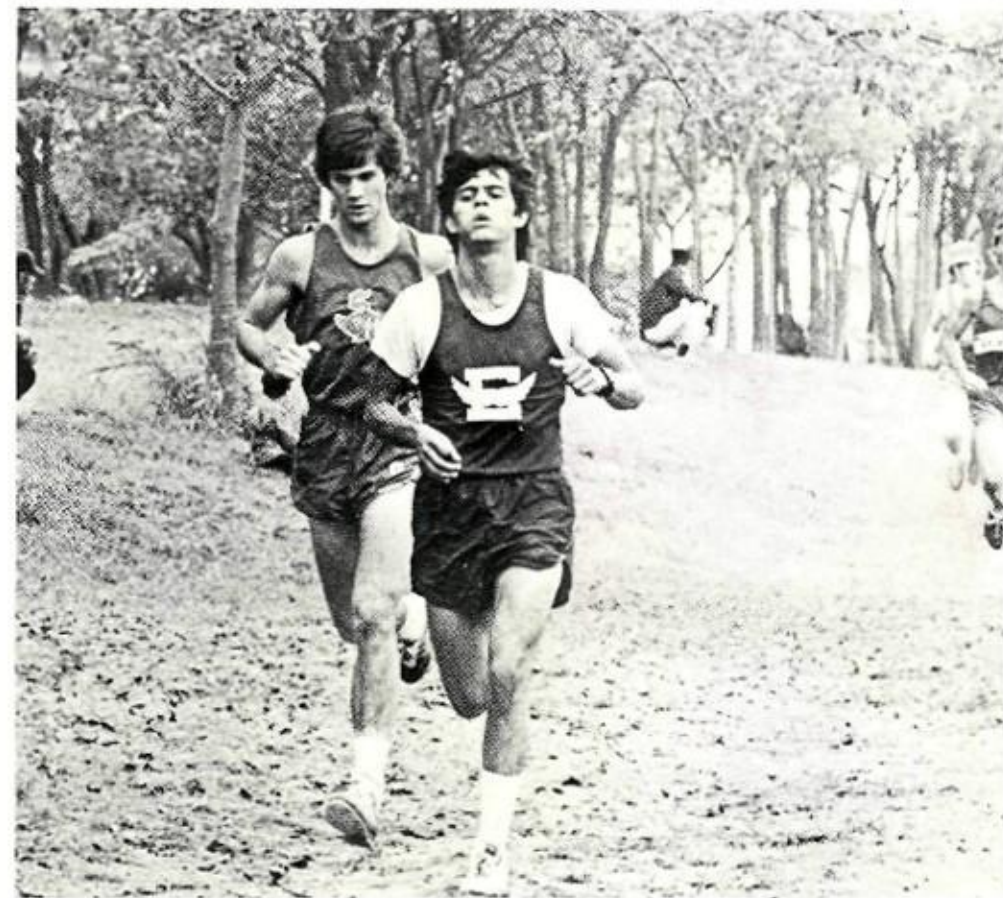

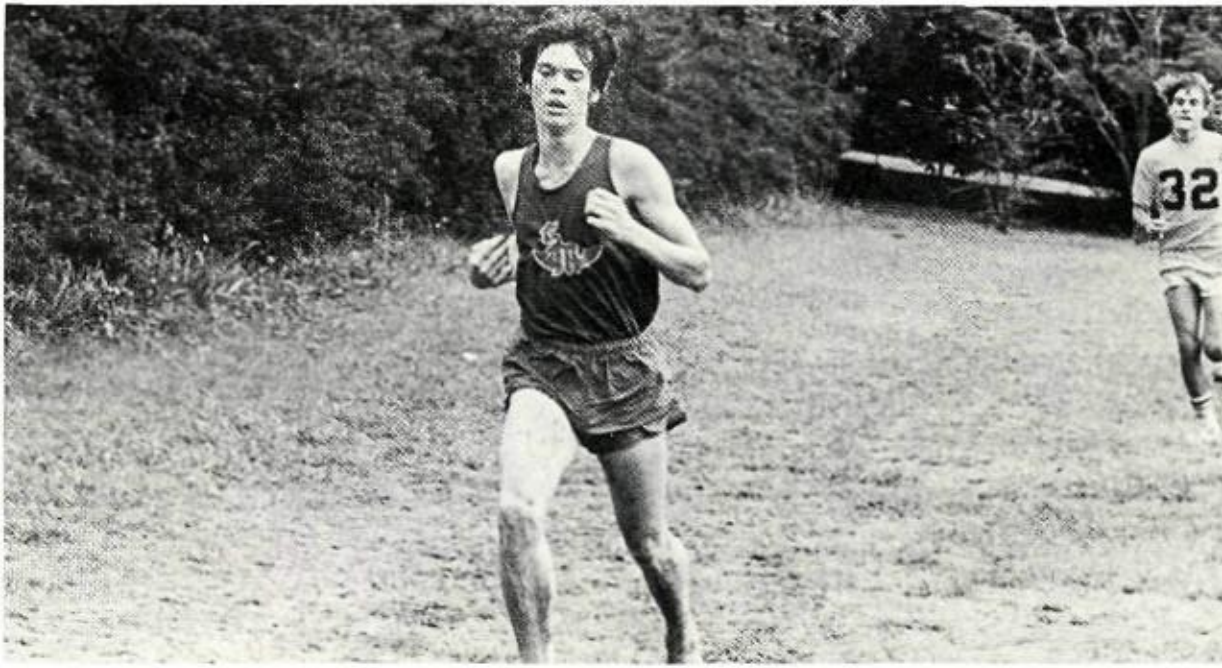

Leading the team was junior John Kellogg, who broke the school record in the 2-mile flat track race by running a time of 9:54. Kellogg also placed first at the Western Hills Invitational and the 3A division of the St. Mark's Invitational.

Also contributing greatly to the team were Co-Captains Trey Nicoud and Pat Jenevein, team members, David Maldonado, Ed Kownslar and newcomers Ted Wilson, Keith Young and Bruce Jenevein whose times were consistently good.

Junior Varsity

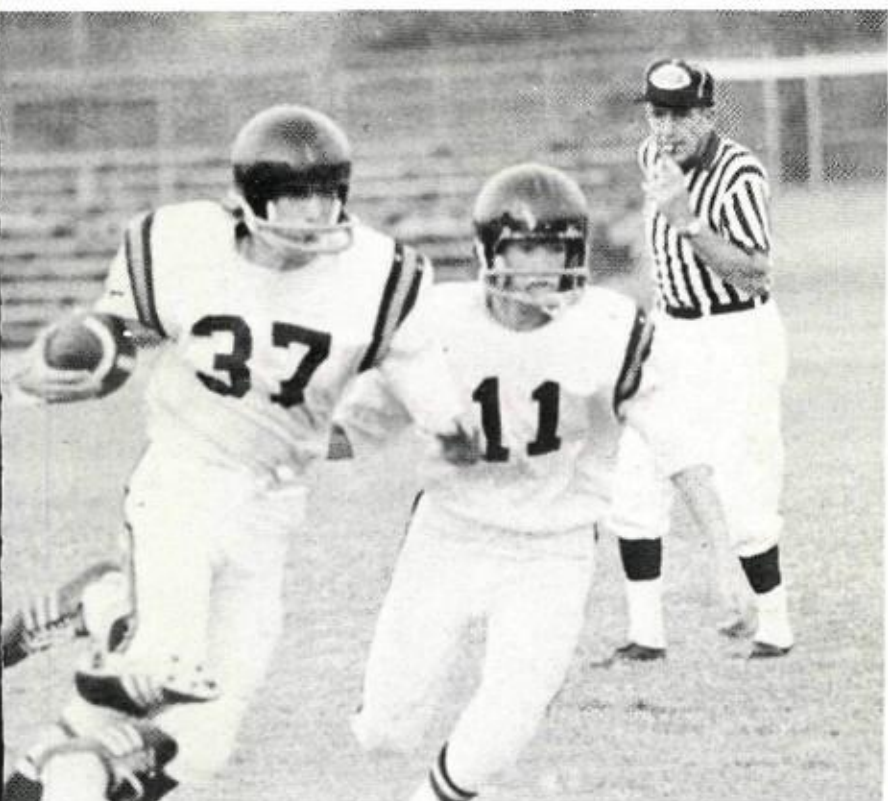

Basketball

This year, the St. Mark's Junior Varsity Basketball Team suffered a disappointing 4-15 record. Led by co-captains Tom Jones and Dick Blaylock, the team competed for the first time with some of the largest public schools in Dallas. The Lions held their own during the season and often outplayed their opponents despite the final scores.

Soccer

The J.V. Soccer team, under the coaching of Juan Egues, once again had a very successful season. The team was a little disappointed after their first game in which they lost to Selwyn, a game which destroyed the J.V.'s winning streak of 38 games. The J.V. rolled up a record of 13-1-1.

Football

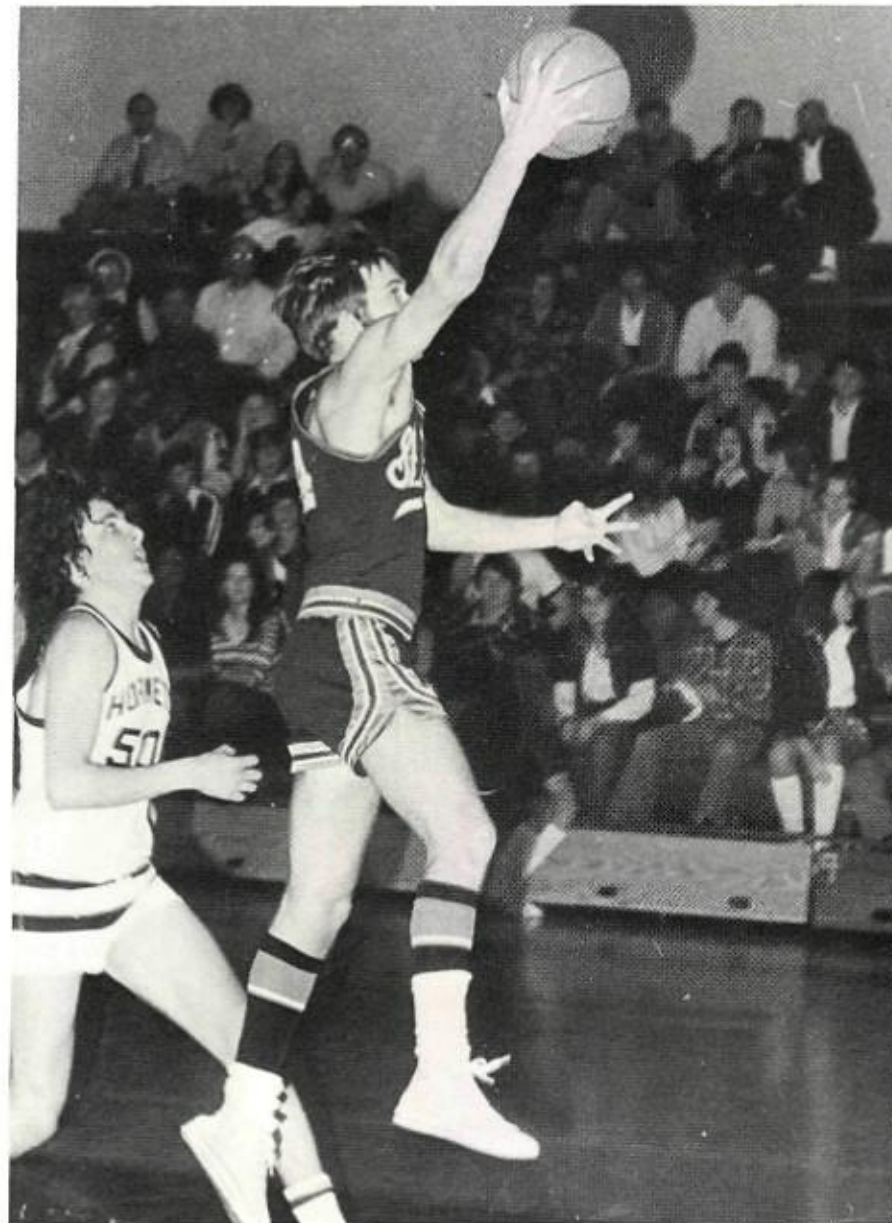

This year's Junior Varsity Football Team under the leadership of coach Roger West finished this year with a 3-4-1 record. Due to many sophomores playing Varsity the team mainly consisted of freshmen. The J.V. started off quickly by defeating Ferris 27-6. The J.V. also beat Nolan and tied Bishop Dunn. One of the more important games for the J.V. came against an undefeated team from North Mesquite. Leading at half time the J.V. faltered only to lose 13-15.

Sophomore Scott Lassetter heads for daylight with Dick Blaylock.

Basketball

The 1974-75 basketball season was a disappointing one for St. Mark's. The Lions had expected to have a winning team despite their tough schedule against mainly public school teams. The Lions worked hard all season and especially before the first scrimmage of the year with Lincoln, in which St. Mark's played very well. Although the Lions only won six games all year this is not indicative of their playing; St. Mark's lost eleven games by less than six points. Games which are this close can go either way and St. Mark's just did not get the breaks. The biggest disappointment of this type came in the Jesuit game, with no time left and the Lions up by one, the Rangers sank two free throws to win the game by one point.

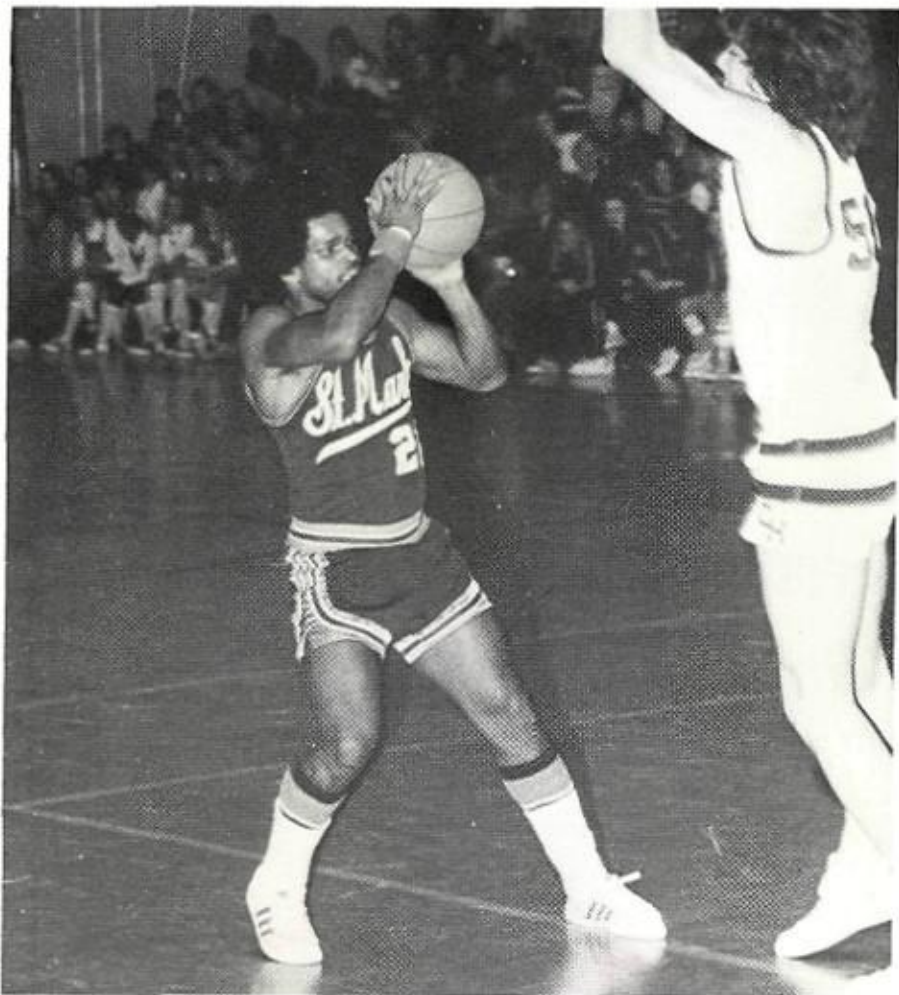

The Lions kept their poise all season. They kept their pride and finished up strong at SPC. Even though St. Mark's Basketball had a losing season all of the players still showed pride in St. Mark's and remained optimistic throughout the season.

Wrestling

This year's St. Mark's Wrestling team was again one of the powers in the Dallas wrestling scene. The Lions captured the North Central Texas Championships and SPC Championship for the third straight year. The matmen also fared well in tournaments in Baton Rouge, Louisiana, and Anadarko, Oklahoma; as well as achieved a 9-2 dual meet record.

This year's team was led by senior captains John Lee, Scott Phillips, and Dwight Coleman, all three of whom captured NCTC championships and placed highly at the State tournament. John Lee, who has been an integral part of St. Mark's wrestling for the last four years, took fourth place in the State Tournament at 158 lbs. Scott Phillips avenged last year's State finals loss by beating the former 170 lbs. State champ and captured the State Championship for 170 lbs. Phillips has also been a big part of St. Mark's wrestling for the past four years. Dwight Coleman was undefeated this year and rolled up a 31-0 record. Coleman is the first two-time State Champion in St. Mark's history. He had the honor of being named outstanding wrestler at the R. L. Turner Christmas Tournament and also beat the top heavyweights in Oklahoma and Louisiana.

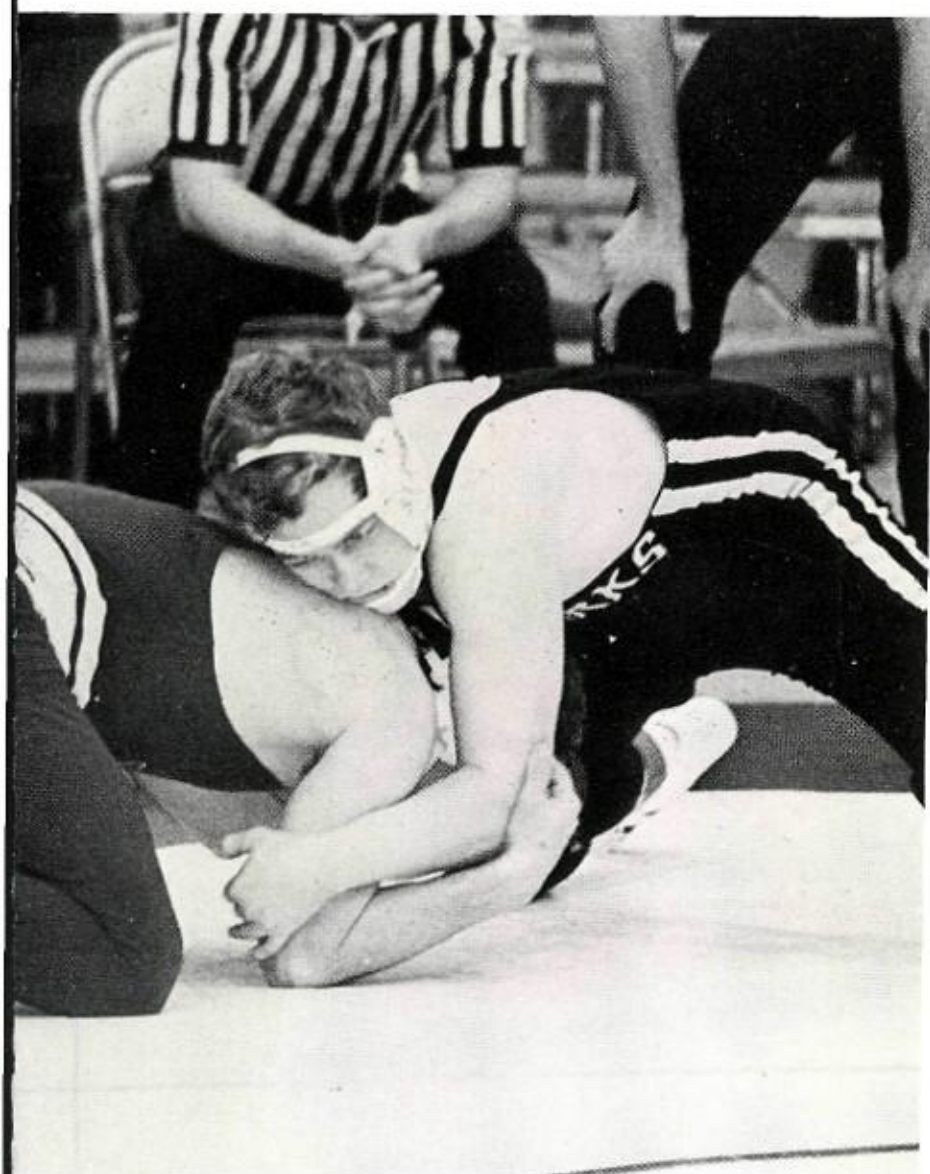

Juniors Cliff Freidman and James Allen both also captured NCTC championships at 101 lbs. and 148 lbs. respectively. David Traver was another threat for the Lions and gained much experience for next year. The "Easy Riders" also had a lot of help from Bob McDonald, Gary Block, Jeff Genecov, Anthony Atwell, and Chuck Blaylock.

Soccer

Led by coaches Herb Meyer and Bob Kohler, and captain Dwight Fletcher, the varsity soccer team captured all three championships in which they participated and were the first team to do so in St. Mark's history.

The Lions opened the season by traveling to Casady for a non-Conference game in which the young team had to settle for a tie, 1-1. St. Mark's then went on to the NTHSSA competition which saw the Lions plagued by inconsistency. They were victorious in their first game against FWCD, 2-0. In an extremely competitive game, the soccermen went ahead of Greenhill 2-1. The game was then called off at halftime and a later playing of the second half enabled Greenhill to rally back with a 3-3 tie. The Lions later dropped a poorly played game to Trinity Valley, 1-2, but came back to boot Jesuit, 3-0.

The Lions first SPC game was a real thriller as they defeated FWCD, 1-0 in overtime with a goal by Dwight Fletcher. The Lions then trounced Greenhill 3-0 before losing to Casady, 1-2, and Trinity Valley once again, 2-3. With their backs to the wall, the Lions came back to defeat Jesuit, 3-2, and to tie Cistercian, 2-2 to end the regular season play. St. Mark's tallied 60 points, the overall high for the league, thus capturing the private Conference Championship for 1975.

In the Cup Playoffs St. Mark's came on strong to put down FWCD 3-1 in the semi-finals. They met Trinity Valley for the third time, having lost twice before. The Lions went on to defeat Trinity Valley 3-2 and to claim the Private Cup.

The Lions entered SPC play with a 3-1 record. They went on to defeat TMI, 3-0, St. John's 2-0, and Kinkaid 2-0. This gave the Lions a tie for first place with Casady, and a flip of a coin brought the trophy home to St. Mark's.

Swimming

On February 13, 1975, the St. Mark's swimming team put together what was probably the finest performance of all time by any St. Mark's aquatic team. When the froth on the pool subsided the Lions had not only bested a highly favored Trinity squad by a 130 to 105 margin, but also they had broken five school records and three Trinity pool records in the process.

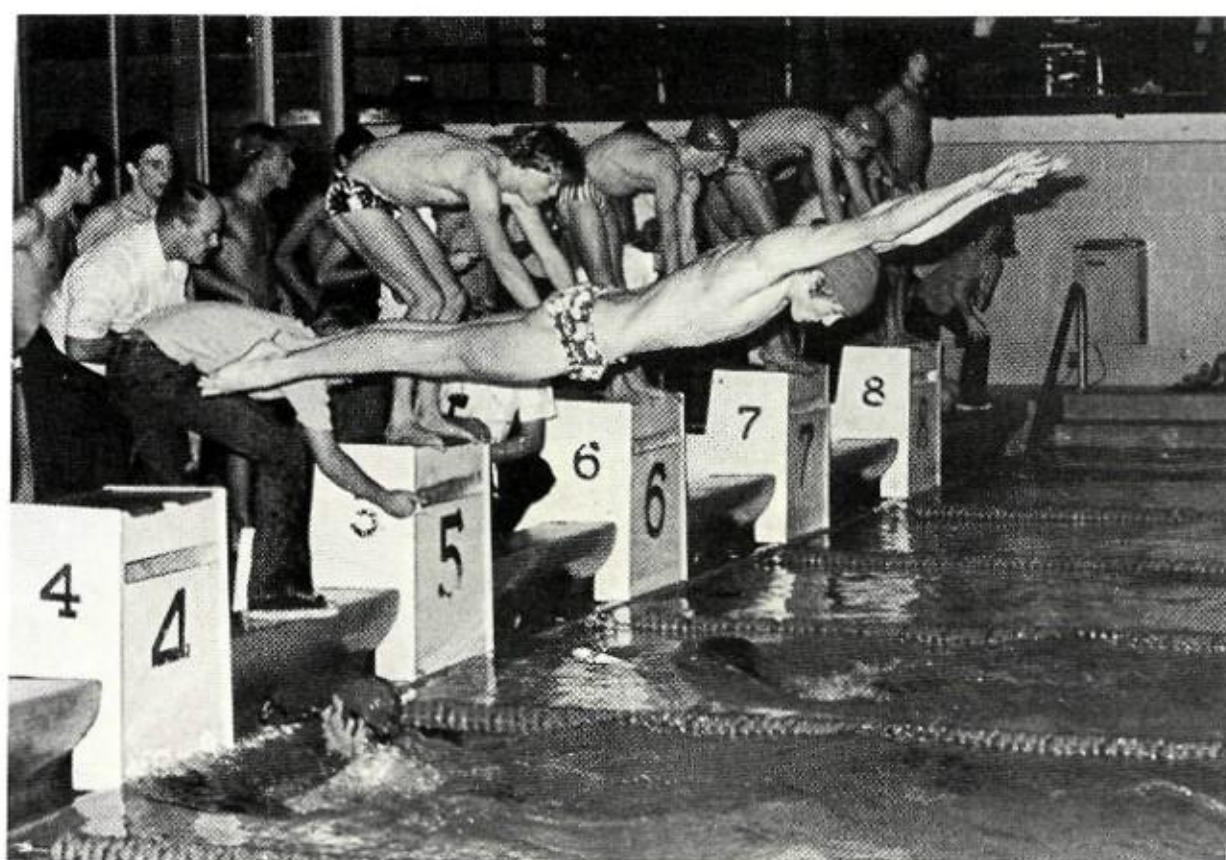

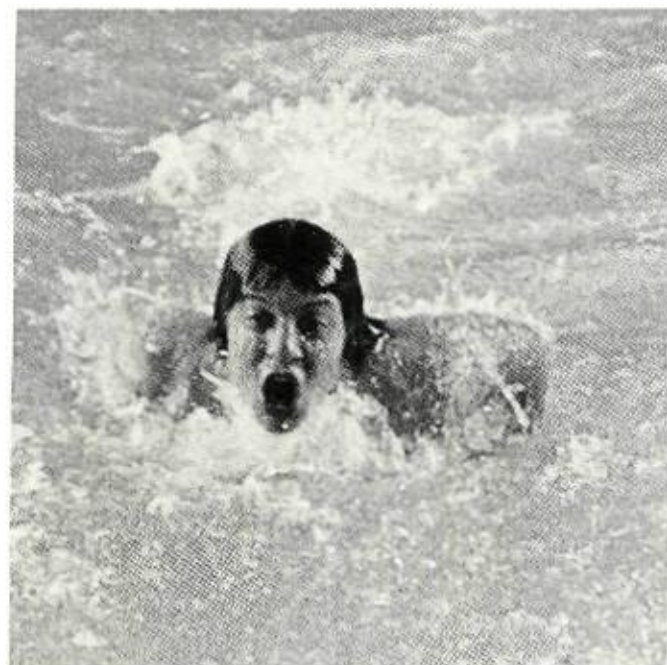

The meet was the culmination of a season that saw St. Mark's rise to prominence as a Texas high school swimming power. In meet after meet the Marksmen proved that they can compete at parity or better with all but the two or three strongest teams in the state, no mean feat for a private school with a small student body and limited practice time.

The team was remarkable for depth, but probably the outstanding performer for the year was junior Greg Kraus who set team records in the 100 and 200 yard freestyle events at :49.3 and 1:50.2 respectively, as well as swimming the anchor leg on the team record medley relay and setting a new record in the IM at 2:09.3. But Kraus was by no means alone, senior Craig Levering brought his three-year battle to take the 100 yard backstroke record to a successful conclusion at Trinity, swimming the event in :59.1, with junior Sid Balman close behind. Mark Lenox dropped three seconds in the 100 breast to earn the school record with a 1:04.8 clocking, and Dixon Hutchinson, a gritty performer all season, wound up with bests of 5:07.5 and 1:53.4 in the 500 and 200 yard freestyle events, both nearly record times. Scott Harris returned from his outstanding water-polo season to compile fine times in the 50 freestyle (23.2) and the 100 butterfly (57.6). Doug Glenn and Marshall Payne improved dramatically in the sprints and middle distance, the former going :51.5, the latter :52.2 in the 100 yard freestyle. And sophomore Al Glen and freshman Chris Gerken showed even greater improvement in the distance events — Al dropping his 500 time by almost two minutes and his 200 twenty seconds, and Gerken swimming the 500 in 5:22.4 and the 200 in 1:57.5. David Holt was consistent in the diving event.

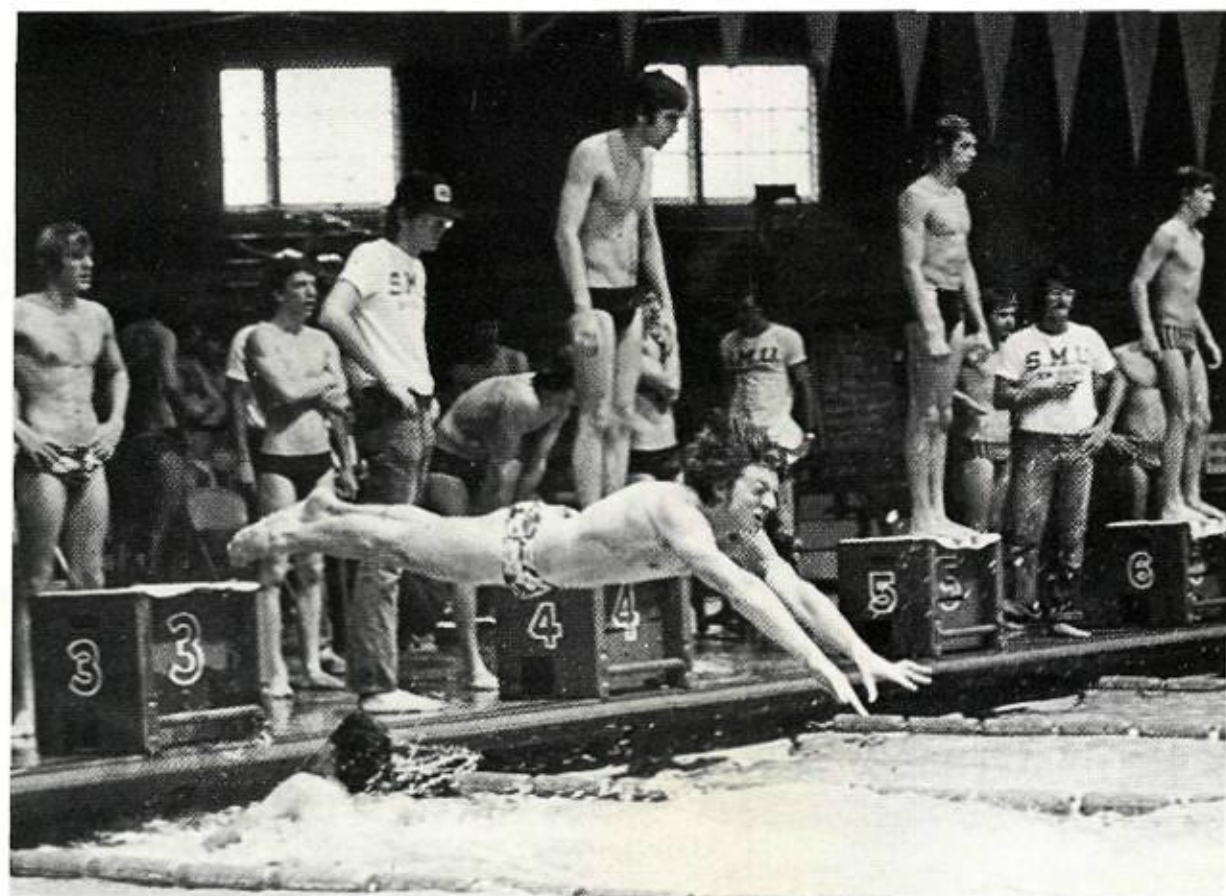

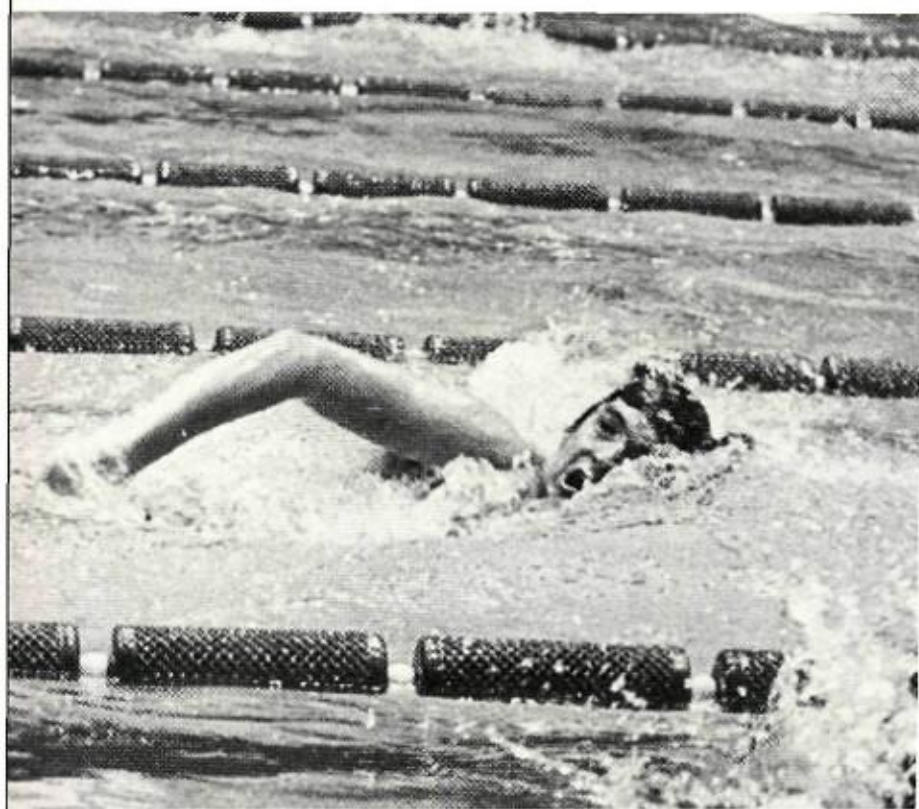

It was a highly gratifying season; only Richardson managed to beat the Lions as they compiled a 10-1 dual meet record, winning the S.P.C. against more or less token opposition and placing high in the S.M.U. relays and T.I.S.C.A. meet at Loos.

Fencing

The St. Mark's Varsity Fencing Team fared well this year, sending three Marksmen to the U.S. Junior Olympic Championships in Portland, Oregon. Sophomore Kerry Sulkowicz reached the semifinals in sabre in the Under-19 division, thus ranking him as one of the nation's top twelve fencers. Junior Chuck Helms, this year's captain, was faced with difficult competition and did not place. In the Under-16 division, sophomore Fergie Anderson made the semifinals in all three weapons, — foil, epee, and sabre — giving him top twelve in the national rankings also.

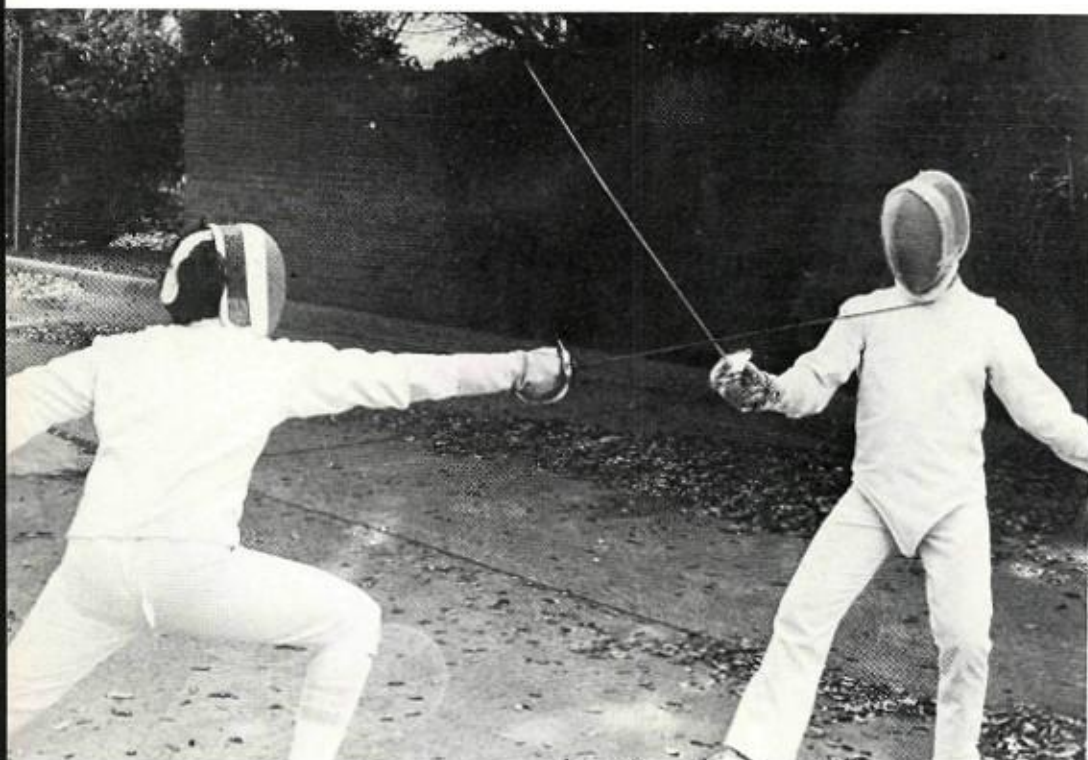

The team is coached and instructed by Fencing Master Daniel P. Nevot, unquestionably one of the world's foremost fencing figures.

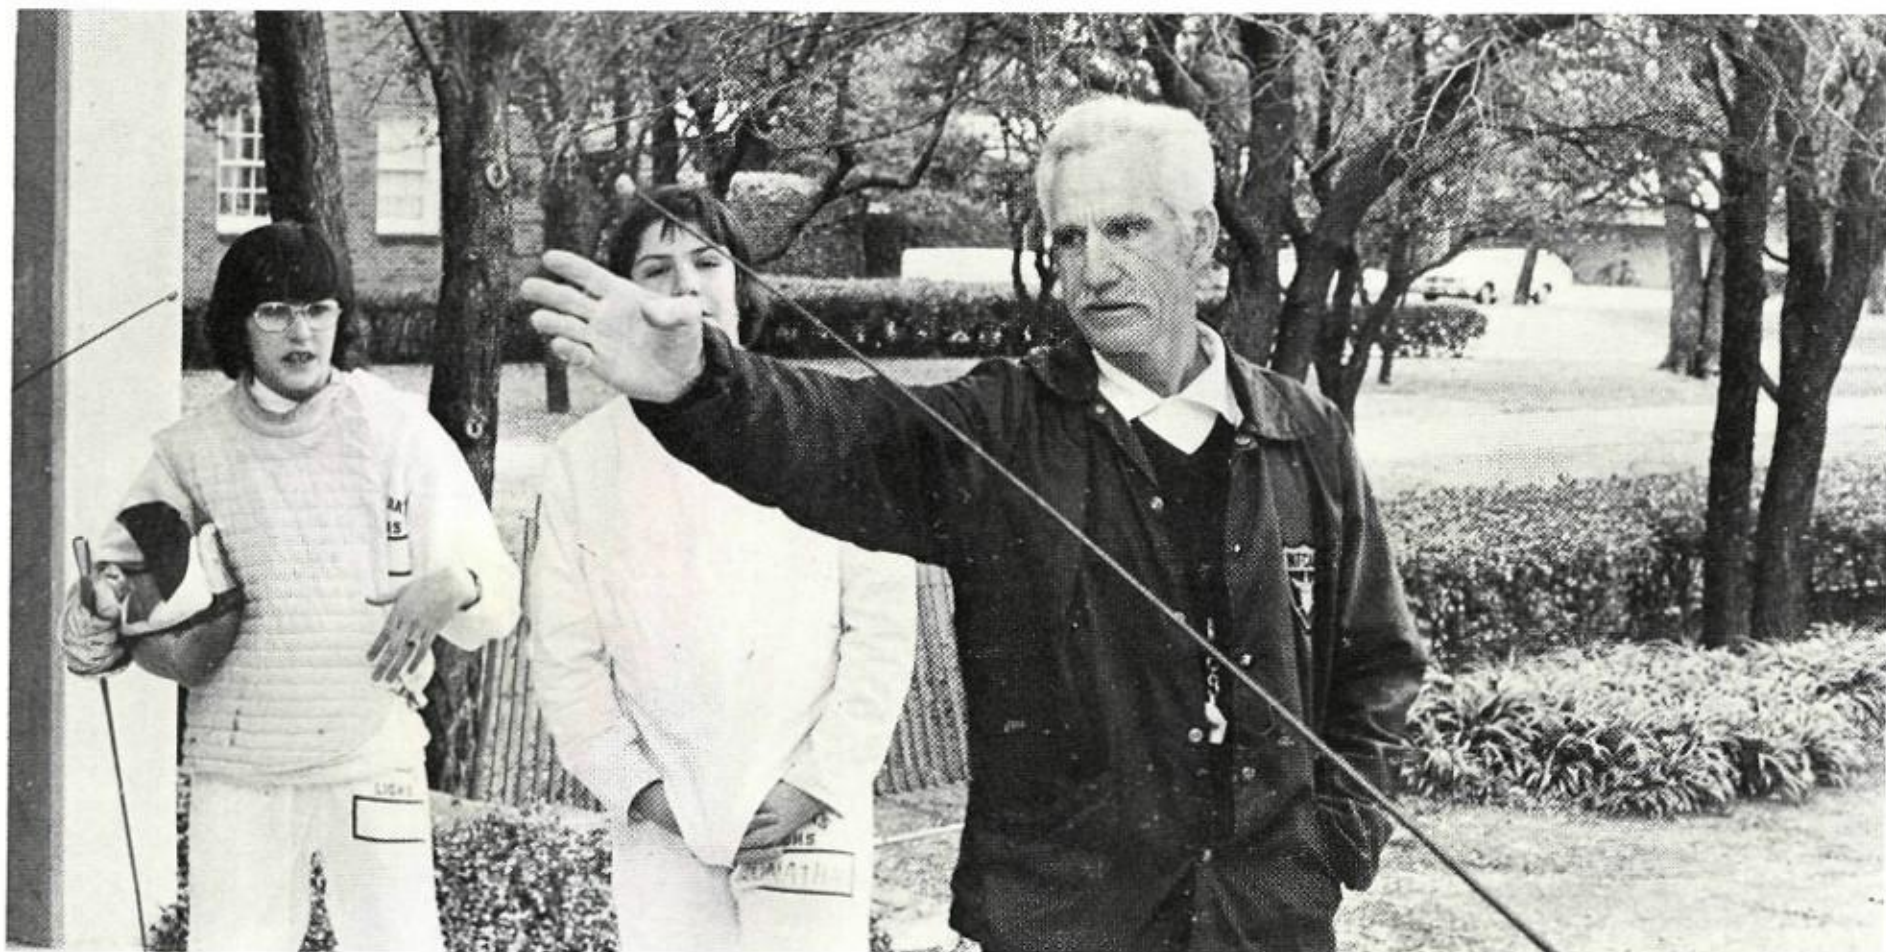

Marksmen fencers competed in numerous regional tournaments throughout Texas, including the U.S. Modern Pentathlon Championships, an international event held in San Antonio.

Next year's fencing team promises to retain its level of excellence in competition, as only one member of the squad is a senior this year. Under the tutelage of M. Nevot, St. Mark's has earned an impeccable reputation as one of the state's finest producers of national level fencers.

ORGANIZATIONS

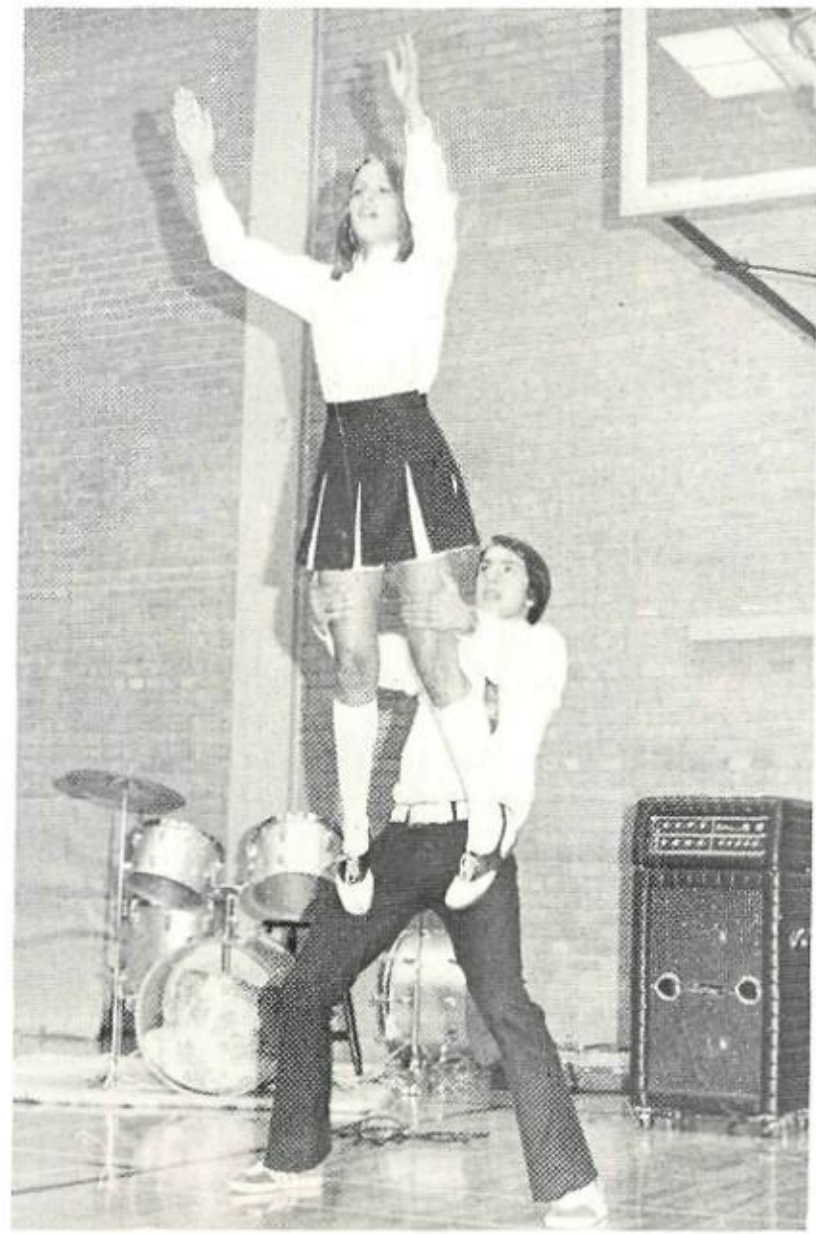

Cheerleaders

Captains Craig Levering and Barbara Bass and Sponsor Mike Spain led the school in a very spirited year.

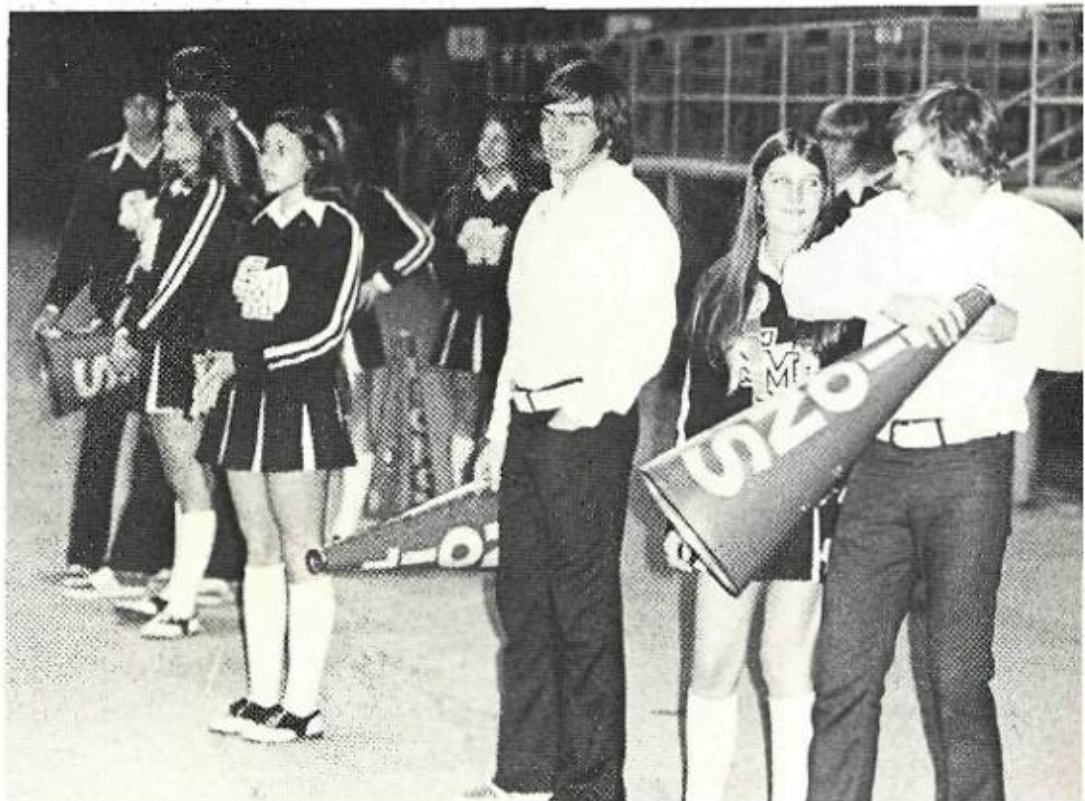

The year began at S.M.U. cheerleading school with our squad earning many honors.

The cheerleaders cheered for many different teams throughout the year, and gave some of the best pep rallies many can remember. The homecoming pep rally, featuring "Elvis the Pelvis" Tom Adams was said to have been the best in St. Mark's history. Also, this year's cheerleading was characterized by new stunts never before performed for St. Mark's crowd.

The cheerleaders were: Craig Levering, Beth Holland, Tom Woodruff, Peggy Papert, Sandy Campbell, Cindy Avery, David Maldonado, Barbara Bass, Phil Smith, Bonnie Bass, and Jay Lucas as the Lion.

Marksmen

The 1975 *Marksmen* is an attempt to give all aspects of the school maximum coverage. We feel this yearbook should have special meaning to the class of the '75 as they look back on their senior year.

A tremendous amount of work has gone into the production of this publication. As a result of the successful advertising campaign, we have been able to finance an excellent photography staff. We hope that you enjoy reading and looking at this year's annual as much as we enjoyed producing it.

Sincerely,
The MARKSMEN Staff

It is mailed free of charge to anyone interested in St. Mark's. Entered as third class mail at the U.S. Post Office under permit No. 3721, October 9, 1958.

The ReMarker

Cum Laude

The St. Mark's Cum Laude Society continued to induct the top ten percent of the Junior class, and the top twenty percent of the Senior class.

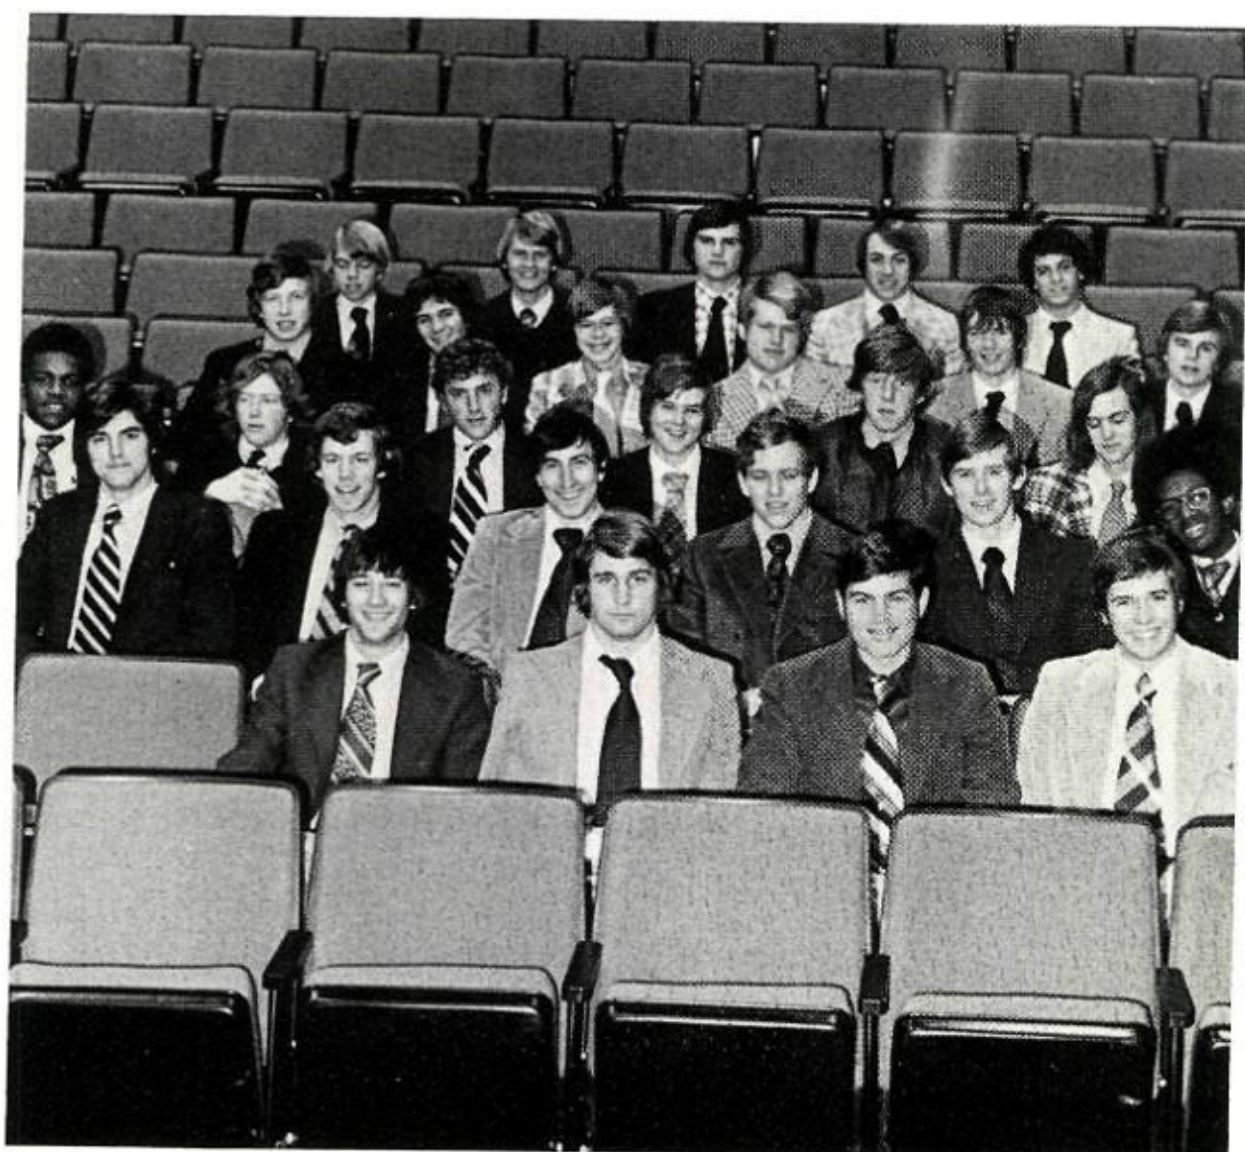

The Cum Laude Society was founded in 1959, and is now under the direction of Mr. Douglas. The student members are: Dwight Fletcher, John Harris, Lamar Hunt, Ed Keefer, Marshall Payne, John Williams, and Bobby Zorn.

National Merit Letters of Commendation

St. Mark's was again honored when N.M.S.Q.T. published the list of students receiving Letters of Commendation. Ten Marksmen received Letters; they were: Tave Campbell, Dwight Fletcher, John Harris, Ira Kaplan, George Lichte, Owen Page, Marshall Payne, John Shelton, Bruce Sidlinger, and Tom Woodruff.

Lion and Sword

The Lion and Sword Society is an honor society dedicated to serving the school. Members serve the school by giving tours of the campus and by assisting at various school functions such as Grandparents' Day and the Christmas Party. The Society includes elected members, as well as the presidents of the Senior and Junior classes, and the president and vice-president of the Student Council.

Semi-Finalists

St. Mark's made its mark on the National Merit Semi-Finalist roster as nine Seniors were awarded that coveted status. Marksmen achieving that ranking were: John Bicknell, Dwight Coleman, Jim Chud, Larry Groebe, Ed Keefer, Jay Lucas, David Lutken, Trey Nicoud, Randy Swain, and John Williams.

Co-op

Moving into a new location with managers Jeff Zisk, Larry Groebe, Jim Chud, and Tom Woodruff, the Co-op provided the school with its needed supplies.

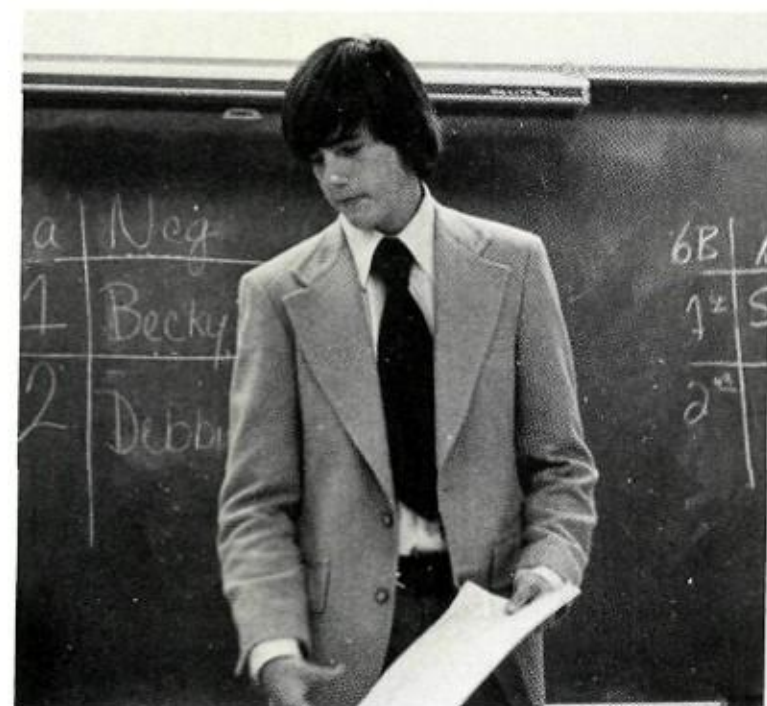

The Co-op's profits were contributed to the projects of the St. Mark's Student Council.

Debate Club

The Debate Club, in its third year of existence, had its most successful team this year. The Debate Club consistently placed St. Mark's competitors in the finals of debate tournaments throughout the state under the leadership of Debate Coach Mr. George Edwards, and Miss Stephanie Brandt.

David Arnold debates in the spring tournament.

Maintenance

In an effort to clean all elements of the St. Mark's campus, the maintenance staff picked up where the student service left off. Advisor Phil McDaniel, and Chairmen Wayne Whitham, Nick Whatley, and Mike Roberts coordinated the daily activities. The student workers received wages for their services after school and during vacations.

Environmental Council

In its second year of existence, the Environmental Council continued to keep the school conservation-minded. The council maintained the paper drive, and reaped the benefits of a garden.

The Environmental Council also posted signs to remind the school to conserve electricity, and presented many morning assemblies concerning ecology.

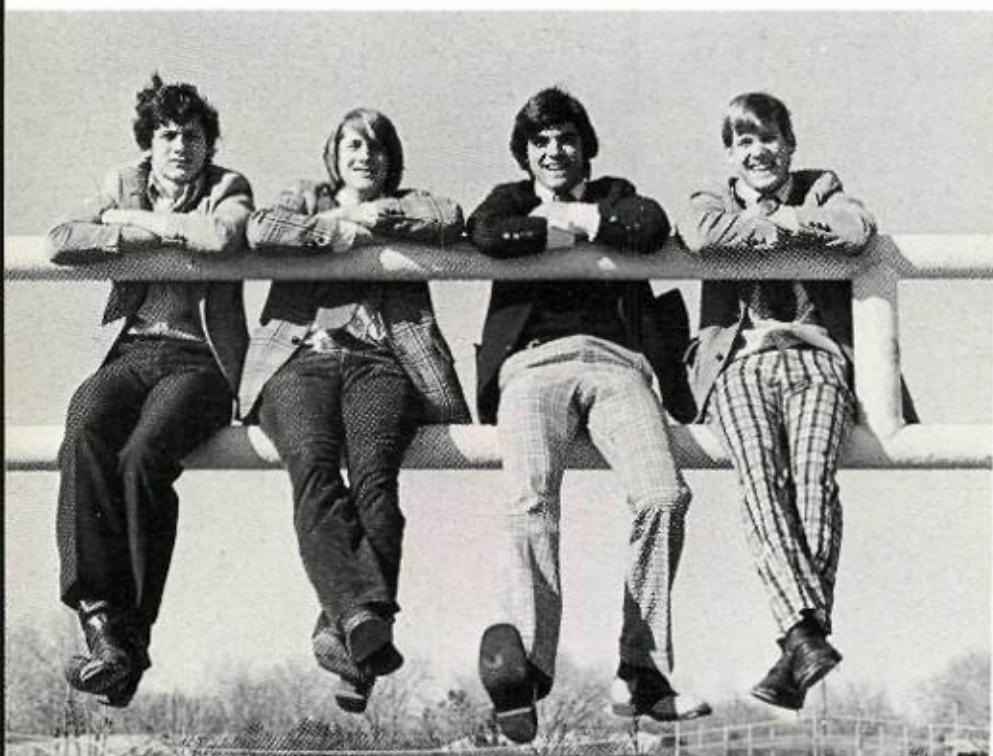

Student Council

Under the direction of President Tave Campbell, Vice-President Dwight Fletcher and Secretary Tom Jones, the 1974-75 Student Council had an active and successful year.

In addition to its usual duties of organizing assemblies, operating concessions, and giving receptions for visiting football teams, the Council also organized a major two-day Homecoming celebration, and an All-Star Talent Show, which helped fund the A.F.S. program.

Roar

Building on a banner year last year, Seniors Phil Page and Marshall Payne kept the Roar tradition alive.

Roar's reassuring voice was heard at many athletic contests throughout the year adding to the excitement and enjoyment of all.

Thanks to Roar, many had a sleepy Homecoming Day, as Roar had spent the night adorning many trees around Dallas with a lot of paper.

The highlight of the year was the annual bus trip to Casady. About 230 fans traveled north with victory in their minds.

Chess Club

This year's version of the Chess Club was rather late getting underway due to a lack of facilities. However, beginning in early November, the Chess Club was back to normal, posting lists of ratings for its more than eighty members every week, and challenging individuals throughout the city to meet them in competition. This year's president was Junior Lawrence Bock, and the Director of Tournaments was Bruce Breedlove. Breedlove's first tournament benefited the Can-paign. This year's faculty advisor was Mr. Leon Callihan.

KRSM

When the tower was constructed in February, KRSM, the school's radio station, made *final* preparations to begin broadcasting.

The station provided a variety of musical styles, public service, and public affairs programs specifically aimed at the north Dallas high school community.

Choir and Glee Club

This year's Choir and Glee Club was led by co-presidents Bob Porter and David Lutken, and directed by Mr. James Livengood. It performed for the school at the Christmas Assembly. Beginning with Handel's Ode to St. Cecilia Day, the group also performed at the important Festival of Lessons and Carols in December.

For the second year, the Glee Club combined with the Hockaday contingent to form a mixed chorus.

Upper School Orchestra

Expanding its membership to 3 Hockadaisies and faculty members, the Upper School Orchestra had another banner year.

Beginning with a performance at the dedication of the H. Ben Decherd Center in October and continuing through the final concert in May, the orchestra presented many fine performances, including the Christmas Concert, I.S.A.S. Festival, morning assemblies, and a spring concert in March.

The Middle School Orchestra began its first year of performing in 1973. The orchestra included Middle School Strings, and selected members of the Intermediate Band.

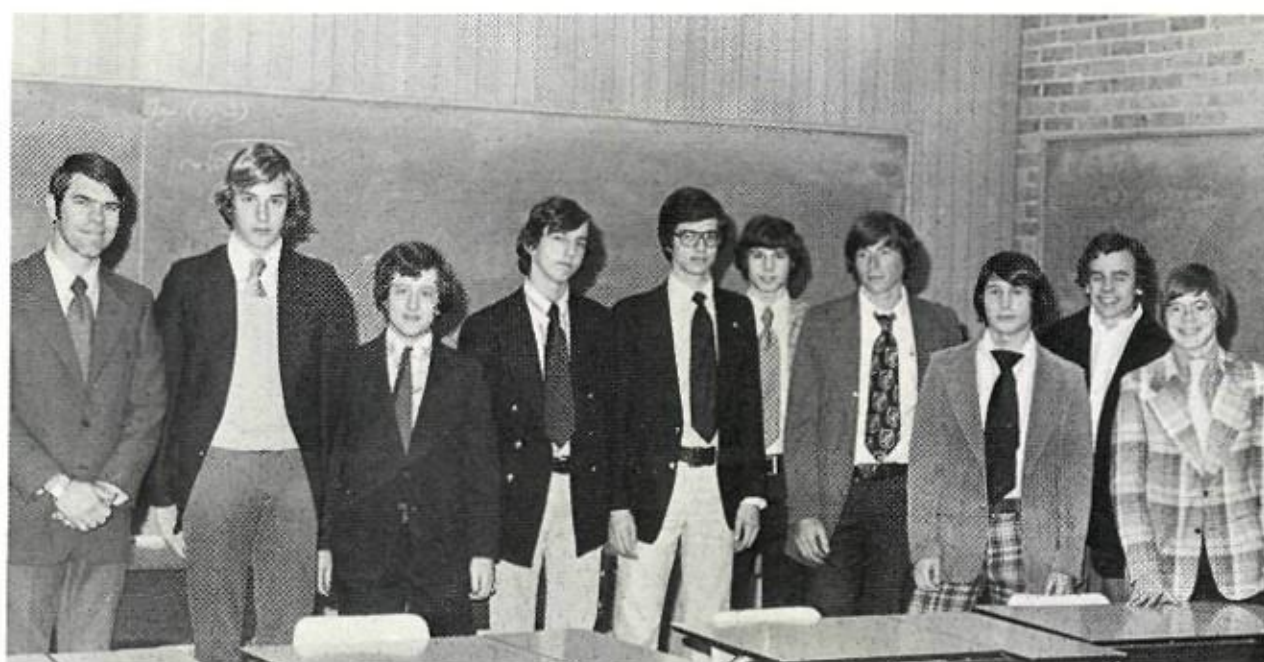

Begun as a result of the growing string program at St. Marks, and the need for more basic music, the Middle School Orchestra participated in two spring concerts, as well as a Lower School concert.

Middle School Orchestra

Problem Solvers

Sponsor Michael Beidel and the problem solvers participated in the Hockaday Tournament and the National Mathematics Examination this year. Senior John Shelton fared well in both tournaments.

Outing Club

The Outing Club is unique around the School in that it has no set membership. The club undertakes such activities as canoe trips, hiking trips, and camping trips. Anyone interested in a particular trip may go if he qualifies for the age level or skill rating of the trip. The faculty sponsors of the Outing Club are Messrs. Easterling, Lutken, and Spain.

Sailing Club

The Sailing Club met each afternoon to discuss different aspects of sailing. On Saturday mornings, the sailors traveled to the Ft. Worth Boat Club to sail. The members also participated in major regattas held on the lake.

Marque

The *Marque*, the school's literary magazine, was led by Harold Rolfe and Glenn Weddock, and Advisor Mrs. Cathy Lutken. The *Marque* publishes writing and photographs contributed by members of the student body and the faculty in a year-end magazine. This year, guest speakers such as A. C. Greene came to lecture about creative writing, and there were student meetings where students discussed their recent writing efforts.

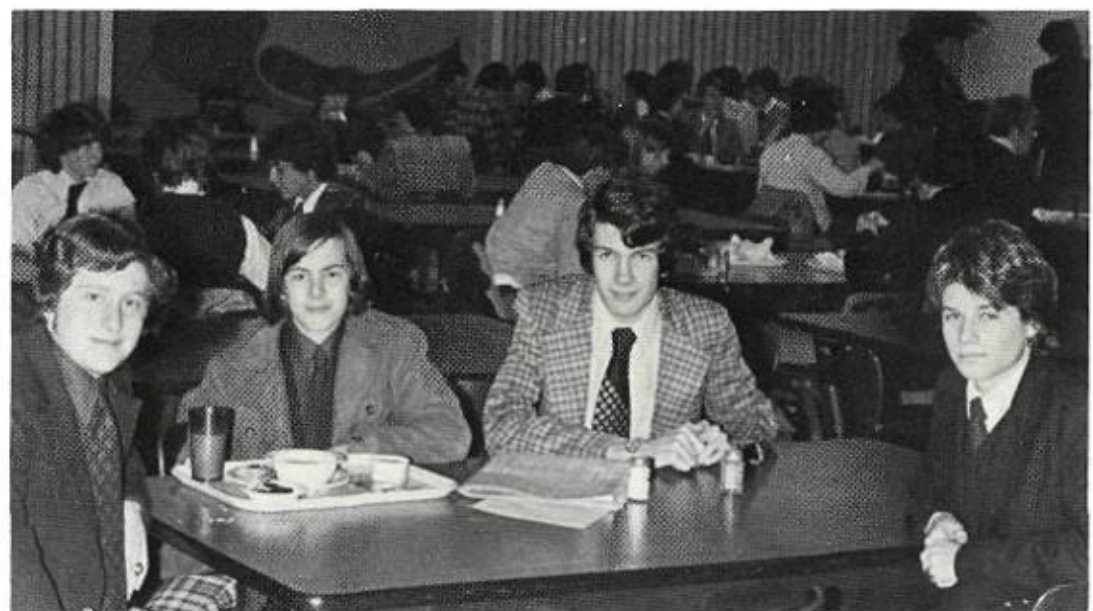

ReMarks-A-Lot

Under the leadership of editor Eric Yollick and the guidance of faculty sponsor Miss Ingrid Yollick, this year's *ReMarks-A-Lot* staff had another successful year. The Middle School newspaper included many articles, pictures, puzzles, and cartoons contributed by Middle School students.

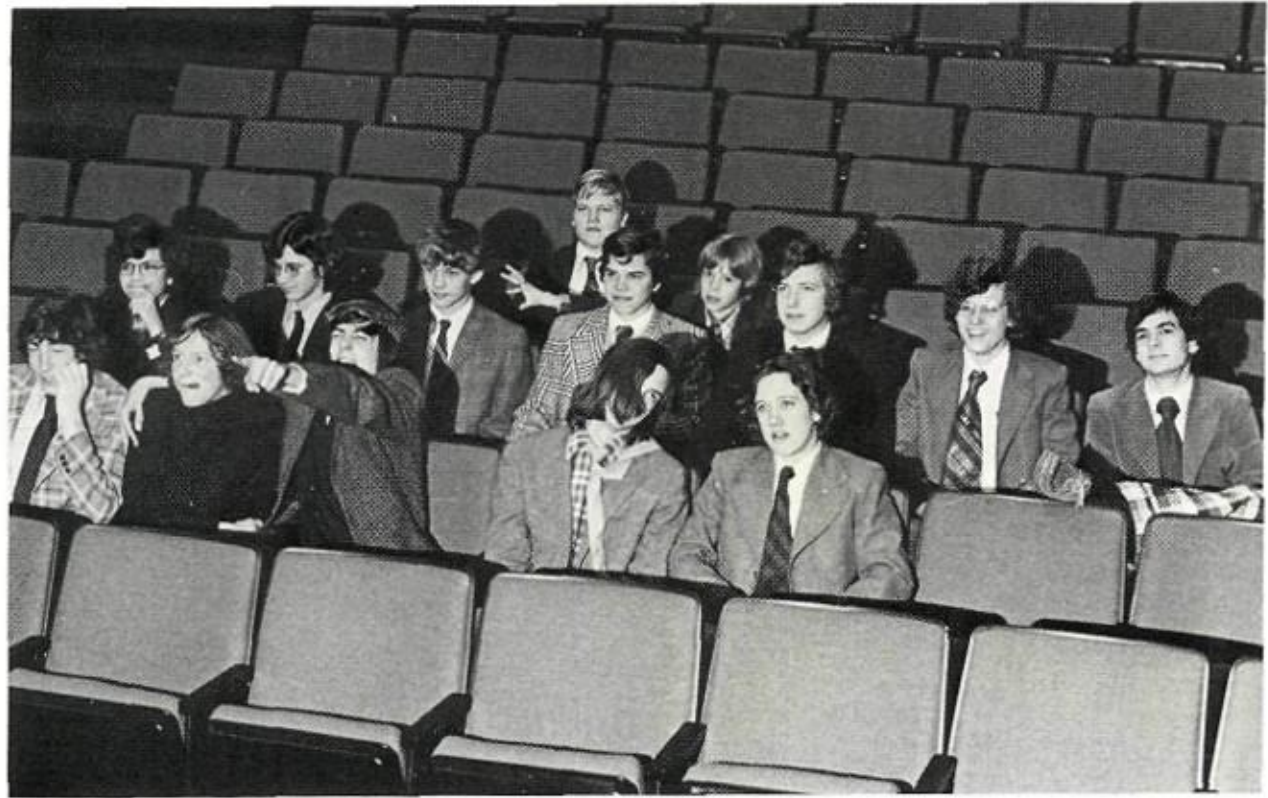

Trivia Club

If you have ever wondered who it is asking you the number of ring-tailed lemurs in Nepal in the school bulletin, you may be happy to discover that it is the Trivia Club. After lunch, when all others are either indifferent or exasperated, this group meets to discuss the answer.

Film Society

Under the guidance of Sponsor Michael Bennett and president David Lutken, the Film Society averaged one showing per month. The Society showed such greats as "Cool Hand Luke", "Slaughterhouse Five", and "The Treasure of the Sierra Madre". The annual Film Festival was held on the weekend of February 22, with one of the finest attendances of any past festival.

Astronomy Club

The St. Mark's Astronomy Club, under the leadership of president Bruce Breedlove, and vice-president Dixon Hutchison again had a very successful year.

The club presented monthly shows beginning with the Halloween Show, "The Sign of the Penagram". The shows were written by the club members. In addition, members of the club gave shows to outside groups.

The Club also had several outings into the country to observe the stars.

Drama Club

The Drama Club had a very successful year. Beginning in October with "A Gay Nineties Revue", presented in honor of the opening of the H. Ben Decherd Center for the Arts, the club produced three plays directed by Advisor Peter Lutken. The club also presented its annual March student-directed Festival of One Act Plays.

Band

Adding seven girls from Hockaday to its roster, the band played at football games and pep rallies.

New to the band's schedule this year were performances at the dedication of the H. Ben Decherd Center, Dallas Black Hawk games, and a performance for the Dallas County Heritage Society.

Also this year, the band presented two well-received concerts as well as performing for the I.S.A.S. Festival.

Lettermen's Club

Consisting of all varsity lettermen, the 1974-75 Lettermen's Club had an active year. The officers were President Scott Phillips, Vice-president Tom Ebner, and Secretary-Treasurer John Lee.

The club's major activity this year was the annual Athletic Banquet in May. Thanks should go to the club's officers, the mother's committee, and the advisor, Mr. Charles Quisenberry, for hosting an excellent banquet.

Good Luck!

National Sound Deflates.

(With our fantastic Fisher/Dual component special. List \$848.35 Our Price \$488.00!)

Fisher

Dual

Inflation.

National Sound believes that quality audio systems offer an enduring value in a time when prices seem to go nowhere but up. To support this belief, we are offering a special on a fabulous Fisher/Dual combination stereo system. Normally this system retails for \$848.35. At National Sound (we're the people that believe in *deflation*) you can purchase this special for \$488.00! Read on to see what you get.

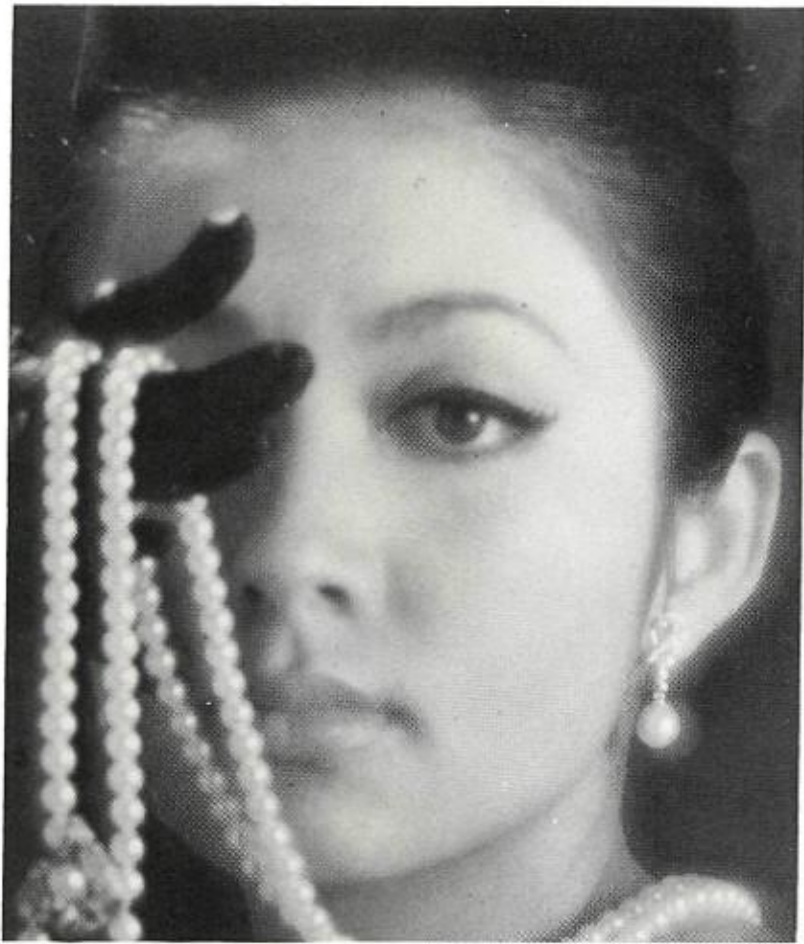

The Fisher 222 Studio-Standard Series Receiver features an AM, FM and FM Stereo with Stereobeacon® signal strength and center channel meters, illuminated function readouts, 2 speaker system capability, and rear panel terminals for tape recorder or tape player. The Dual Automatic Turntable tracks as low as one gram, has a constant-speed hi-torque motor, 6% pitch control, 33 $\frac{1}{3}$ and 45 rpm, and features anti-skating for all stylus types. The Fisher XP7S Studio-Standard Series Speaker System features a 12-inch woofer, 5-inch midrange, 3-inch tweeter, and a removable sculptured grill.

One great price.

It's what happens when three great names get together. Fisher, Dual, and National Sound.

This special
is good at both Dallas locations.

Hey! Wait a minute...

You forgot something. When you left the room, your electrical appliances were still operating . . . to no one's benefit.

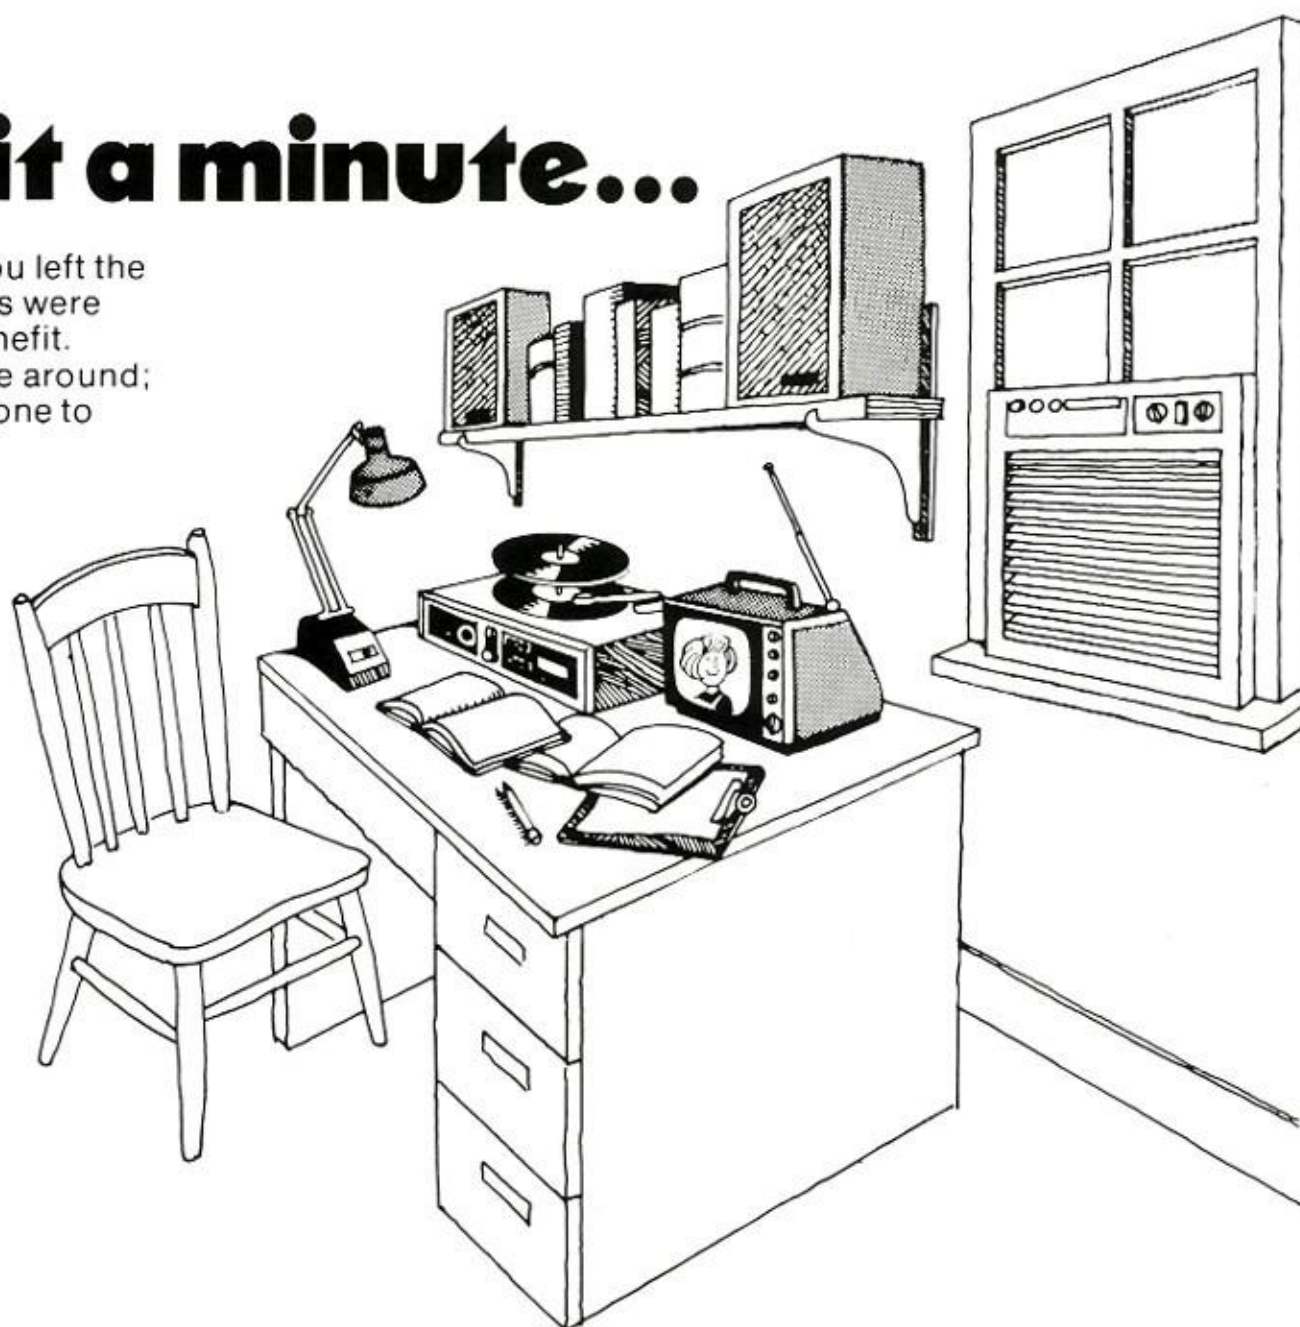

Lights on when there's no one around; music playing when there's no one to listen; air conditioning when there's no reason for it; that's inefficient, and inefficiency costs money.

Using electricity efficiently is something we all need to think about these days. So take a minute to turn off appliances when they're not in use. You'll be making a wise move.
